**LARGE CAPACITY WEAPONS ROSTER 02-2015**

**This Roster Supersedes All Previous Rosters**

This roster has been compiled in accordance with M.G.L. c.140, §131¾. It contains weapons determined to have been originally manufactured for the civilian retail consumer market as large capacity weapons as defined by M.G.L. c. 140, § 121. Weapons not listed on this roster may also be large capacity weapons if they are semi-automatic and are capable of accepting or readily modifiable to accept a large capacity feeding device. Definitions of ‘capable of accepting’ and ‘readily modifiable to accept’ are defined in 501 CMR 7.02.

NOTE: Unless otherwise exempted by M.G.L. c. 140, §121, the term ‘large capacity weapon’ shall apply to all semiautomatic weapons equipped with a large capacity feeding device, including any such weapons not listed on this roster.”
