Dear Secretary/Commissioner/Director,

I am writing regarding Governor Baker's Executive Order 562 directing "...each secretariat, agency, department, board, commission, authority or other body within the Executive Department (hereinafter "Agency"),..., to promptly undertake a review of each and every regulation currently published in the Code of Massachusetts Regulations under its jurisdiction."

As Business Manager of I.U.O.E. Local 98 representing individuals directly impacted by the regulations under your jurisdiction, I am requesting notice of agency rulemaking for all agencies that fall under the auspices of your office pursuant to the state's Administrative Procedure Law, G.L. c. 30A, §§ 2 and 3. I am also requesting notice of any listening sessions, hearings, board meetings or other proceedings reviewing regulations under consideration for review pursuant to Executive Order 562.

I am also requesting that you include the Massachusetts Building Trades Council in such notifications.

I look forward to working with you and your staff in this effort.

Sincerely,

Eugene P. Melville, Jr.
President/Business Manager
