## Introduction

Massachusetts Department of Environmental Protection (MassDEP) *Permit Applications*, as well as *Instructions & Support Materials*, are available for download from the MassDEP Web site at [www.mass.gov/dep](http://www.mass.gov/dep) in two file formats: Microsoft Word™ and Adobe Acrobat PDF™. Either format allows documents to be printed.

*Instructions & Support Materials* files in Microsoft Word™ format contain a series of documents that provide guidance on how to prepare a permit application. Although we recommend that you print out the entire package, you may choose to print specific documents by selecting the appropriate page numbers for printing.

*Permit Applications* in Microsoft Word™ format must be downloaded separately. Users with Microsoft Word™ 97 or later may complete these forms electronically.

Permitting packages in Adobe Acrobat PDF™ format combine *Permit Applications* and *Instructions & Support Materials* in a single document. Adobe Acrobat PDF™ files may only be viewed and printed without alteration. *Permit Applications* in this format may not be completed electronically.

# BRP WS30 A & B Permits to Install Vending Machine or Point-of-Use/Point-of-Entry Treatment Device Permit Fact Sheet

## 1. What is the purpose of this permit?

This permit serves to protect the public's health and welfare through the control of any product or operation that comes into contact with public drinking water. These products and operations must be controlled to prevent contaminants from leaking into the drinking water as well as to ensure that the products and operations work as designed. This permit consists of an approval for the installation of one type of MassDEP approved vending machine or point-of-use (POU) treatment device or point-of-entry (POE) treatment device at 1 to 9 locations on the same distribution system. Legislative authority for this permit is stated in MGL Chapter 111, Section 160A. Regulatory authority for this permit is stated in 310 CMR 22.04 and 310 CMR 22.23 of the Drinking Water Regulations.

## 2. Who must apply?

Public Water Systems (PWS), facility owners, manufacturers or their designated representatives seeking approval for the installation of one type of vending machine or POU/POE treatment device at 1 to 9 locations on the same distribution system. If 10 or more vending machines or POU/POE devices are to be installed on a distribution system, see application BRP WS 35. POE devices that are installed solely to enhance the aesthetic quality of the drinking water, and meet the minimum requirements detailed in 310 CMR 22.23 (6), are not required to apply for this permit.

## 3. What other requirements should be considered when applying for this permit?

In addition to this permit, it may also be necessary to apply for other MassDEP water treatment permits, e.g. BRP WS 09, 21, 22, 23, 24, 25, 28, 29, or 34.

**Note:** These additional requirements are intended to serve as a guide to the applicant. They do not necessarily include all additional requirements.

## 4. What is the application fee?

The fee structure associated with this approval is stated in 310 CMR 4.10(5)(ii).

The application fee for BRP WS30A (for vending machine) is \$290.  
The application fee for BRP WS30B (for POU/POE device) is \$290.

## 5. Where should this application be submitted?

Submit: a) the completed BRP WS Application form; b) the completed original copy of the MassDEP Transmittal Form for Permit Application and Payment; and, c) any required supporting documentation to your regional office\*. At the bottom of the address label please type: Attn: Drinking Water Program.
