

Ms. Lara Szent-Gyroggyi, Director
Determination of Need Program
Department of Public Health
250 Washington Street, 6th Floor
Boston, MA 02108

Dear Director Szent-Gyroggyi:

I write to register the undersigned as a Ten Taxpayer Group (TTG) and Party of Record to the Mass General Brigham (MGB) Determination of Need Application 20121612-HE filed on February 12, 2021. These taxpayers are acting on behalf of themselves, citizens of the Commonwealth of Massachusetts.

The TTG respectfully requests that public hearings be held on these Applications. Additionally, we urge the Department of Public Health to require an independent cost analysis (ICA) pursuant to 105 CMR 100.405(D) and M.G.L. c. 111, § 25C(h) for each of these Applications to provide additional information as to whether these Proposed Projects are consistent with the Commonwealth's cost containment goals. In order for the ICA to be truly independent and unbiased, we recommend that the Health Policy Commission (HPC) should conduct the analysis at the Applicant's expense, or at a minimum, the Department should work closely with HPC staff to select an independent third party, establish the scope of the ICA, and review the ICA prior to the Department's acceptance thereof.

The Taxpayer designated to be the TTG's recipient of all communication concerning the Application is Jane Leung. All materials can be sent to jleung@bostonasianyes.org or [REDACTED]

Thank you in advance for your attention to this matter.

Sincerely,

Jane Leung
