Introduction

MassDEP *Instructions & Support Materials* are available for download from the MassDEP Web site at www.mass.gov/dep in two file formats: Microsoft Word™ and Adobe Acrobat PDF™. Either format allows documents to be printed.

Instructions & Support Materials provide guidance on how to prepare a permit application.

The supporting documents for these permit applications, and the fee payment (if applicable) must now be submitted through the [ePLACE Portal](#). See ePLACE step-by-step instructions on the mass.gov page for this application.

BRP WS 31

Permit Fact Sheet

1. What is the purpose of this permit?

This permit serves to protect the public's health and welfare through the control of any equipment or system that comes into contact with public drinking water. These products and operations must be controlled to prevent contaminants from leaking into the drinking water as well as to ensure that the products and operations work as designed. This permit consists of an approval for water vending machine & ice making vending machine (WVM/IMVM) and Point-Of-Use/Point-Of-Entry (POU/POE) devices that have been previously approved by a third party. Regulatory authority for this permit is stated in 310 CMR 22.04 (8), of the Drinking Water Regulations.

2. Who must apply?

Public water suppliers, or their representatives, and manufacturers or their representatives who want approval of a water vending machine & ice making vending machine or POU/POE devices that comes into contact with the public water supply while the supply is within any water system must apply.

3. What other requirements should be considered when applying for this permit?

If water suppliers or their representatives apply for this permit as part of a facility modification it may also be necessary for them to apply for other MassDEP water treatment permits, e.g., BRP WS 21, 22, 23, 24, 25, 30A, 35A.

Note: These additional requirements are intended to serve as a guide to the applicant. It does not necessarily include all additional requirements.

4. What is the application fee?

The application fee is \$290.

5. Where should the application be sent?

The application must be submitted through ePLACE, located here: <https://eplace.eea.mass.gov/citizenaccess>

Additional visual ePLACE step-by-step instructions to assist in submitting your application are available at: <https://www.mass.gov/how-to/ws-31-new-technology-vending-machines-poupoe-devices>

- Log into the ePLACE Portal at: <https://eplace.eea.mass.gov/citizenaccess> and create an account.
- Once logged in, click on the large blue button on the right, "File an Online Application".
- Read and agree to the disclaimer. Click "Continue".
- To find this application, click on "Apply for DEP Authorization – Drinking Water (DW)", and check on WS 31, and click "Continue Application".
- Follow instructions on each screen and click "Continue Application" to move to the next step. The WS 31 supporting forms are to be attached in the Documents section.
- Note that you can return to an application provided you select "Save and Return Later". Once you apply you can no longer upload documents without approval from MassDEP personnel.
- At the end of the application steps, the ePLACE system will take you directly to a screen where you can pay the fee, if applicable. Complete payment information in ePLACE.
- Once an application has been submitted, you will receive an email that will provide you the record number.
- From the "My Records" button, you will be able to view the status of your application through the review and approval processes.
