the right to own, operate and maintain a Cable System in, under, over and along the Public Rights-of-Way within the Town and subsequent additions thereto, in order to provide Cable Service. This Renewal License grants no authority for the Licensee to use the Public Rights-of-Way within the Town for any other purpose(s) unless otherwise provided herein. The Licensee's FTTP Network is subject to M.G.L. c. 166 and as such is subject to regulation by the Town consistent with that law. The Licensee shall adhere to all applicable local bylaws and lawful regulations of the Town regarding Public Rights-of-Way and public works matters, including rights-of-way management requirements with regard to public safety, aesthetics, pole attachments and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such local bylaws, regulations and requirements, or the right of the Issuing Authority to oppose any such challenge. Consistent with and subject to the Licensee's existing authority to operate in the Public Rights-of-Way, grant of this Renewal License does not establish priority for use over other present or future permit holders or the Town's own use of Public Rights-of-Way. Any disputes between the Licensee and other parties regarding use of the Public Rights-of-Way shall be resolved in accordance with applicable law and regulations.

2.2. *Issuing Authority Does Not Regulate Telecommunications:* The parties recognize that the FTTP Network is constructed, operated, and maintained as an upgrade to and/or an extension of the Licensee's existing Telecommunications Facilities under Title II and M.G.L. c. 166. In accordance with applicable law(s), the Issuing Authority's regulatory authority under Title VI does not extend to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is and/or was constructed, installed, maintained or operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services. The Town does not and will not assert jurisdiction over the Licensee's FTTP Network in contravention of applicable federal or State law(s). The Cable System shall be limited to the optical spectrum wavelength(s), bandwidth or future technological capacity that is used for the transmission of Cable Services to Subscribers within the Town and shall not include the Telecommunications Facilities of the Licensee. Nothing in this Renewal License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for Town authorization or permitting are not inconsistent with federal and State law.

2.3. *Term:* The term of this Renewal License shall be for a period of five (5) years, commencing on October 30, 2021 (the "Effective Date"), and shall expire at midnight on October 29, 2026, unless the Renewal License is earlier terminated by Licensee pursuant to the terms of Sections 2.4 or 2.5 of this Renewal License or revoked by the Issuing Authority as provided herein.

- (i) Upon Licensee's written notice to the Issuing Authority, Licensee and the Issuing Authority shall, within thirty (30) days of the Issuing Authority's receipt of such notice from the Licensee, commence good faith negotiations to discuss whether such additional written franchise, agreement, or license, or other written and lawful authorization is on terms more favorable or less burdensome, taken on the whole, than the terms in this Renewal License. If, after such discussions, the Licensee continues to believe that such additional written franchise, agreement, or license, or other written and lawful authorization is on terms more favorable or less burdensome, taken on the whole, than the terms in this Renewal License, the Issuing Authority and the Licensee shall commence good faith negotiations to lawfully amend this Renewal License to ensure that this Renewal License is not on terms less favorable or more burdensome, taken on the whole, than the terms in any such written franchise, agreement, license or other written authorization granted to a VSP.
- (ii) In no case shall such modification herein be applicable to a VSP and/or other entity using crossing, and/or occupying the Public Rights-of-Way over which the Issuing Authority has no lawful authority to regulate or otherwise control.
- (iii) If, after such good faith negotiations, the Issuing Authority and Licensee cannot reach agreement on possible amendment(s) to this Renewal License based on the criteria above, then, either party may submit this matter to an independent mediation firm.

2.6. *Grant Not Exclusive:* This Renewal License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Renewal License. The issuance of additional cable license(s) shall be subject to applicable federal laws, M.G.L. Chapter 166A and applicable regulations promulgated thereunder.

2.7. *Renewal License Subject to Applicable Federal and State Law:* This Renewal License is subject to and shall be governed by all applicable provisions of federal and State law(s) and regulations as they may be amended, including but not limited to Title VI and M.G.L. Chapter 166A.

2.8. *Compliance with Federal and State Privacy Laws:* Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof,

Licensee shall not be subject to any local laws or by-laws which conflict with such applicable federal and/or State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

2.9. *No Waiver:*

2.9.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this Renewal License, M.G.L. Chapter 166A or any other applicable law shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse the Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing.

2.9.2. The failure of the Licensee on one or more occasions to exercise a right under this Renewal License or applicable law, or to require performance under this Renewal License, shall not be deemed to constitute a waiver of such right or of performance of this Renewal License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing.

2.10. *Construction of Renewal License:* The provisions of this Renewal License shall be liberally construed to effectuate their objectives. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.11. *Police Powers:* Nothing in this Renewal License shall be construed to prohibit the reasonable, necessary and lawful exercise of the Town's police powers, provided that the Town shall not exercise its police powers in a manner that would result in a material alteration of the terms and conditions of this Renewal License. Any such police powers exercised by the Town in contravention of the preceding sentence shall be of no effect with respect to this Renewal License.

