The Massachusetts Department of Correction (DOC) frequently offers voluntary, mobile COVID-19 testing to staff. Testing locations vary to allow staff working in all regions, a convenient test location.<sup>3</sup> This report is based on a culmination of data collected from the mobile testing sites and information self-reported by staff<sup>4</sup> as of July 26, 2022.

For staff testing at mobile testing sites, there were zero new confirmed positive COVID-19 test results self-reported by staff as of July 26, 2022.

<sup>1</sup> Massachusetts city/town and county are based on the city/town and county of the Massachusetts Department of Correction facility where the staff member works on the report date.

<sup>2</sup> Staff counts of one (1) to four (4) are reported as 'Less than 5'; five (5) and over are reported as the actual count.

<sup>3</sup> Staff counts are based on Massachusetts Department of Correction Mobile testing site location/ date of test and results self-reported by Massachusetts Department of Correction staff.

<sup>4</sup> There may be duplicate case counts due to staff self-reporting results from mobile testing and private physician/testing sites.
