Yes - Updates will be added and tweaked within the Customer Service FAQ/QRG as needed to ensure quality/consistency across the customer service space surrounding the BHCA benefit and the transition to Commercial Fully-Insured

### 2) Identify where, if anywhere, a carrier may explain BHCA services on the carrier’s website

- For providers BHCA services are outlined on Provider Express - Massachusetts Provider Resources and will be updated in this location as activities continue for BHCA
- Members can sign in and find information on BHCA services on the member facing live and work well site. Information is being updated on this site as services continue to expand

## Blue Cross and Blue Shield of Massachusetts

- 1) The phone number for a consumer to call with questions about BHCA services  
Members should call the number on their member ID cards. This phone number is unique to their employer or account, and will direct them to a representative who can answer specific questions about their coverage.
  - a. Please identify if this is a BHCA-specific telephone number or a general number  
If a general number, please explain how the customer service representative has been trained to discuss the availability of BHCA services  
This is our general member service number for the account. Our associates have been trained to guide members through questions on Intensive Community Based Treatment (ICBT), and have access to internal documents available to address specific issues.
  - b. Please explain whether there is a way to request BHCA services and whether there is a certain term that should be requested and terms not to request
    - i. One health plan suggested that the caller not ask for therapy because they will get information about physical or related therapy  
BCBSMA covers all services listed in the bulletin in the following fashion; dividing the services into three broad categories:
      1. Mobile Crisis Intervention (MCI) – an alternative to emergency room care
      2. Intensive Community based Treatment (ICBT) – for home-based services, excluding MCI
      3. Acute Residential Treatment - for CBAT & ICBAT service
    - ii. As an example, BCBSMA has indicated that BHCA services are best referred by a consumer caller as “Intensive Community Based Treatment”  
Intensive Community Based Treatment (ICBT)
  - c. If a consumer asks “Am I eligible for BHCA – or what term you suggest – services,” can you tell the person whether BHCA is covered under the consumer’s health plan?  
Yes our associates can advise the member if they have the benefit.
    - i. If person is in a self-funded plan, can you indicate that benefits are not available under the employer’s self-funded plan  
Yes our associates can inform the member if the self-funded plan does not have the benefit.
    - ii. If person is covered in an out-of-state plan, can you indicate that coverage was issued outside MA and benefits are not available under this out-of-state plan  
BCBSMA does not issue plans outside of MA.
    - iii. If person is in an insured plan that has not yet renewed since 7/1/2019, can you indicate that benefits will be available after employer’s next plan renewal  
Yes for fully-insured plans our associates can indicate that the benefit will be available upon renewal date.
- 2) Identify where, if anywhere, a carrier may explain BHCA services on the carrier’s website  
BCBSMA does detail ICBT services on our provider portal site. Our member site states the following for Behavioral Health:

A behavioral health provider will work with you to determine the right course of treatment for your condition. In some cases, this may mean additional services such as:

  - Intensive Outpatient Programs: This type of program is usually administered at a health care clinic. The program runs for three to five days a week, and includes three to four hours of individual and group therapy that addresses:
    - Psychological and social assessments
    - Monitoring and treatment planning
    - Education and counseling on maintaining recovery

## **Blue Cross and Blue Shield of Massachusetts (continued)**

- Partial Hospital Programs: This type of program usually takes place at a dedicated clinic, with sessions five to seven times a week. The sessions usually include six to eight hours of individual and group therapy that addresses:
  - Psychological and social assessments
  - Monitoring and treatment planning
  - Education and counseling on maintaining recovery

If you have questions about your coverage or finding a behavioral health provider, call us at the number on your Blue Cross ID card.