2.12. *Transfer of the Renewal License:*

2.12.1. Subject to Section 617 of the Communications Act, M.G.L. Chapter 166A and Section 2.12.2 below, the Licensee shall not transfer this Renewal License without the prior written consent of the Issuing Authority, provided that such consent shall not be arbitrarily or unreasonably withheld, delayed or conditioned. Such consent shall be given only after a public hearing upon a written application therefore on forms prescribed by the Cable Division and/or the FCC. Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and one (1) copy of the application on FCC Form 394 requesting such transfer request. The Issuing Authority shall have one hundred twenty (120) days, or such other time frame that may be established by applicable law, from the filing of the completed Form 394 to take final action on it. If the Issuing Authority has not taken final action within such 120 day period, then the application shall be deemed approved, unless said 120 day period is extended by the written mutual consent of the parties.

2.12.2. The Licensee shall not be required to obtain the Issuing Authority's consent to transfer this Renewal License in connection with any transaction that does

not constitute a transfer of control under applicable State laws and regulations, including, without limitation, the following: (i) (A) a transfer of an ownership or other interest in the Licensee to the parent of the Licensee or to another Affiliate of the Licensee; (B) a transfer or assignment of this Renewal License or control thereof to the parent of the Licensee or to another Affiliate of the Licensee; (C) any action which is the result of a merger of the parent of the Licensee; or (D) any action which is the result of a merger of another Affiliate of the Licensee; or (ii) in connection with a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this Renewal License or the Cable System in order to secure indebtedness; provided, however, that to the extent that any of the foregoing transactions are determined to constitute a transfer of control pursuant to 207 CMR 4.01, then such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.00, et. seq.).

2.12.3. Pursuant to 207 CMR 4.04, as may be amended, and applicable federal law, in considering a request to transfer control of this Renewal License, the Issuing Authority may consider only the transferee's management experience, technical expertise, financial capability and legal ability to operate the Cable System under this Renewal License, and any other criteria allowable under applicable law and/or regulation.

2.12.4. The consent or approval of the Issuing Authority to a transfer of this Renewal License shall not constitute a waiver or release of the rights of the Town under this Renewal License.

5.1.2. In addition to the three (3) SD PEG Access Channels referenced above, the Licensee shall make one (1) HD PEG Access Channel available to the Town and/or the Access Corporation within two hundred seventy (270) days of the Effective Date of this License. The programming on such HD PEG Access Channel shall be distinct programming. The Issuing Authority or the Access Corporation may subsequently change the programming on the HD PEG Access Channel from distinct programming to an HD simulcast of an existing SD PEG Access Channel, upon one hundred (180) days prior written notice from the Issuing Authority to the Licensee, which change shall not occur more than once during the Renewal License term. Only to the extent permitted by law, the Licensee shall be allowed to recover from Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.3. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution of 720p. Licensee reserves the right to reassign channel number and location for any or all of the PEG Access Channels at any time during the term of this Renewal License. 5.1.4. The Licensee may carry PEG Access Programming within and outside the Town's jurisdictional boundaries, provided that PEG Access Programming from outside the Town which is carried in the Town shall not be cablecast on the PEG Access Channels made available to the Issuing Authority and/or the Access Corporation. If a PEG Access Channel provided under this Article is not being utilized by the Town and/or the Access Corporation, the Licensee may utilize such PEG Access Channel by providing at least sixty (60) days advance written notice to the Issuing Authority. In the event that the Town and/or the Access Corporation determine to use such PEG Access capacity for PEG Access purposes, the Issuing Authority shall have the right to utilize such PEG Access Channel by providing at least sixty (60) days advance written notice to the Licensee.

5.2. *PEG Interconnection:*

The demarcation point between the Licensee's signal processing equipment (which the Licensee shall own, install and maintain) and the Town's PEG and/or Access Corporation's PEG Access equipment shall be at the output of the Town's signal processing equipment at the PEG Access Studio. The Town and/or the Access Corporation shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG Access Programming up to the demarcation point. The Town and/or the Access Corporation shall be solely responsible for ensuring all PEG Access Programming is inserted on the appropriate upstream PEG Access Channel. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues.

5.2.2. The Licensee may charge the Issuing Authority for costs associated with any of the following:

5.3.1. *PEG Access Capital Funding and Payments:*

5.3.1.1. The Licensee shall provide funding to the Issuing Authority for PEG access capital costs (the "PEG Access Capital Funding") of One Hundred Thousand Dollars (\$100,000) to the Issuing Authority. The first payment of thirty three thousand three hundred thirty three dollars and thirty four cents (\$33,333.34) shall be made within forty-five (45) days of the Effective Date. The two subsequent payments of thirty three thousand three hundred thirty three dollars and thirty three cents (\$33,333.33) shall each be made on the first and second anniversaries of the Effective Date of this Renewal License.

5.3.1.2. Under no circumstances shall said PEG Access Capital Funding payments required herein be counted against (i) the PEG Access/Cable-Related Annual Support Funding payable to the Issuing Authority pursuant to Section 5.3.2 below; (ii) applicable License Fees paid to the Town, the State and/or the FCC; and/or (iii) any other fees or payments required by applicable laws.

5.3.2. *PEG Access/Cable-Related Annual Support Funding and Payments*

5.3.2.1. The Licensee shall provide annual funding to the Issuing Authority to be used for cable-related funding and to support ongoing operations of PEG Access. Such funding shall be used by the Town for cable-related purposes and/or by the Access Corporation for personnel, operating and other related expenses incurred in connection with PEG Access Programming operations.

