GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
280	Multiple	\$50,896,130		216	5,972,714
	July-12	\$2,419,773		18	
	July-13	\$3,621,952		20	
	July-14	\$7,625,169		42	
	July-15	\$8,643,951		50	
	July-16	\$9,130,159		47	
	July-17	\$13,563,317		71	
	July-18	\$14,131,524		77	
	August-19	\$14,628,682		74	
	August-20	\$12,896,506		24	
Abington	12/28/17	\$164,900	to fund energy conservation measures, energy management systems, variable frequency drives, and administrative support, in Town Hall and Library	X	16,516
Acton	5/25/10	\$150,794	to fund energy conservation measures, lighting, HVAC analysis, DHW heater, vending misers, and energy education outreach program, in municipal facilities including Memorial Library, Town Hall, Public Safety Facility, Davis Memorial; and Acton-Boxborough Regional School District	X	23,738
	July-12	\$140,738	To fund the following energy efficiency measures in municipal school buildings: in the RJ Grey School, installation of demand control ventilation, resetting the unit ventilator controls, air sealing with caulking, and re-commissioning of boiler and rooftop unit; and air sealing with caulking at Conant, Douglas, Gates Elementary schools and the Administration building.	X	
	July-14	\$229,819	to fund energy conservation measures in the Memorial Library and five schools	X	
	July-15	\$245,000	to fund energy conservation measures, LED streetlights, lighting, HVAC upgrades, and thermostats in municipal facilities including Parker Damon Building, RJ Grey Junior High School, Acton-Boxborough Regional High School, and Douglas Elementary and Conant Elementary Schools	X	
	July-17	\$244,924	to fund energy conservation measures in municipal facilities including Parker Damon Building, Acton-Boxborough Regional High School, and RJ Grey Junior High School. The energy conservation measures funded by this grant are interior LED lighting retrofits	X	
	July-18	\$249,984	to fund energy conservation measures, LED lighting retrofits and insulation jackets, in municipal facilities including DPW Building, Town Hall, Fire Stations 1, 2, and 3, Acton-Boxborough Regional High School, Parker Damon Building, and Administration Building	X	
	August-19	\$139,219	to fund energy conservation measures, LED lighting and controls, in municipal facilities including Public Safety and Recreation (50 Audubon) Buildings and Acton-Boxborough Regional High School	X	
	August-20	\$99,411	to fund energy conservation measures, LED lighting, retro-commissioning, hybrid vehicle purchase, and EV charging station, in municipal facilities including Parker Damon Building, RJ Grey Jr High School, Acton-Boxborough RHS and other buildings, and town vehicle fleet and infrastructure	X	
Acushnet	12/18/13	\$154,225	to fund energy conservation measures in school and several municipal buildings	X	10,580
	July-15	\$206,014	to fund energy conservation measures, HVAC upgrade, thermostats, lighting and controls, vendor misers, weatherization, HVAC controls, demand control ventilation, in municipal facilities including Town Hall, Parting Ways building, Emergency Medical Services, Ford Middle and Elementary Schools, Council on Aging, and DPW garages	X	
	July-17	\$131,003	to fund energy conservation measures, weatherization, lighting oil to natural gas burner fuel conversion, and streetlights conversion, in municipal facilities including Town Hall, EMA Building, Fire Station #1 & #2, and Golf Course Maintenance Building	X	
	July-18	\$132,287	to fund energy conservation measures, insulation measures, lighting fixture modification, and LED streetlight conversion, in municipal facilities including Parting Ways Building, Police Station, Council on Aging, and streetlights	X	
	August-19	\$171,494	to fund energy conservation measures, LED lighting and controls, in municipal facilities including Elementary School and Ford Middle School	X	
	August-20	\$153,358	to fund energy conservation measures, LED lighting, interior, exterior and controls, in municipal facilities including Elementary School and Ford Middle School	X	
Adams	12/22/15	\$166,865	to fund an HVAC Engineering Study for Memorial School/Community Center, ASHRAE Level II energy audits for Town Hall, Police Station, and Library, and LED streetlight and exterior lighting conversion for downtown and other areas	X	8,077
	August-19	\$15,000	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall		

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Agawam	2/1/17	\$207,970	to fund energy conservation measures in municipal facilities including James Clark School. The energy conservation measures funded are LED lighting retrofit, HVAC-R modernization, grant management assistance, and implementation of approved energy conservation measures to be determined	X	28,854
	August-19	\$201,133	to fund energy conservation measures, EMS and air handling unit controls, and lighting, in municipal facilities including Granger Elementary School, Library, and DPW	X	
