Citizenship Affirmation	I am a U.S. Citizen
Residency Affirmation	I am a resident of the Commonwealth of Massachusetts
Statement of Intent	I intend to comply with and advance the policy established by this Act.
Statement of Interest	<p>From the start of this country, Massachusetts has been at the forefront of the pursuit of civil liberties and noble causes. As a native, I would consider it to be my civic duty to fulfill the will of the people as established by Question 2 and petition the federal government to overturn the Citizen's United decision which plagues our political landscape today. I graduate from Massasoit in 2018 with my Associates and am currently pursuing a dual Bachelor's in Biology and Anthropology. I have a working knowledge of both Spanish and German, and a deep love for my home state. I feel that my status as a student and neighborhood connections would allow me to represent a good portion of the electorate in Massachusetts, a job that I would carry out diligently and with great pride. Professionally I have worked as a cook, animal technician, and lifeguard although I am currently on hiatus and focusing on school at UMass Boston. I have always had a sense of civic duty, which led to volunteer work organizing troop charities in both collection and distribution as well as youth work. If selected to serve the state it would be the highest honor, and one which I would not take lightly. Cheers!</p> <p>-John Wachtel</p>