5.3.2.2. The PEG Access/Cable-Related Annual Support Funding provided by the Licensee hereunder shall be five percent (5%) of the Licensee's annual Gross Revenues, as defined in Section 1.20 supra, and shall be paid in accordance with Section 5.3.3 below; provided, however, that if the renewal license of another cable operator (or its successor or assign) in the Town, provides for such operator to pay a lower percentage during such time period, then the percentage of the Licensee's PEG Access/Cable-Related Support Funding payments herein shall be reduced to match such lower percentage over that same time period.

5.3.3. *Payments:* The PEG Access/Cable-Related payments, pursuant to Section 5.3.2 above, shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such payment shall be accompanied by a Gross Revenues reporting form substantially in the form of Exhibit B. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, or shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances within ninety (90) days following the close of the calendar quarter for which such payments were applicable. For purposes of this Section 5.3.3, the period for determining Gross Revenues shall be the preceding calendar quarter. The Licensee represents that, in accordance with the terms of its Final Cable License with the Issuing Authority dated October 30, 2006, when the Licensee bundled Cable Service with Non-Cable Service, the calculation of Gross Revenues (for purposes of calculating PEG Access Support payments to the Issuing Authority)

was based on the cost of Cable Services as billed to Subscribers. The Licensee and the Issuing Authority agree to the continuation of this calculation methodology under this Renewal License. The parties agree that tariffed Telecommunications Services that cannot be discounted under State or federal law or regulation are excluded from the bundled discount allocation in this Section 5.3.3.

5.3.4. *Recovery of Costs:* To the extent permitted by applicable federal law, the Licensee may recover the costs of the PEG Access Capital Funding in Section 5.3.1., the PEG Access/Cable-Related Annual Support Funding in Section 5.3.2 and any other costs, including interconnection costs, arising from the provision of PEG Access/Cable-Related services from Subscribers and to include such costs as separately billed line items on each Subscriber's bill.

5.3.5. *Late Payments:* In the event that any of the PEG Access Capital Funding (Section 5.3.1), the PEG Access/Cable-Related Support (Section 5.3.2) and/or the License Fee payments (Section 6.1 below) is or are not paid on or before the due date set forth in this Renewal License for such payments, then interest shall accrue from the due date until the date paid at the rate of two percent (2%) per annum above the Prime Rate, compounded annually.

5.4 *PEG Access Channel Maintenance/Technical Standards/Performance Tests:* The Licensee shall monitor the PEG Access Channels for technical quality consistent with applicable FCC technical standards, as such standards may be amended from time to time, and shall ensure that they are maintained at standards the same as those which apply to the Cable System's commercial channels of similar format and resolution; provided that the Licensee is not responsible for the production quality of PEG Access Programming productions, nor for any deficiencies in the signal that it receives from the Town and/or the Access Corporation. Upon the written request of the Issuing Authority, the Licensee shall make available to the Town a copy of the Licensee's most recent annual performance tests.

5.5 *Censorship:* The Licensee, the Town and the Access Corporation shall comply with applicable laws regarding program censorship or any other control of the content of the PEG Access Programming on the Cable System.

5.6 *PEG Operational Rules.* The Issuing Authority and/or the Access Corporation shall establish rules and regulations that require all local producers and users of any of the PEG Access facilities or Channels to assume individual responsibility for any program-based liability including but not limited to liability for copyright infringement or defamation, and to hold the Town and the Licensee harmless for same, subject to applicable Title VI and FCC requirements. The Access Corporation shall establish rules and regulations for use of PEG Access facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531) and this Renewal License.

5.7. *No Access Corporation Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any Access Corporation is not a party to this Renewal License and that any provisions herein that may affect an Access Corporation are not intended to create any rights on behalf of any Access Corporation.

5.8 *Listing of PEG Access Programing On Licensee's Electronic Program Guide:* If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request, discuss in good faith with the Issuing Authority the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide; however, the Licensee shall not be required to list the Town's PEG Access Channel program content titles on its electronic program guide.

5.9 *PEG Access Channel Video-On-Demand:* If the Licensee provides any other municipality in the State with PEG Access Channel programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request, discuss in good faith with the Issuing Authority the technical feasibility and commercial reasonability of providing PEG Access Channel programming VOD in the Town; however, the Licensee shall not be required to provide PEG Access Channel programming VOD in the Town.

6. LICENSE FEES

6.1. *License Fee:* Pursuant to Section 9 of M.G.L. Chapter 166A, the Licensee shall pay to the Town, throughout the term of this Renewal License, a license fee equal to fifty cents (\$.50) per Subscriber per year.

6.2. *Maximum License Fee Obligation:* The Licensee shall not be liable for a total License Fee, pursuant to this Renewal License and applicable law in excess of five percent (5%) of annual Gross Revenues (as defined in Section 1.20 supra) and in accordance with the definition of the term Franchise Fee and the five percent (5%) cap on Franchise Fee(s) as set forth in Section 622 of the Communications Act, 47 U.S.C. 542 and FCC regulations and orders pursuant thereto.

6.3. *Payment Information:* In determining the License Fee pursuant to Section 6.1 above, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this Renewal License.

6.4. *Limitation on Actions:* The period of limitation for recovery of any payment obligation under this Renewal License shall be three (3) years from the date on which payment by the Licensee is due.