	August-20	\$177,396	to fund energy conservation measures, LED lighting, EC motors, evaporator fan controls, cooler miser, and VFDs, in municipal facilities including High and Junior High Schools		
Amesbury	12/18/13	\$173,775	to fund a HVAC assessment at the Middle School, purchase of two BigBelly compactors, purchase of an electric vehicle and charging station at the Water Department, services, and the following energy conservation measures: an LED retrofit of period streetlights in the downtown; and exterior lighting upgrades at the Cashman, Middle, and High Schools.	X	17,569
	July-15	\$225,865	to fund the following energy conservation measures at the Amesbury Middle School: installation of a new energy management system, destratification fans in the gym, and vending misers, and repair of heating system steam traps	X	
	July-17	\$250,000	to fund energy conservation measures in municipal facilities including Amesbury High School, Middle School, and Cashman Elementary School. The energy conservation measures funded by this grant are: weatherization, HVAC controls upgrades, transformer upgrades, and installation of variable frequency drive pumps	X	
	July-18	\$250,000	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	August-20	\$84,131	to fund energy conservation measures, fan motor VFDs, demand control ventilation, and DDC upgrade on rooftop air handlers, in municipal facilities including Middle, High, and Cashman Schools		
Amherst	7/24/12	\$302,000	to fund the conversion of the town's streetlights from high pressure sodium to LED technology.	X	39,503
	July-14	\$102,541	to fund energy conservation measures in Town Hall and the North Fire Station	X	
	July-16	\$175,971	to fund energy conservation measures, electric vehicle purchase and EV charging station, AHU controls and elevator vents, boiler replacement, propane furnace, LED lighting and controls, in municipal facilities including Town Hall, Police Station, Conservation Field Office, Cherry Hill Golf buildings and town vehicle fleet	X	
	August-20	\$125,998	to fund energy conservation measures, LED lighting and idle reduction technology for vehicles, in municipal facilities including Munson Library, Police, Town Hall, and town vehicle infrastructure		
Andover	5/25/10	\$160,329	to fund a municipal lighting retrofit project at six school buildings: the Doherty Middle School, High Plain Elementary School/Wood Hill Middle School, Sanborn Elementary School, South Elementary School, West Elementary School and at two municipal buildings: Public Safety Center and Town House.	X	36,403
	July-12	\$220,599	to fund the following energy efficiency measures in municipal buildings: retrocommissioning of the Public Safety Center, Memorial Hall Library, Town Offices, Andover High School, and Andover Town House; installation of LED exterior lighting and air sealing in the Public Safety Center; installation of demand control ventilation in Memorial Hall Library, Andover High School, and Andover West Middle School; and installation of variable frequency drives in the High School.	X	
	July-15	\$191,901	to fund the following energy conservation measures: in the High School, air sealing to improve the building envelope, exterior LED lighting retrofit and interior LED lighting and controls in school hallways, and plug load management controls; In West Middle and West Elementary Schools, interior LED lighting and controls in school hallways; and replacement of two pumps and motors in the Bancroft Pump Station	X	
	July-17	\$156,440	to fund energy conservation measures in municipal facilities including Doherty Middle School, Sanborn Elementary School, and the High School's Collins Center for the Performing Arts. The energy conservation measures funded by this grant are smart LED retrofits and LED theatrical lighting and controls	X	
	July-18	\$142,625	to fund energy conservation measures, LED lighting retrofit and Building Operator Certification training, in municipal facilities including High School-Collins Center, Doherty Middle School, and West Fire Station	X	
	August-20	\$146,770	to fund energy conservation measures, LED lighting, in municipal facilities including Collins Center and West Middle School	X	
Aquinnah	2/3/20	\$126,530	to fund energy conservation measures, vehicle purchase, lighting, mini-split heat pump, hot water upgrade, weatherization, and heat pump hot water heater, in municipal facilities including Town Hall, Town Office Complex, Cultural Center, Fire House, and vehicle fleet		327

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Arlington	5/25/10	\$200,188	to fund conversion to high-efficiency LED streetlights; and replacement of steam traps; and an upgrade for energy management system at the Hardy School.	X	45,624
