*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.			**Institutional length of stay (LOS) is the number of days between July 1, 2025 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of July 1, 2025.			Average Daily Pop FY 2025	237	
**Jurisdiction population includes all inmates housed in DOC facilities as well as those under Massachusetts jurisdiction being housed in correctional facilities outside of the MA DOC.			The Transitional Treatment Program, a program located at Boston Pre-Release Center which temporarily housed inmates who were granted parole, closed in early February 2020 as the last of the parolees left through attrition and is not scheduled to reopen.			Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division. Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes.		
						*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.		
						**The population breakdowns at the top of fact card were provided by Bridgewater State Hospital. This may not add up to total facility count provided in the MA DOC's Inmate Management System. There are 32 additional inmates housed within units at Old Colony Correctional Center (BSH Annex Units). They are included in Old Colony's count.		
						***Institutional length of stay (LOS) is the number of days between July 1, 2025 and the most recent transfer date to the given facility or the most recent break in custody. Information is obtained from data entered in the MA DOC's Inmate Management System and is compiled by the Research and Planning Division. Operational capacity includes general population bed capacity within each facility. This does not include beds utilized for discipline, investigations, infirmary or any other support beds used for special purposes.		
*Demographics are reported for the total facility count; sentence information for criminally sentenced population only.		
**Institutional length of stay (LOS) is the number of days between July 1, 2025 and the most recent transfer date to the given facility or the most recent break in custody. Temporary visits to hospitals, courts or temporary holds are not considered a break in custody. This represents the average number of days an inmate has been housed in the noted facility as of July 1, 2025.