6.5. Recomputation:

6.5.1 Tender or acceptance of any payment made pursuant to Article 5 and/or 6 herein shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums, including interest payable under Section 5.3.5 above and/or pursuant to this Section 6.6. All amounts shall be subject to audit and recomputation by the Issuing Authority pursuant to this Section 6.5.

6.5.2. If the Issuing Authority has reason to believe that any such payment is incorrect, it shall notify the Licensee thereof in writing within ninety (90) business days after receiving such payment. The Licensee shall then have ninety (90) business days after receipt of such notice to provide the Town with additional information documenting the accuracy of such payment. In the event that the Issuing Authority does not reasonably believe that such documentation supports the accuracy of such payment, then the Issuing Authority may conduct an audit of such payment, provided that the Issuing Authority shall be limited to one audit every three years during the term of this Renewal License, which audit shall be applicable to the previous three (3) year period in accordance with Section 6.4 above. If, after such audit and recomputation, the Issuing Authority determines that an additional fee is owed to the Town, then the Licensee shall be provided with a reasonable opportunity to review the results of such audit and to dispute any audit results, and shall pay any such undisputed amounts within thirty (30) business days after completion of such review, together with any applicable late charges calculated pursuant to Section 5.3.5 above.

6.6. *Method of Payment:* All License Fee payments by the Licensee to the Town pursuant to this Renewal License shall be made payable to the Town and deposited with the Town Treasurer.

6.7. *Other Payment Obligations and Exclusions:* Subject to Section 622(g)(1) of the Communications Act, the License Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which the Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee payments herein.

6.8. *Affiliates Use of System:* Use of the Cable System by any Affiliates of the Licensee shall be in compliance with applicable State and/or federal laws.

7. CUSTOMER SERVICE

The customer service standards in this Article 7 shall apply to the Licensee regarding its provision of Cable Services over the Cable System in the Town, and shall be binding unless amended by written consent of the parties.

7.1. *Telephone Availability:*

7.1.1. The Licensee shall maintain a local and a toll-free number to receive all calls and inquiries from Subscribers in the Town and/or residents regarding Cable Service. The Licensee's representatives shall be trained and qualified to answer questions related to Cable Service in the Town and shall be available to receive reports of Service Interruptions and Significant Outages twenty-four (24) hours a day, seven (7) days a week, and all other inquiries at least forty-five (45) hours per week. The Licensee's representatives shall identify themselves by name when answering this number.

The Licensee reserves the right to modify its business operations with respect to such customer service call center; provided, however, that the Licensee shall comply with all State and federal requirements pertaining to the hours of operation of such customer call center. If the Licensee does not maintain and operate its customer service call center twenty-four (24) hours a day, seven (7) days a week, the Licensee shall maintain an Automated Response Unit ("ARU") or Voice Response Unit ("VRU") for Subscriber inquiries, outage reporting, Complaints, and the provision of information regarding billing, technical support, and other Subscriber information, including self-help options. The ARU or VRU shall offer the Subscriber the opportunity to schedule a callback on the next business day.

7.1.2. The Licensee's telephone numbers shall be listed, with appropriate description (e.g. administration, customer service, billing, repair, etc.), in the directory published by the local telephone company or companies serving the Town, beginning with the next publication cycle after the Effective Date.

7.1.3. The Licensee may use an ARU or a VRU to distribute telephone calls. If a foreign language routing option is provided, and the Subscriber does not enter an option, the menu will default to the first-tier menu of English options. After the first-tier menu (not including a foreign language rollout) has run through three (3) times, if customers do not select any option, the ARU or VRU will forward the call to a queue for a live representative. The Licensee may reasonably substitute this requirement with another method of handling calls from customers who do not have touch-tone telephones.

7.1.4. Under Normal Operating Conditions, calls received by the Licensee shall be answered within thirty (30) seconds. The Licensee shall meet this standard for ninety percent (90%) of the calls it receives at all call centers receiving calls from Subscribers, as measured on a cumulative quarterly calendar basis. Measurement of this standard shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after 30 seconds of call waiting.

7.1.5. Under Normal Operating Conditions, callers to the Licensee shall receive a busy signal less than three percent (3%) of the time during any calendar quarter.

7.1.6. Upon written request from the Issuing Authority, but in no event more than once a quarter, thirty (30) days following the end of each quarter, the Licensee shall report to the Issuing Authority in writing the following for all call centers receiving calls from Subscribers except for temporary telephone numbers set up for national promotions:

(1) Percentage of calls answered within thirty (30) seconds as set forth in Section 7.1.4.

(2) Percentage of time customers received busy signal when calling the customer service center as set forth in Section 7.1.5.

Subject to applicable consumer privacy requirements, underlying information used to generate said reports will be made available to the Town for review upon reasonable request.

7.1.7. At the Licensee's option, the measurements and reporting above may be changed from calendar quarters to billing or accounting quarters. The Licensee shall notify the Issuing Authority in writing of such a change at least thirty (30) days in advance of any implementation.

7.2. Installations and Service Appointments:

7.2.1. All installations shall be in accordance with applicable FCC rules relating to grounding, connection of equipment, and the provision of required consumer information and literature to adequately inform the Subscriber about using the Licensee-supplied equipment and Cable Service.

