Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes. The Department Disciplinary Unit (DDU), located within MCI - Cedar Junction, houses inmates with the most serious discipline issues (64 inmates as of July 1, 2022).		
*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.		
**Institutional length of stay (LOS) is the number of days between January 1, 2022 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of January 1, 2022. On June 1, 2009 MCI-Cedar Junction became the reception center for sentenced inmates where they are housed temporarily prior to classification, affecting the average LOS. LOS is also skewed due to the housing of federal detainees as well as those housed in DDU and Permanent Workforce.

Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division. Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes. *Demographics are reported for the total facility count; sentence information for criminally sentenced population only. **Institutional length of stay (LOS) is the number of days between January 1, 2022 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of January 1, 2022.
