

Lampson Brook Farm Board of Directors
Minutes: March 27, 2023

Board Attendance: David Haines, Jonathan Spiegel, Tammy Ryan, Gerard Kennedy, Bob O'Connor

Introductions: Each person introduced themselves. The Board discussed the minutes from the February 7th meeting and voted unanimously to approve.

The Board has not received any comments from DCAMM on the LBF Management Plan sent in October, 2022. A board member noted that the access road should be slightly extended to lot 9-51D (compost site) on the survey plan. A question was asked if this lot is in the Forest parcel.

There was an update from Doug Albertson of the Town of Belchertown on the pending Zoning Bylaw for a portion of the Farm. Doug noted that there will be a public hearing on April 11th, and he will send information to the Board on the meeting.

There was a conversation about whether DCAMM would extend the current NESFI lease when it ends this fall. There was a discussion about whether the Board should send a letter to DCAMM asking for the best path forward for the LBF and the Board voted to send this letter with a vote of 3 in favor and 1 abstained.

The Board then voted unanimously to adjourn.
