

Massachusetts Clean Cities Coalition Update

September 23, 2022

Dear Massachusetts Clean Cities Stakeholders,
We at the MA Clean Cities (MACC) and the Department of Energy Resources (DOER) hope you all are staying healthy and safe during these challenging times. We have some important information to share with you that we hope will be of interest.

Newsletter Highlights:

- Call out for Volunteer EV Owners and other clean transportation and emission reduction technology
- National Drive Electric Week Events
- Altwheels Fleet Day Event

We hope to see you at one of these events, have a great start to your weekend!

News & Updates

Volunteers Wanted

Dates:

Saturday - September 24, October 1, and October 15, 2022

We are looking for people or groups interested in volunteering to demonstrate and talk about their experience owning an Electric Vehicle (EV), E-Bike, E-Landscaping equipment, or other clean, zero-emission technology with community members. If you are interested in volunteering, please reach out to the following people:

Saturday, September 24, 2022 - Quincy, MA - Adrianna
at adrianna@greenenergyconsumers.org

Saturday, October 1, 2022 - Northampton, MA - Aaron at aaronmonson@recharge-america.org

Saturday, October 15, 2022 - Westborough, MA - Pete at peter.dunbeck@gmail.com
Feel free to also contact or CC John at john.liriano@mass.gov

National Drive Electric Week

Date & Time:

September 24 - October 1, 2022

Massachusetts Clean Cities Coalition (MA CC) is teaming up with several organizations to host several National Drive Electric Week (NDEW), ride and drive events across the Commonwealth.

These events are free and open to the public.

Attendees will have the opportunity to get behind the wheel and experience an electric vehicle firsthand. Electric Vehicle (EV) owners will be in attendance to share their EV experience, learn about what electric vehicles are available locally, how and where to find electric vehicle charging stations, what purchasing incentives are available, and more!

When and Where:

- **Saturday, September 24, 2022, 11:00 PM - 2:00 PM**
 - Quincy High School, Russell Park Parking Lot, Quincy, MA 02169
 - <https://www.greenenergyconsumers.org/event/electriccarshowquincy>

- **Saturday, October 1, 2022, 10:00 AM - 2:00 PM**
 - Armory Street Municipal Parking Lot Downtown North, Northampton, MA 01060
 - <https://driveelectricweek.org/event?eventid=3474>

- **Saturday, October 15, 2022, 2:00PM - 5:00PM**
 - Amazon Robotics, 50 Otis St. Westborough, MA
 - <https://driveelectricweek.org/event?eventid=3562>

A poster for the 'GET CHARGED UP REGIONAL EV EXPO'. The title is in large, glowing green letters. Below the title, a green car is connected by a wavy line to a charging station. The text 'Meet EV owners up close to ask questions, take a ride, and gather information from vendors' is centered. The date 'OCTOBER 15' is in large green letters, followed by '2pm - 5pm' and the location 'Amazon Robotics, 50 Otis St, Westborough'. Sponsors listed include Sustainable Westborough, Rotary Club of Westborough, Sustainable Northborough, and Hopkinton Sustainable Green Committee. A QR code is on the right, and the URL 'sustainablewestborough.org/ev-fair' is at the bottom right. The rain date is 'October 22, 2022'.

AltWheels Fleet Day

Date: Monday, October 3, 2022

This year's AltWheels Fleet Day, presented by Samsara, **will be held in person at the Four Points by Sheraton in Norwood, MA** – with Keynote Speaker, Mike Antich of Automotive Fleet Magazine.

This event is geared toward public and private Fleet & Business Managers, with a focus on clean transportation - alternative fuels, vehicles, infrastructure, and technology - encompassing electric, propane, natural gas, and biofuels.

Preliminary Agenda: [View](#)

Register: [Here](#)

Open to all alternative fuel advocates and enthusiasts – spread the word!