## **Boston Medical Center Health Plan, Inc.**

1) The phone number to call with questions about BHCA services  
888-217-3501

a. Please identify if this is a BHCA-specific telephone number or a general number

General, please follow prompts for behavioral health

If a general number, please explain how the customer service representative has been trained to discuss the availability of BHCA services

Customer Services/Member services has been thoroughly trained in BHCA services and have a “cheat sheet” available to them for quick response. A member may also ask for a “CBHI specialist” when calling to get more information or if they are not confident they got the right information.

b. Please explain whether there is a way to request BHCA services and whether there is a certain term that should be requested and terms not to request

i. One health plan suggested that the caller not ask for therapy because they will get information about physical or related therapy

ii. As an example, BCBSMA has indicated that BHCA services are best referred by a consumer caller as “Intensive Community Based Treatment”

Member should ask about the specific service they are seeking information about. Or they can ask about BHCA

c. If a consumer asks “Am I eligible for BHCA – or what term you suggest – services,” can you tell the person whether BHCA is covered under the consumer’s health plan?

Yes. We have specific indicators in our system to delineate if a member is eligible.

i. If person is in a self-funded plan, can you indicate that benefits are not available under the employer’s self-funded plan

Yes

ii. If person is covered in an out-of-state plan, can you indicated that coverage was issued outside MA and benefits are not available under this out-of-state plan

N/A

iii. If person is in an insured plan that has not yet renewed since 7/1/2019, can you indicate that benefits will be available after employer’s next plan renewal

We can indicate when that enrollment date is, we may not know if they will be eligible after that date until that date.

2) Identify where, if anywhere, a carrier may explain BHCA services on the carrier’s website.

We suggest calling for the most accurate information or checking published member documents.

## Cigna Health and Life Insurance Company

### 1) The phone number to call with questions about BHCA services

The consumers should call the phone number on the back of their ID card, or 800-244-6224

#### a. Please identify if this is a BHCA-specific telephone number or a general number

##### General

If a general number, please explain how the customer service representative has been trained to discuss the availability of BHCA services

Representatives have been given talking points regarding BHCA services and several meetings were held at the beginning of implementation to assist in educating staff. Upon calling the number on the back of their card or our main Cigna number, customers/providers will follow prompts for Behavioral health and get connected to one of our Behavioral Health Personal Advocates/National Authorization Team. This is a behavioral health team that is trained to discuss all behavioral health services on the individual's plan

#### b. Please explain whether there is a way to request BHCA services and whether there is a certain term that should be requested and terms not to request

i. One health plan suggested that the caller not ask for therapy because they will get information about physical or related therapy

ii. As an example, BCBSMA has indicated that BHCA services are best referred by a consumer caller as "Intensive Community Based Treatment"

The consumer should ask for the specific BHCA service in question as they are outlined in the bulletin (In-home therapy, Intensive Care Coordination, etc.) to ensure correct benefits and eligibility information is received.

#### c. If a consumer asks "Am I eligible for BHCA – or what term you suggest – services," can you tell the person whether BHCA is covered under the consumer's health plan?

Yes we will be able to tell the person if BHCA services are covered under their plan.

i. If person is in a self-funded plan, can you indicate that benefits are not available under the employer's self-funded plan

Yes and if the self-funded plan elected to cover these services we can tell them that also.

ii. If person is covered in an out-of-state plan, can you indicated that coverage was issued outside MA and benefits are not available under this out-of-state plan

Yes

iii. If person is in an insured plan that has not yet renewed since 7/1/2019, can you indicate that benefits will be available after employer's next plan renewal

Yes

### 2) Identify where, if anywhere, a carrier may explain BHCA services on the carrier's website

Fully insured members can access their certificate of coverage on myCigna.com that will have descriptions of these covered benefits. We are currently looking to see if we can post our FAQs from our provider session on our website but have not confirmed that yet.

## ConnectiCare of Massachusetts, Inc.

1) The phone number to call with questions about BHCA services  
888-946-4658

a. Please identify if this is a BHCA-specific telephone number or a general number

General

If a general number, please explain how the customer service representative has been trained to discuss the availability of BHCA services

Customer Service completed a comprehensive training on BHCA Phase I, effective 7/1/2019. Below is a sample of the communication that was sent to the Customer Service team. Refresher training is scheduled for 2/21/2020 – please see responses to b. and c below:

b. Please explain whether there is a way to request BHCA services and whether there is a certain term that should be requested and terms not to request

- i. One health plan suggested that the caller not ask for therapy because they will get information about physical or related therapy
- ii. As an example, BCBSMA has indicated that BHCA services are best referred by a consumer caller as “Intensive Community Based Treatment”  
The Customer Service FAQ/quick reference guide (QRG) goes over the multiple ways that BHCA services may be requested by providers.

