November 3, 2011

Mr. Joseph Connarton, Executive Director PERAC 5 Middlesex Avenue Suite 304 Somerville, MA 02145 David Pickering, Board Administrator Chelsea Retirement Board Chelsea City Hall Room 214 Chelsea, MA 02150

Dear Messrs Connarton and Pickering:

Pursuant to 945 CMR 1:09(3)(c), this Office is providing you with information received by my Office for your review. The matter contains no audit or investigation findings but the subject of the information may be appropriate for administrative action by your respective agencies.

Specifically, it has come to our attention that you have or will be receiving an application for retirement benefits from Michael McLaughlin, Executive Director of the Chelsea Housing Authority. In cooperation with the Department of Housing and Community Development (DHCD), the OIG is reviewing matters regarding the compensation paid to Mr. McLaughlin. In the course of our review to date, we are bringing two elements of this matter to you for further review and investigation. If you conclude as we preliminarily have that a reported compensation level amounting to \$360,383 is not supportable under the operative law and regulations of housing authorities, then the basis of Mr. McLaughlin's pension benefit must be effectively reduced from \$360,383 to a substantially lesser amount.

The first area of inquiry pertains to the fact that Mr. McLaughlin's salary is funded in part by DHCD. As such, in accordance with 760 CMR 4:05 (1) and (1)(d), DHCD must approve the actual employment agreement.

Language in the above regulation states in pertinent part:

If the LHA [Local Housing Authority] and the executive director shall have negotiated an employment agreement to be funded in whole or in part by the Department [DHCD], the Department shall have approved the agreement.

The employment agreement must be established in accordance with DHCD's Guidelines for employment contracts. There is no authority in this Guidance that would support a salary amount of \$360,383. Nor is there information to date in the records that we have reviewed indicating that DHCD approved an employment agreement for Mr. McLaughlin totaling \$360,383. As such, the Chelsea Housing Authority is out of compliance with these provisions and the amount of \$360,383 cannot support a basis for Mr. McLaughlin's pension calculation.

The second area of inquiry pertains to a requirement that DHCD approve administrative salaries as part of its required budget approval process. Housing authorities are required to submit budgets certified by the Board of Commissioners for approval by DHCD. Relevant DHCD Policy Guidelines state as follows:

... The salaries shown [in the budget document] must be the total compensation received by the employee for the performance of his/her duties from all sources..."

The most recent example of Chelsea's budget request is attached to this document. As you can see, it includes a composite amount totaling \$160,415 for Mr. McLaughlin's salary. As such, compensation of \$360,383 exceeds the budget amount that DHCD approved.

These two points indicate that the Chelsea Housing Authority was compensating Mr. McLaughlin in the amount of \$360,383 in violation of DHCD policy and regulation. Our preliminary review suggests that the compensation agreement was executed in violation of DHCD's guidelines and did not receive DHCD's requisite approvals.

Therefore, we request your vigilance to ensure that the basis for calculation of Mr. McLaughlin's pension benefits does not include compensation paid in excess of legally authorized amounts.

Thank you for your attention to this important matter. We are glad to assist you in any way that you may deem appropriate.

Sincerely,

Gregory W. Sullivan

Gregory W. Sullivan Inspector General
