

**STATE 911 DEPARTMENT
QUALIFIED VENDORS FOR EMD TRAINING, CERTIFICATION AND
RECERTIFICATION COURSES, AND EMERGENCY MEDICAL DISPATCH
PROTOCOL REFERENCE SYSTEM(S)**

August 12, 2011

The State 911 Department has qualified through a Request for Response (State 911 11-002) vendors to provide to eligible entities with (1) emergency medical dispatch (EMD) training, certification, and/or recertification courses, and (2) emergency medical dispatch protocol reference systems (EMDPRS). The following vendors have been qualified under the Request for Response:

APCO
PowerPhone, Inc.
Priority Dispatch Corporation

Eligible entities may use the Request for Response and qualified vendor responses as the procurement basis for the execution of contracts. Although eligible entities may utilize this procurement, a separate contract with any such entity must be executed. Please refer to www.comm-pass.com or www.mass.gov/e911 for additional information regarding pricing. The State 911 Department expects to update the list of qualified vendors on an ongoing basis.

For questions, please contact Christopher Markunas of the State 911 Department at 508-821-7301, or the Department's EMD mailbox at EMD911@state.ma.us.