7.2.2. The Standard Installation shall be performed within seven (7) business days after the placement of the Optical Network Terminal ("ONT") on the customer's premises or within seven (7) business days after an order is placed if the ONT is already installed on the customer's premises. The Licensee shall meet this standard for ninety-five percent (95%) of the Standard Installations it performs, as measured on a calendar quarter basis, excluding customer requests for connection later than seven (7) days after ONT placement or later than seven (7) days after an order is placed if the ONT is already installed on the customer's premises.

7.2.3. The Licensee shall provide the Issuing Authority with a report, upon written request from the Issuing Authority but in no event more than once a quarter thirty (30) days following the end of each quarter, noting the percentage of Standard Installations completed within the seven (7) day period, excluding those requested outside of the seven (7) day period by the Subscriber. Subject to applicable consumer privacy requirements, underlying information used to generate said reports shall be made available to the Issuing Authority for review upon reasonable request. At the Licensee's option, the measurements and reporting of the above may be changed from calendar quarters to billing or accounting quarters. The Licensee shall notify the Issuing Authority in writing of such a change not less than thirty (30) days in advance.

7.2.4. The Licensee shall offer Subscribers "appointment window" alternatives for arrival to perform installations, Service Calls and other activities of a maximum four (4) hours scheduled time block during appropriate daylight available hours, generally beginning at 8:00 AM unless it is deemed appropriate to begin earlier by location exception. At the Licensee's discretion, the Licensee may offer Subscribers appointment arrival times other than these four (4) hour time blocks, if agreeable to the Subscriber. These hour restrictions do not apply to weekends.

7.3. Service Interruptions and Outages:

7.3.1. The Licensee shall exercise commercially reasonable efforts to limit any Significant Outage for the purpose of maintaining, repairing, or constructing the Cable

System. Except in an emergency or other situation necessitating a more expedited or alternative notification procedure, the Licensee may schedule a Significant Outage for a period of more than four (4) hours during any twenty-four (24) hour period only after the Town and each affected Subscriber in the Service Area have been given fifteen (15) days prior notice of the proposed Significant Outage.

7.3.2. Under Normal Operating Conditions, the Licensee shall Respond to a call from a Subscriber regarding a Service Interruption or other service problems within the following time frames:

(1) Within twenty-four (24) hours, including weekends, of receiving Subscriber calls respecting Service Interruptions in the Service Area.

(2) The Licensee shall begin actions to correct all other Cable Service problems the next business day after notification by the Subscriber or the Town of a Cable Service problem.

7.3.3. Under Normal Operating Conditions, the Licensee shall complete Service Calls within seventy-two (72) hours of the time the Licensee commences to Respond to the Service Interruption, not including weekends and situations where the Subscriber is not reasonably available for a Service Call to correct the Service Interruption within the seventy-two (72) hour period.

7.3.4. The Licensee shall meet the standard in Section 7.3.4 for ninety percent (90%) of the Service Calls it completes, as measured on a quarterly basis.

7.3.5. The Licensee shall provide the Issuing Authority with a report in writing, upon written request from the Issuing Authority, but in no event more than once a quarter within thirty (30) days following the end of each calendar quarter, noting the percentage of Service Calls completed within the seventy-two (72) hour period not including Service Calls where the Subscriber was reasonably unavailable for a Service Call within the seventy-two (72) hour period as set forth in this Section 7.3. Subject to applicable consumer privacy requirements, underlying information used to generate said reports shall be made available to the Issuing Authority for review upon reasonable request. At the Licensee's option, the above measurements and reporting may be changed from calendar quarters to billing or accounting quarters. The Licensee shall notify the Issuing Authority in writing of such a change at least thirty (30) days in advance.

7.3.6. Under Normal Operating Conditions, if a Significant Outage affects all Video Programming Cable Services for more than twenty-four (24) consecutive hours, the Licensee shall issue an automatic credit to the affected Subscribers in the amount equal to their monthly recurring charges for the proportionate time the Cable Service was out, or a credit to the affected Subscribers in the amount equal to the charge for the Basic Service for the proportionate time the Cable Service was out, whichever is technically feasible or, if both are technically feasible, as determined by the Licensee provided that such determination is non-discriminatory and in accordance with applicable laws. Such credit shall be reflected on Subscriber billing statements within the next available billing cycle following the outage.

7.3.7. With respect to service issues concerning Cable Services provided to Town facilities, the Licensee shall Respond to all inquiries from the Town within four (4) hours and shall commence necessary repairs within twenty-four (24) hours under Normal Operating Conditions. If such repairs cannot be completed within twenty-four (24) hours, the Licensee shall notify the Issuing Authority in writing as to the reason(s) for the delay and provide an estimated time of repair.

7.4. *Subscriber Complaints:*

Under Normal Operating Conditions, the Licensee shall resolve Subscriber Complaints referred by the Issuing Authority within seventy-two (72) hours; provided, however, that the Licensee shall notify the Issuing Authority of those matters that necessitate an excess of seventy-two (72) hours to resolve, which matters shall be resolved within fifteen (15) days of the initial Complaint. The Issuing Authority may require reasonable documentation to be provided by the Licensee to substantiate the request for additional time to resolve the problem. For purposes of this Section 7.4, “resolve” means that the Licensee shall perform those actions, which, in the normal course of business, are necessary to investigate the Subscriber’s Complaint and advise the Subscriber of the results of that investigation.

