

What's Your Vision?

Our vision is a world where individuals who are blind or visually impaired are empowered with opportunities to work and thrive.

UPCOMING EVENTS

See what's happening this winter and save the date for our 2021 Town Halls.

STAFF SPOTLIGHT

Meet a counselor who helps students transition from school to career success.

New INDEPENDENT LIVING HOUR

Join the MCB Vision Rehabilitation Team for virtual instruction each Tuesday at 3 pm ET to discuss tips, techniques, and resources.

COMMUNITY INSPIRATION

Look for ways to give back after reading Terri O'Brien's story.

GET OUTDOORS

Explore a trail for everyone in Norwell thanks to Andrew Hoadley.

WELCOME

We're here to serve you through your best year yet.

2020 was challenging. However, our community adapted and demonstrated resilience together. MCB continued to provide important programs and services for the individuals we serve who are blind, visually impaired, and Deaf-Blind in new ways. Our mission at MCB remained steady, and our progress despite the pandemic has been terrific. From social rehabilitation services to our vocational rehabilitation programs, we remain focused on our goals of increasing independence and self-determination. [Listen to Commissioner D'Arcangelo's message.](#)

Join the MCB Orientation & Mobility Team for "O&M Live" or watch the recording on our [MCB YouTube Channel](#).

Want to navigate safely in winter weather? Get the mobility skills you need before venturing out.

Ready to go to college? Make mobility a part of your prep plan.

Want a canine companion versus a long cane? Ensure you are a mobility match for a Guide Dog.
