

# COMING SOON: MASSHEALTH MEMBER ADVISORY COMMITTEE

MassHealth is excited to announce the formation of a new MassHealth Member Advisory Committee (MAC) in the summer of 2024. The MAC will engage MassHealth members and their families to improve quality and access to care for MassHealth members.

MassHealth is partnering with [Collective Insight](#) to help launch the MAC. They are a Massachusetts woman-owned small business which supports inclusion of diverse communities to improve programs. Collective Insight will be supporting MAC development, including management of outreach planning and community input.

## LEARN MORE AND GET INVOLVED!

Collective Insight is looking for community input to:

- Create and review MAC outreach and application materials
- Get the word out about the MAC
- Share the MAC application within your communities
- Encourage members from diverse backgrounds to apply
- Discuss suggestions to make the MAC successful