	July-12	\$250,000	To fund the following energy efficiency measures in municipal buildings: Heating Ventilation and Air Conditioning upgrades in Arlington High School and installation of ten variable frequency drives and associated electrical connections and control equipment in the Bishop, Brackett, Ottoson, Peirce, Robins, and Hardy schools.	X	
	July-14	\$247,894	to fund administration costs and energy conservation measures in the Ottoson Middle and Arlington High Schools	X	
	July-15	\$240,000	to fund energy conservation measures in municipal facilities including Bishop Elementary School, Brackett Elementary School, Ottoson Middle School, Peirce Elementary School, Andover High School, and Hardy Elementary School. The energy conservation measures funded by this grant are: energy management system, boiler updates, heating system modifications, exterior LED lighting retrofits, Fault Detection and Diagnostic System software, refrigeration controls, efficient condensing boiler, and programmable thermostats	X	
	July-16	\$247,639	to fund the following energy conservation measures: in Town Hall, installation of a web-based Energy Management System, interior and exterior LED lighting retrofit, and step-down transformer upgrades; in Hardy Elementary School, install boiler 3-way valve for building hot water temperature and exterior LED lighting retrofit; and interior and/or exterior LED lighting retrofits in four schools and two municipal facilities	X	
	July-17	\$179,698	to fund energy conservation measures in municipal facilities including town vehicle fleet, Brackett School, Dallin School, and Ottoson School. The energy conservation measures funded by this grant are: LED lighting upgrades, gym air handler variable frequency drive and controls, and purchase of electric vehicles	X	
	July-18	\$210,290	to fund energy conservation measures, floating head control, door weatherization, LED lighting, and electric vehicle acquisition, in municipal facilities including Ed Burns Arena, Ottoson, Bishop, Hardy and High Schools, and town vehicle fleet	X	
	August-19	\$98,052	to fund energy conservation measures, LED lighting, interior and exterior , in municipal facilities including Ottoson Middle School, Jefferson Cutter House, and Bishop Elementary School	X	
	August-20	\$100,000	to fund energy conservation measures, LED lighting, in municipal facilities including Hardy and Peirce Schools	X	
Ashburnham	12/3/14	\$150,825	to fund energy conservation measures, HVAC assessment, lighting, HVAC upgrades, weatherization, and DHW upgrade, in municipal facilities including Stevens Library, Public Safety, and Town Hall	X	6,346
	July-17	\$217,300	to fund energy conservation measures in municipal facilities including Stevens Memorial Library. The energy conservation measures funded by this grant are installation of heat pumps, an oil to electric fuel conversion	X	
	August-19	\$20,254	to fund energy conservation measures, heat pump water heating system and EV charging station, in municipal facilities including Public safety Building and vehicle fleet infrastructure	X	
	August-20	\$10,620	to fund energy conservation measures, demand flow control system and hybrid vehicle purchase, in municipal facilities including Stevens Memorial Library and town vehicle fleet	X	
Ashby	12/18/13	\$133,350	to fund administrative costs and ASHRAE Level II energy audits for Town Hall, Police and Fire Stations, Library, Highway Building #1 & #2; and implementation of the following energy conservation measures: in Town Hall, Police Station, Fire, and Highway #2, insulation and weatherization measures, and in DPW, exterior storm windows and replacement of garage doors	X	3,234
	July-17	\$100,981	to fund energy conservation measures in municipal facilities including Town Hall and the Public Library. The energy conservation measures funded by this grant are: high efficiency boilers and programmable thermostats	X	
	August-19	\$114,353	to fund energy conservation measures, insulation, LED lighting, storm windows, refrigeration upgrades, and administrative costs, in municipal facilities including Highway Building #1, Library, Elementary School	X	
Ashfield	12/20/11	\$141,025	to fund energy conservation measures in municipal facilities including DPW Garage, Town Hall, Fire Station, Library, WWTP and Police. The energy conservation measures funded are: weatherization, lighting, furnace replacement and fuel conversion, HVAC upgrades, tankless water heaters, and energy audits	X	1,734
	August-19	\$24,453	to fund energy conservation measures, EMS repair and upgrade, weatherization, hybrid vehicle purchase, certification training, and administrative costs, in municipal facilities including Town Garage, Library, Police Dept.	X	