7.5. *Billing:*

7.5.1. Subscriber bills shall be itemized to describe Cable Services purchased by Subscribers and related equipment charges, and shall include the information required by 207 CMR 10.03(1) in clear, concise and understandable language and format. Bills shall clearly delineate all Cable Service activity during the billing period, including optional charges, rebates, credits, and aggregate late charges. In accordance with applicable law(s), the Licensee shall be allowed to itemize as separate line items, without limitation, License Fees, taxes and/or other governmentally imposed fees. The Licensee shall maintain records of the date and place of mailing of Subscriber bills.

7.5.2. In accordance with 207 CMR 10.05(1), Subscriber payment shall be due on the due date marked on the bill, which shall be a date certain and in no case a statement that the bill is due upon receipt. The due date shall not be less than five (5) business days following the mailing date of the bill.

7.5.3. A specific due date shall be listed on the bill of every Subscriber.

7.5.4. Any billing disputes registered by a Subscriber shall be resolved in accordance with 207 CMR 10.07.

7.5.5. The Licensee shall notify the Subscriber of the result of its investigation of any Complaint and shall give an explanation for its decision within thirty (30) business days after the receipt of the Complaint. The Subscriber shall forfeit any rights under 207 CMR 10.07 if he or she fails to pay the undisputed balance within 30 days. Any Subscriber who disagrees with the results of the Licensee’s investigation shall promptly inquire about and take advantage of any Complaint resolution mechanism, formal or informal, available under this Renewal License or through the Issuing Authority before the Cable Division may accept a

petition. The Subscriber or the Licensee may petition the Cable Division to resolve disputed matters within thirty (30) days of any final action.

7.5.6. The Licensee shall forward a copy of any Cable Service related billing inserts or other mailing sent to Subscribers, to the Issuing Authority upon written request.

7.5.7. The Licensee shall provide all Subscribers with the option of paying for Cable Service by check or an automatic payment option where the amount of the bill is automatically deducted from a checking account designated by the Subscriber. The Licensee may in the future, at its discretion, permit payment by using a major credit card on a preauthorized basis. Based on credit history, at the option of the Licensee, the payment alternative may be limited.

7.6. *Deposits, Refunds and Credits:*

7.6.1. The Licensee shall comply with 207 CMR 10.08 with respect to security deposits.

7.6.2. Under Normal Operating Conditions, refund checks shall be issued within the next available billing cycle following the resolution of the event giving rise to the refund (e.g., equipment return and final bill payment).

7.6.3. Credits for Cable Service shall be issued no later than the Subscriber's next available billing cycle, following the determination that a credit is warranted, and the credit is approved and processed. Such approval and processing shall not be unreasonably delayed.

7.7. *Termination of Service:*

7.7.1. The Licensee shall comply with 207 CMR 10.05 with respect to delinquency and termination of service.

7.7.2. In accordance with applicable laws and regulations, nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service, damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, or refusal to provide credit history information or refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency.

7.8. *Communications with Subscribers:*

7.8.1. The Licensee shall require that: (i) all Licensee personnel, contractors and subcontractors contacting Subscribers or potential Subscribers at the homes of such Subscribers or potential Subscribers wear a clearly visible identification card bearing their name and photograph; (ii) all Licensee representatives wear appropriate clothing while working at a Subscriber's premises; and (iii) every service vehicle of the Licensee and its contractors or subcontractors shall (a) be clearly identified as such to the public, (b) have the Licensee's logo

8. REPORTS AND RECORDS

8.1. *Open Books and Records*: Upon at least thirty (30) business days written notice to the Licensee, the Issuing Authority or its designee shall have the right to inspect at a location reasonably and mutually convenient to the parties hereto the Licensee's books and records pertaining to the Licensee's provision of Cable Service in the Town during Licensee's regular business hours and on a reasonable and non-disruptive basis, as is reasonably necessary to ensure compliance with the terms of this Renewal License. Such notice shall specifically reference the section or subsection of this Renewal License which is under review, so that the Licensee may organize the necessary books and records for appropriate access by the Issuing Authority. The Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Licensee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Town. If the Licensee believes that the requested information is proprietary or confidential, the Licensee shall provide the following information to the Issuing Authority: (i) specific identification of the information; (ii) a statement attesting to the reason(s) the Licensee believes the information is confidential; and (iii) a statement that the documents are available at the Licensee's designated offices for inspection by the Issuing Authority. The Issuing Authority shall take reasonable steps consistent with applicable law to protect the proprietary and confidential nature of any books, records, maps, plans or other documents requested by the Issuing Authority that are provided pursuant to this Renewal License to the extent they are designated as such by the Licensee. The Licensee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

8.2. *Records Required:* The Licensee shall at all times maintain:

8.2.1. Records of all written Complaints for a period of three (3) years after receipt by the Licensee.

8.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by the Licensee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by the Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

8.2.5. A map showing the area of coverage for the provisioning of Cable Services.

8.3. *Dual Filings:* Upon written request of the Issuing Authority, the Licensee shall provide a copy of any documents or forms filed by the Licensee with the FCC and/or the DTC that materially pertain to the Licensee's Cable System in the Town.

