

**Department of Conservation and Recreation  
Commonwealth of Massachusetts**

**Landry Park Improvements  
Pre-Construction Meeting**

**Thursday, October 16th @ 6pm – 7:30pm**  
**Register for the meeting via the [Zoom Registration Link](#).**

At this virtual public meeting, the project team will present the Landry Park Improvements project construction details and impacts. The area that is now Landry Park is located within the Boston Manufacturing Company Historic District (MHC #WLT.AO), along the edge of Charles River and within former mill building foundations that were demolished and filled in the 1970s. The site was redeveloped in 1980's to rehabilitate the Mill building, which now houses 288 subsidized apartments and Landry Park. DCR's plan for the Landry Park Area is to protect and restore the ecologically sensitive landscape of the Charles riverbank while also highlighting and interpreting the great cultural significance of the park, historic spillway, and mill buildings by providing clear, welcoming, and universally accessible pedestrian routes and connections to the Charles River Greenway, Paul Dudley Bike Path, and the Museum of Industry as well as providing enhanced opportunities for passive recreation..

The public will be invited to provide comments during the meeting, after the presentation, by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing on DCR's [Past events for DCR Public Meetings Information](#) web page. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of October 30<sup>th</sup>, 2025. Comments may be submitted via the [DCR public comment portal](#). Please note that the content of comments you submit to DCR, along with your name, town, and zip code, may be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email [Mass.Parks@mass.gov](mailto:Mass.Parks@mass.gov) or call 617-626-4973.

Online live language interpretation is available upon request and with advanced notice to [mass.parks@mass.gov](mailto:mass.parks@mass.gov) or 617-872-3270. Please specify which language is being requested. Reasonable accommodations for people with disabilities are available upon request and with advanced notice to Melixza G. Esenyie, ADA and Diversity Manager at the Executive Office of Energy and Environmental Affairs, at [Melixza.Esenyie2@mass.gov](mailto:Melixza.Esenyie2@mass.gov). Include a description of the accommodation that will be needed and please include as much detail as possible. Please also include a way you can be contacted if more information is needed. Last minute requests will be accepted, but it may not be possible to fulfill the request.