Ashland	7/24/12	\$164,325	to fund technical assistance by Owner's agent for energy savings performance contract, administrative grant management costs and the following energy conservation measures: an LED streetlight pilot project for Main Street; replacement of the hot water system at the Middle School; and exterior lighting upgrades at the Middle, Warren, Mindless, and Pittaway schools, the DPW, Public Library, Community Center Pavilion, Fire Headquarters, Center Street Fire Station, and Police Station.	X	17,739
	July-14	\$250,000	to fund conversion of streetlights to LED technology	X	
	July-16	\$224,100	to fund installation of a new energy efficient boiler at Mindess School	X	
	August-20	\$70,976	to fund energy conservation measures, LED lighting and EV charging station, in municipal facilities including Town Hall and town vehicle infrastructure	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Athol	5/25/10	\$171,523	to fund energy efficiency improvements at the senior center and fire #2 station, energy modeling and a renewable energy district energy heating and cooling alternatives study for a shared system for town hall and library, a new propane furnace at the South Street Well Process building, streetlight replacements with energy efficient LED technology, a solar hot water system at the fire #2 station, and some grant administrative costs.	X	11,753
	July-13	\$232,349	to fund an energy management system for the DPW garage and Water Treatment Facility and a variable refrigerant flow HVAC system at the Public Library	X	
	July-15	\$71,962	to fund the following energy conservation measures: weatherization measures, pipe insulation and boiler temperature reset controller for the heating hot water system at the Millers River Environmental Center; weatherization measures and pipe insulation for the heating hot water system at the DPW Highway Garage; exterior lighting retrofits to LEDS at the Fire Station; and interior and exterior lighting retrofits to LEDS at the Police Station	X	
	July-18	\$116,762	to fund energy conservation measures, LED lighting upgrades and heating efficiency improvements, in municipal facilities including DPW Compound, Police Station, and Town Hall	X	
	August-20	\$22,036	to fund energy conservation measures, EV charging station and LED lighting, in municipal facilities including Miller's River Environmental Center, Animal Control Facility, and town vehicle infrastructure		
Attleboro	2/3/20	\$244,370	to fund energy conservation measures, lighting, RTU with gas heat, and energy management system, in municipal facilities including Sports Complex, Fred Briggs Pool, South Attleboro and Twin Village Fire Stations, and City Hall		45,117
Auburn	7/24/12	\$165,550	to fund administrative costs and the following energy conservation measures: an interior lighting retrofit, freezer/cooler controls, an upgrade of the EMS system and HVAC systems including installation of VFDs and exhaust fans in the High School; interior lighting retrofits in Fire, Highway, Police, Town Hall and the Library; and building envelope improvements in Town Hall, Town Manager's Office, Library, and Fire Headquarters.	X	16,782
	July-15	\$157,095	to fund the following energy conservation measures: at Town Hall, an oil to natural gas heating system conversion, mechanical upgrades and installation of an energy management system; and at the Police Station, installation of variable frequency drives	X	
	July-16	\$184,549	to fund energy conservation measures, heating system controls, variable frequency drives, lighting, and weatherization, in municipal facilities including High School, Public Library, and three schools	X	
	July-17	\$213,804	to fund energy conservation measures in municipal facilities including Auburn High School, Bryn Mawr Elementary School, and the Public Library. The energy conservation measures funded by this grant are: lighting upgrade, retro-commissioning, steam trap replacement, and building automation system and rooftop unit CO2 controls	X	
	July-18	\$229,599	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	August-20	\$68,020	to fund energy conservation measures, AHU upgrade and VFDs, motors and control valves, in municipal facilities including Middle School		
Ayer	7/19/11	\$151,175	to fund energy conservation measures, administrative intern, HVAC heating upgrade, VFD on well pump, thermostat conversion to DDC and sensors, smart strips, lighting, LED streetlights, in municipal facilities including streetlight, Police Dept., WWTP, Spectacle Pond well, and Town Hall	X	8,164
	July-16	\$152,875	to fund the following energy conservation measures: a town wide LED streetlight conversion; installation of a variable frequency drive on Spectacle Pond Well 1 pump; and interior and/or exterior lighting upgrades at three municipal facilities	X	
	August-19	\$174,576	to fund energy conservation measures, energy management system, boiler, LED lighting, variable frequency drive and certification training, in municipal facilities including Library, Police Station, Town Hall, and Wastewater Treatment Plant	X	