Optum has scheduled a working session with its Customer Service, Intake and Clinical Operations teams to review the current FAQ/QRG to ensure that “Lessons Learned” has been added, that all terms associated with BHCA are included within the document, and that Customer service is aware of how to verify these services for both members and providers.

Working session: Scheduled for Friday, February 21<sup>st</sup>

Note: Updates will be made to the Customer Service FAQ/QRG as needed to ensure quality/consistency across the customer service space surrounding the BHCA benefit and the transition to commercial fully-insured plans

c. If a consumer asks “Am I eligible for BHCA – or what term you suggest – services,” can you tell the person whether BHCA is covered under the consumer’s health plan?

- i. If person is in a self-funded plan, can you indicate that benefits are not available under the employer’s self-funded plan
- ii. If person is covered in an out-of-state plan, can you indicated that coverage was issued outside MA and benefits are not available under this out-of-state plan
- iii. If person is in an insured plan that has not yet renewed since 7/1/2019, can you indicate that benefits will be available after employer’s next plan renewal  
Questions related to consumer eligibility and benefits would be addressed by the Customer Service team. The working session scheduled for 2/21/2020, described in the response to b. above will provide an opportunity to review this information with the Customer Service team and assure that the process documents outline how to respond to these questions.

2) Identify where, if anywhere, a carrier may explain BHCA services on the carrier’s website

This is located on Optum’s Live and Work Well website.

## Fallon Community Health Plan, Inc.

- 1) The phone number to call with questions about BHCA services  
888-421-8861 (Beacon Customer Service)
  - a. Please identify if this is a BHCA-specific telephone number or a general number General. Members should follow prompts to reach a Customer Service/Member Services representative.  
If a general number, please explain how the customer service representative has been trained to discuss the availability of BHCA services  
Customer Service/Member Services representatives have been thoroughly trained in BHCA services and have a “cheat sheet” available to them for quick response.
  - b. Please explain whether there is a way to request BHCA services and whether there is a certain term that should be requested and terms not to request
    - i. One health plan suggested that the caller not ask for therapy because they will get information about physical or related therapy
    - ii. As an example, BCBSMA has indicated that BHCA services are best referred by a consumer caller as “Intensive Community Based Treatment”  
Member should ask about either BHCA or the specific service they are seeking information about.
  - c. If a consumer asks “Am I eligible for BHCA – or what term you suggest – services,” can you tell the person whether BHCA is covered under the consumer’s health plan?  
Yes. We have specific indicators in our system to indicate whether a member is currently eligible for BHCA services.
    - i. If person is in a self-funded plan, can you indicate that benefits are not available under the employer’s self-funded plan  
Yes.
    - ii. If person is covered in an out-of-state plan, can you indicated that coverage was issued outside MA and benefits are not available under this out-of-state plan  
N/A – Fallon Health does not insure or administer any commercial coverage sited outside of Massachusetts.
    - iii. If person is in an insured plan that has not yet renewed since 7/1/2019, can you indicate that benefits will be available after employer’s next plan renewal  
The Customer Service/Member Services representative can identify when the member’s next renewal date is, but will not be able to know for certain if the member will be eligible after that date until that date actually arrives and the eligibility indicator is updated.
- 2) Identify where, if anywhere, a carrier may explain BHCA services on the carrier’s website  
Neither Fallon nor Beacon currently has specific material posted on their website. We suggest calling for the most accurate information or checking published member documents.

## Harvard Pilgrim Health Care, Inc.

1) The phone number to call with questions about BHCA services  
888-777-4742

a. Please identify if this is a BHCA-specific telephone number or a general number

If a general number, please explain how the customer service representative has been trained to discuss the availability of BHCA services

This is the general customer services phone number. Customer service completed a comprehensive training on the BHCA services in July 2019 when most of the services were effective. There will be a second working session/training in the near future with the customer service, intake and clinical operations teams to ensure that all teams are well versed in BHCA and are able to appropriately confirm eligibility and benefits related to this benefit.
