Re: *Voluntary Surrender Statement* dated September 19, 2011 - Complaint No. PHA-2011-0244

Dear Mr. LaMonica:

The Board of Registration in Pharmacy (Board) is in receipt of the *Voluntary Surrender Statement* you executed dated September 19, 2011 (Surrender Statement) and your Massachusetts Pharmacy Technician Registration No. PT 3780 (exp. 07/22/2013) which you have surrendered to the Board in resolution of Complaint Docket No. PHA-2011-0244 (Complaint).

Please be advised that the Board has accepted the Surrender Statement and the surrender of your pharmacy technician registration on the terms and conditions stated in the Surrender Statement and in accordance with Board regulation 247 CMR 10.06(6); which terms include your understanding and agreement that the Surrender Statement is voluntarily tendered; that registration surrender is considered to be a reportable disciplinary action depriving you of all privileges of registration; that the Surrender Statement is a public document subject to disclosure by the Board; that registration surrender is not subject to reconsideration or judicial review; and that the Board will not review any application for licensure as a pharmacy technician in the future.

If you do **not** agree to the above terms by which the Board will accept the Surrender Statement in resolution of the Complaint, you must so notify the Board in writing at the address above by November 18, 2011. The Board will close the Complaint as a "Voluntary Surrender" on that date.

Very truly yours,

Stanley B. Walczyk, R.Ph., President
