Scope of Use

Looker may be used as a business intelligence data platform by Executive Office of Technology Services and Security for Internal Business Purposes, pursuant to the Deployment Attributes and license restrictions defined on this Order Form. Use of Looker for any other purpose (including affiliated company datasets or purposes) will require a separate Order Form.

Customer's Looker Hosted Deployment is deployed on the Google Cloud Platform ("GCP") and the executable file of the core software application known as "Looker" will be run on GCP. However other related services including certain third party services, operational services

and optional features may be deployed on other non-GCP hosting platforms.

Looker Platform and User Definitions can be found at: <https://looker.com/trust-center/legal/customers/licensing>.

Quote is subject to the following terms and conditions:
