**NEWTON/WESTON** – The Massachusetts Department of Transportation (MassDOT) is announcing upcoming closures of the ramp from I-95 (Route 128) northbound to Route 30 in Newton and Weston. This ramp will be closed on Wednesday, June 18, from 11:00 p.m. to 4:00 a.m. the following morning.

Drivers seeking to access exit 39A/Route 30 will be redirected to I-95 northbound exit 41, and will follow I-95 southbound to exit 39.

This closure is necessary for crews to safely conduct construction operations related to the Newton/Weston bridge rehabilitation project at I-90/I-95 interchange.

Drivers traveling through the affected areas should expect delays, reduce speed, and use caution.

Appropriate signage, law enforcement details, and advanced message boards will be in place to guide drivers through the work area.
