Eligible Entities

Please see the standard list of Eligible Entities on our [Eligible Entities Which May Use Statewide Contracts](#) webpage.

Subcontractors

The awarded vendor's use of subcontractors is subject to the provisions of the Commonwealth's Terms and Conditions and Standard Contract Form, as well as other applicable terms of this Statewide Contract. Orders. Invoicing and payments for all transactions must reference Statewide Contract ITC80 and must be between the Customer and the ITC80 Vendor, not the Authorized Dealer.

Supplier Diversity Requirements

When selecting vendor(s) without soliciting quotes or a statement of work, Executive Departments should follow below guidance:

When selecting contractors and placing orders, Executive departments shall utilize diverse and small businesses to the extent possible based on contract terms, SDO and departmental policies, laws, and regulations. Additionally, departments shall make a preference for contractors with higher SDP commitments and/or performance whenever such information is available (or is requested from contractors by the department) and the preference is feasible.

OSD provides up-to-date information on the availability of diverse and small businesses on statewide contracts through the [Statewide Contract Index](#) available on the COMMBUYS home page. See the "Programs (SDO and SBPP)" tab for current certification and small business status of contractors on this contract.

When selecting vendor(s) from multiple quotes and statement of work, Executive Departments should follow below guidance:

Requirements of the Small Business Purchasing Program for Small Procurements (expected annual value of \$250,000 or less) or the Supplier Diversity Program for Large Procurements (expected annual value exceeding \$250,000) apply to Executive Departments soliciting quotes or issuing statements of work.

Small Business Award Preference: In accordance with the Supplier Diversity Office's SBPP Policy, Departments must award contracts for Small Procurements to SBPP-participating small business bidders if both of the following conditions are met:

- The response is received from an eligible small business; AND
- The response meets the Department's best value criteria as defined in the RFR or RFQ.

SDP Commitment: Businesses awarded large Commonwealth contracts for goods and services (also called prime contractors or prime vendors) are required to make measurable financial commitments to do business with one or more diverse businesses (often called SDP Partners). This business-to-business relationship requirement applies to all Large Procurements for goods and services, which were historically defined as those expected to exceed \$150,000 in total spending. Effective July 1, 2021, Large Procurements will be defined as those expected to exceed \$250,000 in annual spending.

Executive departments should take into consideration contracted vendors SDP commitments when evaluating responses. Specifically, the following fields of the new SDP Plan Form correspond to the goals stated above:

Type of information collected from bidders	Possible use of the information by the SST
SDP focus statement

Pricing, Quote and Purchase Options

Purchase Options

The purchase options identified below are the only acceptable options that may be used on this contract:

- Purchases made through this contract will include direct outright purchases, leasing, short-term rental (6 months or less), and cost per copy.

Pricing Options

- **Ceiling/Not-to-Exceed:** Contract discounts and other pricing published under the contract represents "ceiling" or "not-to-exceed" pricing and may be further negotiated.
- **Discount off of Manufacturers Suggested Retail Price (MSRP):** Contract pricing is a specified discount off of the MSRP catalog price. Buyers should ask about volume discounts and special promotions such as discounted or free maintenance plans, etc.

Setting Up a COMMBUYS Account

COMMBUYS is the Commonwealth's electronic Market Center supporting online commerce between government purchasers and businesses. If you do not have one already, contact the COMMBUYS Help Desk to set up a COMMBUYS buyer account for your organization: (888)-627-8283 or OSDhelpdesk@mass.gov.

When contacting a vendor on statewide contract, always reference ITC80 to receive contract pricing.

Quick Search in COMMBUYS

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

How To Purchase From The Contract

- **Select items from a PunchOut catalog and purchase through COMMBUYS**

PunchOut catalogs offer the convenience of selecting Statewide Contract products from a vendor's e-commerce website. The PunchOut or Government to Business (G2B) catalogs are available via COMMBUYS only (login to COMMBUYS and select the settings option in the upper right-hand corner ] and choose the G2B PunchOut option). G2B PunchOut can now also be accessed directly on COMMBUYS Landing Page when signed in. Click on

icon on left hand side of page. Select a vendor on the dropdown in COMMBUYS, you are then taken to the vendor's e-commerce site. After shopping is complete on the vendor's e-commerce site, selected items are pulled back into COMMBUYS, summarized on a COMMBUYS release Requisition, and are ready to submit for approval. Once approved, it is released to the vendor for processing and fulfillment.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage and select either:

After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes. Buyers must include "ITC80 RFQ" when entering information in the Description field.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage, and select:

- The *COMMBUYS Purchase Orders* section, and choose the *How to Create a Solicitation Enabled Bid Using a Release Requisition* job aid or one of the quick reference guides.