Barre	12/20/11	\$143,575	to fund energy conservation measures, design services, administrative costs, No Idle signs, lighting, weatherization, building automation system, variable frequency drives and motors, in municipal facilities including Fire Stations #1 & #2, Woods Memorial Library, and Administration Building	X	5,592
	July-17	\$116,136	to fund energy conservation measures, lighting and administrative support, in municipal facilities including Town Offices, Town Hall, Public Library, Station #1, Station #2, Senior Center, Well #3, and DPW	X	
	July-18	\$33,383	to fund EV charging station and fuel conversion (oil 2 electric) and administrative costs in Fire Station 1 and vehicle infrastructure	X	
	August-19	\$96,976	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall, Woods Memorial Library, and Senior Center	X	
Becket	5/25/10	\$141,326	to fund energy conservation measures, energy audits, weatherization, lighting, fuel conversion, design services, in municipal buildings including Town Hall and Highway Garage	X	1,730
	August-20	\$31,600	to fund energy conservation measures, weatherization and heat pump, in municipal facilities including Fire Station #1 and #2	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Bedford	7/19/11	\$148,150	to fund energy conservation measures at the Department of Public Works and multiple school buildings, including energy efficiency lighting and variable frequency drives on heating circulation pumps.	X	14,195
	July-13	\$199,778	to fund phase one of a streetlight upgrade to LED technology	X	
	July-15	\$238,415	to fund energy conservation measures, streetlight conversion, HVAC controls, variable frequency drives, and demand control ventilation, in municipal facilities including Police Dept, Public Library, and Davis Elementary and John Glenn Middle Schools	X	
	July-18	\$212,995	to fund energy conservation measures, LED lighting upgrades, in municipal facilities including Town Center and Davis Elementary School	X	
	August-19	\$182,330	to fund energy conservation measures, lighting, in municipal facilities including Lane Elementary School, John Glenn Middle School, and Bedford High School	X	
Belchertown	5/25/10	\$160,917	to fund the buy-down of an energy management services contract for municipal buildings; specifically implementation cost of a comprehensive direct digital controlled energy management system at Chestnut Hill Elementary School.	X	15,134
	July-15	\$51,338	to fund the installation of an Electronic Fuel Management System and software for municipal vehicles and establishment of a behavioral-based program and the following energy conservation measures: at the Old Town Hall, installation of a new efficient boiler; and installation of new exterior storm windows at the Freedom Center Building and Recreation Center Building	X	
	July-17	\$193,962	to fund energy conservation measures in fourteen municipal facilities. The energy conservation measures funded by this grant are LED lighting conversions	X	
	July-18	\$46,897	to fund energy conservation measures, HVAC heat pump system and LED lighting, in municipal facilities including Family Center	X	
	August-19	\$79,460	to fund energy conservation measures, boiler replacement, in municipal facilities including Belchertown High School	X	
Bellingham	2/3/20	\$166,630	to fund energy conservation measures, interior and exterior lighting and project management costs, in municipal facilities including Bellingham High School		17,182
Belmont	12/3/14	\$151,850	to fund energy conservation measures, EMS upgrades and retrocommissioning, in municipal facilities including Belmont High and Cheney Middle Schools	X	26,330
	July-17	\$250,000	to fund energy conservation measures, boiler replacements, retro-commissioning controls, and weatherization, in municipal facilities including Burbank and Butler Schools, and Public Library	X	
Berlin	7/24/12	\$140,350	to fund the following energy conservation measures: at the Memorial School, building envelope improvements and an HVAC energy management system; at Public Safety/Town Offices, installation of an AHU-1 economizer and upgrade of HVAC energy management system; and at Town Hall, replacement of refrigerator.	X	3,220
	July-14	\$120,962	to fund energy conservation measures in Town Hall, Berlin Memorial School, and the Municipal/Public Safety Building	X	
	July-16	\$123,211	to fund the following energy conservation measures: at Berlin Memorial School, building weatherization, UV and HVAC cleaning, retro-commissioning, and analytics software; and at the Municipal Building, retro-commissioning, and analytics software	X	
	August-19	\$69,635	to fund energy conservation measures, LED lighting and certification training, in municipal facilities including Memorial School	X	
Bernardston	12/22/15	\$131,290	to fund energy conservation measures, lighting, boiler, hot water unit, and mini-splits, in municipal facilities including Library, Fire Station; Town Hall; Council of Aging; and DPW Garage	X	2,114
