The Massachusetts Department of Correction (DOC) frequently offers voluntary, mobile COVID-19 testing to staff. Testing locations vary to allow staff working in all regions, a convenient test location.³ This report includes a culmination of data collected from the mobile testing sites when available.

For staff testing at mobile testing sites, there were zero new confirmed positive COVID-19 test results self-reported by staff as of July 12, 2022.

¹ Massachusetts city/town and county are based on the city/town and county of the Massachusetts Department of Correction facility where the staff member works on the report date.

² Staff counts of one (1) to four (4) are reported as 'Less than 5'; five (5) and over are reported as the actual count.

³ Staff counts are based on Massachusetts Department of Correction Mobile testing site location/ date of test and results self-reported by Massachusetts Department of Correction staff.
