

Intoximeters

Massachusetts Law Enforcement

All Intoximeters instruments are made in the U.S.A.

The **Alco-Sensor FST** is the most widely deployed Preliminary Breath Tester (PBT) in use by Law Enforcement in North America today.

With over 200,000 units in use by the majority of US State Police/Highway Patrols, thousands of local agencies, the US Coast Guard, and the Royal Canadian Mounted Police, the **Alco-Sensor FST** is the most trusted PBT on the market.
