## City/Town of

### **Industrial Wastewater Hauler Permit**

MassDEP has provided this form for use by local Boards of Health if they choose to do so.

---

\_\_\_\_\_  
Board of Health or Approving Authority

Approves this application to haul industrial wastewater and the content of industrial wastewater holding tanks. This permit expires on the date set forth below. All transport must be in accordance with 314 CMR 18.12 and applicable local regulations. A copy of this permit shall be kept in every vehicle in which the permittee carries industrial wastewater over the roads of the Commonwealth.
