Re: Renewal Cable Television License in the City of Lawrence, Massachusetts

Dear Mr. Kelly:

This letter addresses the status of the Extension of the existing Cable Television License (the "License Extension") between Comcast Cable Communications Management, LLC ("Comcast") and the City of Lawrence (the "City").

As you are aware, the existing Cable Television License (the "License") expires on November 6, 2017. The parties agree to a 12 month extension to further negotiate the terms and conditions for a Renewal License. While the City and Comcast have been meeting regularly and negotiating in good faith, both parties believe that it is necessary to extend the period of negotiations in hopes of reaching a mutually agreed upon renewal license.

Therefore by way of signature of the parties below:

- Comcast and the City of Lawrence are prepared to continue to negotiate in good faith with the goal of reaching agreement on a Renewal License by November 6, 2018.
- The parties agree to a 12 month extension of the existing License to further negotiate the terms and conditions for a Renewal License.
- During the extension period, Comcast and the City will continue to abide by the terms of the existing License, with these modifications, which are necessary to capture the original intent of the parties:

Oct. 26, 2017 (TR)  
~~August 15, 2017~~  
Page 2

- The payment obligations of Licensee made pursuant to Section 6.4 (a) and (b) are renewed and/extended so that final payments shall be made by February 15, 2019 for the period of October 1, 2018 through November 6, 2018.
- The signature of the City of Lawrence below reflects that it shall consider the existing License in full force and effect for those 12 months, which all parties agree shall end at 11:59 p.m. on November 6, 2018.
- Because this is an extension of the existing License and not a renewal, Comcast and the City reserve all rights under both the informal and formal process of Federal Law, and acknowledge that both the City and Comcast have preserved and retain all rights afforded to each party under Section 626 of the Cable Act, 47 U.S.C. § 546.

Thank you for your attention to this matter.

Yours Truly,

Daniel Rivera, Mayor  
Lawrence City Hall  
200 Common Street  
Lawrence, MA 01810
