Polish American Citizens Club, Inc. (the "Licensee") holds an all alcohol license issued pursuant to M.G.L. c. 138, §12. The Alcoholic Beverages Control Commission (the "Commission") held a hearing on Tuesday, June 14, 2011, regarding an alleged violation of 204 CMR 2.05 (1) (1 count) and 204 CMR 2.05 (2) (1 count). Prior to the commencement of the hearing, the licensee stipulated to the violation alleged in Investigator Brad Doyle's report.

The following documents are in evidence:

1. Licensee's Stipulation of Facts;
2. Investigator Brad Doyle's Report dated March 23, 2011; and
3. Payoff Slip Used by the Club.

There is one (1) tape of this hearing.

**FACTS**

4. The bartender told the investigators that the Club President was the only person that handled the machines.
5. The Club President arrived and told the investigators the bartender on duty would record the credits won after being notified by an individual.
6. The bartender would reset the machine through a "knock off" button so the credits won would change to zero (0).
7. The Club President stated he was the only person authorized to give cash to individuals for credits won.
8. The President said the club owned the machines.

9. The investigators inspected the machines and determined they had all the characteristics of gambling devices.
10. Administrative review of the file indicates a similar violation by the local board in 1988.

### CONCLUSION

Based on the evidence, the Commission finds the licensee violated 204 CMR 2.05 (1) (1 count) and 204 CMR 2.05 (2) (1 count). Therefore, the Commission **suspends the licensee's license for a period of five (5) days of which five (5) days will be held in abeyance for a period of two (2) years provided no further violations of Chapter 138 or Commission regulations occur. In addition, the licensee must not possess in or on the licensed premises any automatic amusement device or video poker machine.**
