Hello everyone,

Based on submitted comments since yesterday, we've made a few minor edits to the minutes of June 22 and the outline for initial assessment. In sum, changes to the meeting minutes included a more accurate description of Council member designees and some clarifications in the discussion section of Undersecretary D'Emilia's responses (see Sec. 7.7.2).

I'm attaching these and all other meeting materials again for your convenience. We will all be joining via the same Zoom link tomorrow from 1–3:30 p.m.: <https://zoom.us/j/92819267614>. Presenters and Council members will be promoted to panelist; once you've joined the call, raise your virtual hand so Dan Gatti can easily locate and promote you.

Thank you for your participation in this process!

Jen
