BRP WS 33 Distribution Modifications

for systems that serve 3,300 people or less

Instructions and Supporting Materials

Table of Contents

- introduction
- permit fact sheet
- completeness checklist

Introduction

MassDEP *Instructions & Support Materials* are available for download from the MassDEP Web site at www.mass.gov/dep in two file formats: Microsoft Word™ and Adobe Acrobat PDF™. Either format allows documents to be printed.

Instructions & Support Materials provide guidance on how to prepare a permit application.

The supporting documents for these permit applications, and the fee payment (if applicable) must now be submitted through the [ePLACE Portal](#). See ePLACE step-by-step instructions on the mass.gov page for this application.

BRP WS 33 Distribution Modifications

for systems that serve 3,300 people or less

Permit Fact Sheet

1. What is the purpose of this approval?

This approval serves to protect the public's health and welfare by insuring that minimum drinking water requirements are met in the modification of a drinking water distribution systems, such as storage tanks, distribution pump stations, and transmission main installation. Legislative authority is stated in MGL Chapter 111, section 160A. Regulatory authority is stated in 310 CMR 22.04 of the Drinking Water Regulations.

2. Who must apply?

Public water suppliers or their representatives must apply if they want approval for modification of their distribution system.

3. What other requirements should be considered when applying for this approval?

If the water supplier or their representative apply for this approval it may be necessary to apply for other water treatment approvals BRP WS 23 or BRP WS 24.

Note: Approvals of this type may require MEPA review. Please carefully examine 301 CMR 11.00, the MEPA Regulations, to determine if your project exceeds the MEPA review thresholds, or for more information contact the MEPA Unit of the Executive Office of Environmental Affairs (251 Causeway Street, Suite 900, Boston MA 02114 (617) 626-1020). MassDEP cannot begin technical review of the application until the MEPA process has been completed, unless otherwise agreed to in writing. Copies of MEPA filings should be sent to the appropriate program offices in Boston and the MEPA Coordinator in the appropriate Regional Office.

Note: These additional requirements are intended to serve as a guide to the applicant. It does not necessarily include all additional requirements.

4. What is the application fee?

The application fee is \$525.

5. Where should the application be sent?

The application must be submitted through ePLACE, located here: <https://eplace.eea.mass.gov/citizenaccess>

Additional visual ePLACE step-by-step instructions to assist in submitting your application are available at: <https://www.mass.gov/how-to/ws-33-distribution-modifications-for-systems-that-serve-3300-people-or-fewer>

- Log into the ePLACE Portal at: <https://eplace.eea.mass.gov/citizenaccess> and create an account.
- Once logged in, click on the large blue button on the right, "File an Online Application".
- Read and agree to the disclaimer. Click "Continue".
- To find this application, click on "Apply for DEP Authorization – Drinking Water (DW)", and check on WS 33, and click "Continue Application".
- Follow instructions on each screen and click "Continue Application" to move to the next step. The WS 33 supporting forms are to be attached in the Documents section. **Any documents being submitted that do not fit in with one of the dropdown categories, should be submitted under "other"**.
- Note that you can return to an application provided you select "Save and Return Later". Once you submit an application you can no longer upload documents without approval from MassDEP personnel.

for systems that serve 3,300 people or less

Permit Fact Sheet

- At the end of the application steps, the ePLACE system will take you directly to a screen where you can pay the fee, if applicable. Complete payment information in ePLACE.
- Once an application has been submitted, you will receive an email that will provide you the record number.
- From the “My Records” button, you will be able to view the status of your application through the review and approval processes.

Important Contacts

- For technical assistance regarding online filing, contact the ePLACE Help Desk Team at 844-733-7522 or ePLACE_helpdesk@mass.gov.
- To see a copy of your application after submittal, also see: <https://eeaonline.eea.state.ma.us/EEA/PublicApp>.

6. Where can I get a copy of the timelines?

The timelines are available on the MassDEP Website:

<http://www.mass.gov/eea/agencies/massdep/service/approvals/timely-action-fees-and-payments.html>

7. What is the annual compliance fee?

There is no annual compliance assurance fee for this permit.

8. How long is this permit in effect?

This approval is in effect as long as the application continues to meet minimum drinking water standards and conforms to current Division of Water Supply guidelines and policies, described in Guidelines and Policies for Public Water Supply Systems, and available at the State Bookstore.

9. How can I avoid the most common mistakes made in applying for this permit?

- a. Be sure all items on the Application Completeness Checklist are completed and included in submitted application in ePLACE.
- b. Submit the documents required for this application and pay fee (if applicable) through ePLACE, <https://eplace.eea.mass.gov/citizenaccess>.

10. What are the regulations that apply to this approval? Where can I get copies?

These regulations include, but are not limited to:

- a. Drinking Water Regulations, 310 CMR 22.00.
- b. Timely Action and Fee Provisions, 310 CMR 4.00.

These may be purchased at:

State House Bookstore
Room 116
Boston, MA 02133