8.4. *Proof of Performance Tests:* Upon written request of the Issuing Authority, the Licensee shall provide a copy of proof of performance tests required by applicable law.

8.5. *Annual Performance Review:* The Issuing Authority or its designee may, at its discretion but not more than once per twelve-month period, hold a performance evaluation session. The purpose of such evaluation session shall be to review the Licensee's compliance with the terms and conditions of this Renewal License. The Issuing Authority shall provide the Licensee with thirty (30) days advance written notice of such evaluation session. The Issuing Authority shall provide the Licensee with a written report with respect to the Licensee's compliance within sixty (60) days after the conclusion of such evaluation session.

8.6. *Quality of Service:* If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town, then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

9. INSURANCE AND INDEMNIFICATION

9.1. *Insurance:*

9.1.1. The Licensee shall maintain in full force and effect, at its own cost and expense, during the term of this Renewal License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of five million dollars (\$5,000,000) per occurrence for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of the Licensee's Cable Service business in the Town.

9.1.1.2. Automobile Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit each accident for bodily injury and property damage coverage.

9.1.1.3. Workers' Compensation Insurance meeting the statutory requirements of the Commonwealth of Massachusetts and Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease-each employee: \$100,000; \$500,000 disease-policy limit.

9.1.2. The Town shall be included as an additional insured as their interests may appear under this Renewal License on the Commercial General Liability Insurance and Automobile Liability Insurance required herein.

9.1.3. Upon receipt of notice from its insurer(s) the Licensee shall provide the Issuing Authority with thirty (30) days' prior written notice of cancellation of any required coverage.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State of Massachusetts, with an A.M. Best Financial Strength rating of A- or better.

9.1.5. Upon written request, the Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.2. *Indemnification:*

9.2.1. The Licensee shall, at its sole cost and expense, indemnify and hold harmless the Issuing Authority, the Town, its officials, boards, commissions, committees, agents and/or employees against all claims for damage, including without limitation damage to Persons or property, real and personal, due to the actions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System under this Renewal License. Indemnified expenses shall include all reasonable attorneys' fees and costs incurred by the Town up to such time that the Licensee assumes defense of any action hereunder. The Issuing Authority shall give the Licensee written notice of its obligation to indemnify and defend the Issuing Authority within ten (10) business days of receipt of a claim or action pursuant to this section.

9.2.2. With respect to the Licensee's indemnification obligations set forth in Section 9.2.1, the Licensee shall, at its own expense, provide the defense of any claims brought against the Town by selecting counsel of the Licensee's choice to defend the claim, subject to the consent of the Issuing Authority, which shall not unreasonably be withheld. Nothing herein shall be deemed to prevent the Issuing Authority from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the Issuing Authority, the Licensee shall have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such settlement includes the release of the Town and the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of such settlement.

9.3. *Performance Bond.* The Licensee shall maintain, without charge to the Town, throughout the term of the Renewal License a faithful performance bond running to the Town, with good and sufficient surety licensed to do business in the State in the sum of seventy five thousand dollars (\$75,000). Said bond shall be conditioned upon the faithful performance and discharge of all of the obligations imposed by this Renewal License. The performance bond shall be effective throughout the term of this Renewal License and shall be conditioned that in the event that the Licensee shall fail to comply with any one or more provisions of this Renewal License, or to comply with any order, permit or direction of any department, agency, commission, board, division or office of the Town having jurisdiction over its acts, or to pay any claims, liens or taxes due the Town which arise by reason of the construction, upgrade, maintenance and/or operation of the Cable System, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to Article 11 below. Said bond shall be a continuing obligation of this Renewal License, and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from the grant of the Renewal License or from the exercise of any privilege herein granted. In the event that a performance bond provided pursuant to this Renewal License is not renewed or cancelled, the Licensee shall provide a new performance bond pursuant to this Section 9.3 within thirty (30) days of such failure to renew or cancellation. Neither cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability of the Licensee to file a replacement bond or replacement security for its obligations under this Renewal License, shall constitute a loss to the Town recoverable under the bond. Neither this section, any bond accepted pursuant thereto, or any damages recovered thereunder shall limit the liability of the Licensee under the Renewal License. Recourse by the Town of remedies available under this Section 9.3 shall not be exclusive of other lawful remedies available to the Town at law and equity. Said bond shall be substantially in the form of **Exhibit C** attached hereto.

10. RENEWAL OF LICENSE

The Issuing Authority and the Licensee agree that any proceedings undertaken by the Town that relate to the renewal of this Renewal License shall be governed by and comply with the provisions of Section 626 of the Communications Act, 47 U.S.C. § 546, and M.G.L. Chapter 166A. The Town shall notify the Licensee of any ascertainment proceedings conducted

pursuant to Section 626 of the Communications Act, and shall provide the Licensee with a copy of the record of such proceeding.

11. ENFORCEMENT AND TERMINATION OF LICENSE

11.1. *Notice of Violation:* If at any time the Issuing Authority believes that the Licensee has not complied with the terms of this Renewal License, the Issuing Authority shall informally discuss the matter with the Licensee, however the Issuing Authority reserves the right to inform the Licensee of such non-compliance in writing prior to informal discussions. If such informal discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the “Noncompliance Notice”).

