

# PROFESSIONAL DEVELOPMENT ACTIVITY LOG

## For Additional Area(s) License Renewal

FORM B-2

Please use this Activity Log Sheet to document your earned Professional Development Points (PDPs) for each of your Additional Area licenses.

Activities by license field and/or grade level must be separated accordingly. For instance, we used History 8-12 as an example for the Primary Area. If you were also to renew a History 5-8 as the Additional license, you would list its activities separately in the Additional Area Activity Log.
