The Mass. Department of Conservation and Recreation (DCR) is conducting a feasibility study for a shared-use trail connection between the Route I-95 rail bridge (“Two Bridges”) at the southeast corner of Leo J. Martin Golf Course, Newton, and the south side of the I-95 Overpass on Quinobequin Road, Newton, MA. The project has analyzed DCR-owned parklands, other open space and roadway right of ways to evaluate alternative layouts toward safe and accessible bicycle and pedestrian accommodations through the Lower Falls area.

At this public virtual meeting, DCR will present and obtain public input on a proposed shared-use trail layout.