11.2. *The Licensee’s Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond in writing to the Issuing Authority, if the Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance, continue such efforts until said noncompliance is cured, and notify the Issuing Authority at no more than twenty-one (21) day intervals as to the Licensee’s efforts and progress to remedy such noncompliance. Upon a jointly agreed upon cure of any noncompliance by the Issuing Authority and the Licensee, the Issuing Authority shall provide the Licensee with written confirmation that such cure has been effected.

11.3. *Public Hearing:* In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures set forth in Section 11.2 above, and if the Issuing Authority seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee at least thirty (30) days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing and whether revocation of this Renewal License is a possible consequence. At any designated public hearing where revocation of this Renewal License is not a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence. At any designated public hearing where revocation of this Renewal License is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence, and shall also have the right to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete record shall be made of such hearing. Within thirty (30) days of the close of the hearing, the Issuing Authority shall issue a written determination of its findings.

11.4. *Enforcement:* In the event the Issuing Authority, after the public hearing set forth in Section 11.3 above, determines that the Licensee is in default of any provision of this Renewal License, the Issuing Authority may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

11.4.2. Commence an action at law for monetary damages or seek other equitable relief;

11.4.3. Assess liquidated damages in accordance with the schedule set forth in Section 11.6 below;

11.4.4. Submit a claim against an appropriate part of the performance bond pursuant to Section 9.3 above;

11.4.5. In the case of a substantial noncompliance of a material provision of this Renewal License, seek to revoke this Renewal License in accordance with Section 11.5; or

11.4.6. Invoke any other lawful remedy available to the Town.

11.5. *Revocation:* In the event that the Issuing Authority determines that it will revoke this Renewal License pursuant to Section 11.4 above, the Licensee may appeal such written determination of the Issuing Authority to an appropriate court or to the Cable Division, which shall have the power to review the decision of the Issuing Authority consistent with applicable law and regulation. The Licensee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of the Licensee's receipt of the written determination of the Issuing Authority. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this Renewal License in lieu of revocation of this Renewal License.

11.6. *Liquidated Damages:* For the violation of any of the following provisions of this Renewal License, liquidated damages shall be paid by the Licensee to the Issuing Authority. Any such liquidated damages shall be assessed as of the date that the Licensee received written notice of the provision or provisions which the Issuing Authority believes are in default, provided that the Issuing Authority has made a determination of default in accordance with the procedures set forth in Sections 11.1 through 11.4 above. On an annual basis from the Effective Date, the Licensee shall not be liable for liquidated damages that exceed thirty thousand dollars (\$30,000). The liquidated damages shall be assessed as follows:

(1) For failure to obtain the advance written approval of the Issuing Authority for any transfer of this Renewal License in accordance with Section 2.12 herein, Three Hundred Dollars (\$300.00) per day, for each day that such non-compliance continues;

(2) For failure to comply with the provisions of Section 5.1 herein (PEG Access Channels), Three Hundred Dollars (\$300.00) per day, for each day that such non-compliance continues; and

(3) For failure to comply with the customer service standards in accordance with Section 7 herein, Three Hundred Dollars (\$300.00) per day, for each day that such non-compliance continues.

Such liquidated damages shall not be a limitation upon any other provisions of this Final License and applicable law, including revocation, or any other statutorily or judicially imposed penalties or remedies; provided, however, that in the event that the Issuing Authority collects liquidated damages for a specific breach for a specific period of time, pursuant to Section 11.6 above, the collection of such liquidated damages shall be deemed to be the exclusive remedy for said specific breach for such specific period of time only. Each of the above-mentioned cases of non-compliance shall result in damage to the Town, its residents, businesses and institutions, compensation for which will be difficult to ascertain. The Licensee agrees that the liquidated damages in the amounts set forth above are fair and reasonable compensation for such damage. The Licensee agrees that said foregoing amounts are liquidated damages, not a penalty or forfeiture, and are within one or more exclusions to the term "franchise fee" provided by Section 622(g)(2)(A)-(D) of the Communications Act.

12. MISCELLANEOUS PROVISIONS

12.1. *Actions of Parties:* In any action by the Town or the Licensee that is taken pursuant to the terms of this Renewal License, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required by either party under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Jurisdiction:* Jurisdiction and venue over any dispute, action or suit arising out of this Renewal License shall be in a federal or State court of appropriate venue and subject matter jurisdiction located in the State, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute.

In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.

12.5. *Force Majeure:* If by reason of Force Majeure, either party is unable in whole or in part to carry out its obligations hereunder, said party shall not be held in violation or default during the continuance of such inability.

12.6. *Acts or Omissions of Affiliates:* During the term of this Renewal License, the Licensee shall be liable for the acts or omissions of its Affiliates to the extent arising out of any such Affiliate's operation of the Cable System to provide Cable Services in the Town.

12.7. *Delivery of Payments:* The Licensee may use electronic funds transfer to make any payments to the Town required under this Renewal License.

12.8. *Warranties:* Each party hereto warrants, represents and acknowledges to the other party that, as of the Effective Date, such party has the requisite power and authority under applicable law and its organizational documents, if any, and is authorized and has secured all consents which are required to be obtained as of the Effective Date, to enter into and be legally bound by the terms of this Renewal License.
