

Massachusetts Department of Environmental Protection - Drinking Water Program

LIST OF APPROVED TECHNOLOGIES FOR USE IN MASSACHUSETTS --310 CMR 22.04(8)

Contact: Frank R. Niles (617) 654-6531
Updated: November 08, 2022

The following table contains a list of technologies that has been approved for use in Massachusetts in accordance with 310 CMR 22.04(8).

- Using any of the listed technologies will avoid the need for an additional New Technology approval. However, regional piloting may still be required and you must contact the appropriate regional office below before using any of the technologies listed below.
If you are requesting approval for a New Technology that is not on the list below please contact Frank Niles at 617-654-6531 or the Drinking Water Program at program.director-dwp@mass.gov . Subject: New Technology.
