Participant Planning Data

Local areas should refer to the CCPR data published on the massworkforce website (<http://www.mass.gov/massworkforce/ccpr/>). The plan versus actual data can be used to mark trends and to identify patterns where low or high plan levels make any plan vs. actual analysis meaningless. Plan reviewers also will make use of these charts with the result that local areas may be requested to resubmit or justify plans based on past patterns.

Performance Goals and Performance Adjustment

For FY2017, local performance goals proposal and negotiation will be handled in a separate issuance, pending acceptance of proposed state WIOA performance goals by the U.S. Department of Labor, Employment and Training Administration.

INSTRUCTIONS FOR COMPLETING PROGRAM SUMMARY CHARTS S & 1-4

The Excel Workbook comprising Program Summary S & Charts 1-4 is a separate attachment. The Excel Workbook *Charts S & 1-4* should not be split up or submitted/resubmitted separately. Each submittal or resubmittal of the workbook is considered to be the current copy of the area's planning summaries. If changes are made after the initial submittal, *Chart S must be updated to indicate which Charts have new data.*

Note that cells shown in bold blue font are password protected because they contain formulas. You cannot enter data in these cells.

Chart S – Submittal History – Required with Initial Submittal and Updates

The first spreadsheet is Chart S, Submittal History. Enter the date (this cell is formatted as m/d/yyyy). Also indicate for each Chart 1-4 if it has been modified by a Y for yes or N for no.

Chart S must be completed each time one or more program summary charts is submitted. Please submit the entire workbook to Lisa Caissie at Lisa.J.Caissie@massmail.state.ma.us.

INSTRUCTIONS FOR PLAN MODIFICATIONS

Reminder: the Excel workbook comprising Program Summary Charts 1-4. *Charts 1-4 should not be split up or submitted/resubmitted separately.* Each submittal or resubmittal of the workbook is considered to be the current copy of the area's planning summaries. *Charts 1-4 are maintained as a group.*

Final FY2016 Carry-Over Data

Local areas are asked to estimate carry-over planning numbers for FY 2016 based on the best information available during the planning season. **Plan modifications based on final budget or carry-over data available in the first quarter of FY2017 should be submitted by email to Lisa Caissie Lisa.J.Caissie@massmail.state.ma.us for approval by close-of-business on Friday, December 16, 2016.**

Resubmitting Charts for Changes, Corrections and Budget Modifications

During the review period and later during the fiscal year, local areas may have cause to update one or more of Charts 1-4. For example, moving funds from Adult to Dislocated Worker may alter planned participant levels. Please follow the guidelines below with respect to submitting changes to Charts 1-4.

1. Enter a modification number and date in the box at the top of each Chart that has a change.
2. If possible, please identify the changed data by some means so that it is apparent to a reviewer. This is not necessary if changes involve most of the data on the form.
3. Complete Chart S (Submittal History) and return the entire workbook with the complete set of Charts 1-4 even if only one chart has been modified. Charts 1-4 are maintained as a group. Thus, the most recent submitted version of the Program Summary workbook replaces the previously version as the current set of fiscal year planning summaries for the area.
4. Plan data provided on Charts 1-4 are used for plan vs. actual comparisons in the *Career Center Performance Reports* (CCPR) and other analyses of program activity.

Modifications will be accepted through the end of the third quarter (March 2017).
