

# Manuel F. Correllus State Forest

## Trail Map (2022)

Welcome to Manuel F. Correllus State Forest! You may notice some changes to the forest during your visit. We have closed and restored several trails. Our goal is to protect rare habitats, improve trail connections, and provide better access for visitors like you to experience the unique ecosystems of this special place. You can help us with this restoration work by enjoying the Forest's trails as shown on this map.
