Statement of Interest	<p>I have been interested and active for over six years for a call by the Commonwealth of Massachusetts to amend the Constitution of the United States of America. I believe the States have power they must exercise and this is a tool to do so.</p> <p>I am not a fan of Ballot questions, but the legislative body for the past six years has been hesitant to use the calls of their constituents to exercise the will of their constituents. I am interested in moving the popular will of the constituents voting in favor of this ballot question, and thus interested in amending the Constitution of the United States by exercising their constitutional right to have the government of their choice.</p> <p>Campaign finance is one area where the field of leaders is lopsidedly cut before great leaders are allowed to be heard.</p> <p>I have no good qualifications in the area of committees except:</p> <ol style="list-style-type: none">1. I can read and I do.2. I use definitions found in Websters, Merriam and Oxford dictionaries.3. I don't jump to conclusions not supported by logical argument and verifiable fact.4. The only dog in this fight I have is the strength of Massachusetts and the restoration of democracy from oligarchy. <p>I have been interested and active for over six years for a call by the Commonwealth of Massachusetts to amend the Constitution of the United States of America. I believe the States have power they must exercise and this is a tool to do so.</p>