Beverly	12/20/11	\$206,285	to fund an energy management system and ventilation and air conditioning and equipment upgrades at multiple schools.	X	42,312
	July-13	\$205,219	to fund the following energy conservation measures: in North Beverly Elementary School, upgrades to the air conditioning and heating plant systems, and unit ventilator controls; and in Beverly Commons Park, an LED streetlight retrofit	X	
	July-14	\$239,790	to fund energy conservation measures in McKeown Elementary School	X	
	July-15	\$128,455	to fund the following energy conservation measures: continuing commissioning software and consulting services at Beverly High School and a heating plant system upgrade at Cove Elementary School	X	
	July-16	\$195,143	to fund energy conservation measures, lighting, HVAC controls, variable frequency drives, HVAC DDC and DCV improvements, in municipal facilities including High School Field House and Hannah Elementary School	X	
	July-17	\$250,000	to fund energy conservation measures in municipal facilities including town wide streetlights. The energy conservation measures funded by this grant are a streetlight LED retrofit	X	
	August-20	\$62,535	to fund energy conservation measures, EMS upgrade, in municipal facilities including Cove Elementary School	X	
Billerica	12/27/18	\$225,098	to fund energy conservation measures, streetlight conversion to LED technology, in municipal facilities including streetlights	X	43,784

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Blackstone	12/18/13	\$151,075	to fund energy conservation measures, interior and exterior lighting, DHW heater, and weatherization, in municipal facilities including Municipal Center and Library	X	9,326
	8/27/20	\$38,340	to fund energy conservation measures, EV charging station, LED lighting and administrative assistance, in municipal facilities including Public Library and town vehicle infrastructure		
Blandford	2/1/17	\$131,061	to fund energy conservation measures, lighting and variable frequency drives, in municipal facilities including Town Hall, Water Treatment Plant, Highway Garage, Library, Post Office, Historical Building	X	1,260
	8/27/20	\$110,764	to fund energy conservation measures, EMS, weatherization and administrative assistance, in municipal facilities including Town Offices and Library	X	
Bolton	2/1/17	\$141,060	to fund energy conservation measures in municipal facilities including Bolton Public Library and Florence Sawyer Elementary School, energy conservation measures funded are: boiler and primary pump replacement and weatherization	X	5,376
	August-19	\$220,668	to fund energy conservation measures, building automation system upgrade, LED lighting, and weatherization, in municipal facilities including Florence Sawyer Elementary School and Public Safety Building	X	
Boston	12/16/10	\$1,000,000	to fund the following energy conservation measures: auto igniters for natural gas streetlights, lighting controls at municipal ball fields, and an upgrade of the energy management system for Copley Library and four library branches.	X	694,583
	July-13	\$143,052	to fund administration costs and the installation of energy management systems in eight branch libraries	X	
	July-15	\$85,975	to fund the installation of indirect, active solar thermal domestic hot water systems at Engine 07, Engine 09, and the Fire Academy		
Boxford	12/27/18	\$131,640	to fund energy conservation measures, weatherization, infrared heaters, air source heat pump, and RTU replacement, in municipal facilities including Police Station, West Fire and East Fire stations	X	8,367
	8/27/20	\$200,000	to fund energy conservation measures, heat pump with fuel conversion and hybrid vehicle purchase, in municipal facilities including Town Hall and town vehicle fleet		
Braintree	4/7/21	\$202,590	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		37,250
Brewster	2/3/20	\$150,270	to fund energy conservation measures, energy manager, programmable thermostats, variable frequency drive, energy management system with DCV, heat pump water heater, demand control ventilation, economizer, heat pumps, and lighting, in municipal facilities including Town Hall, Natural Resources, Police, Council on Aging, and Ladies Library		9,806
Bridgewater	12/20/11	\$200,800	to fund energy conservation measures, energy audits, lighting, building control upgrade, vending misers, in municipal facilities including Police Station, Library, and Fire Substation	X	27,395
	July-15	\$217,630	to fund energy conservation measures, PLC control system upgrades, motors and VFDs, lighting, thermostats, EMS controls, in municipal facilities including DWTP main office, pump rooms, wells, Senior Center, Fire Station 2, Public Library, and Police Station	X	
	July-16	\$197,070	to fund energy conservation measures, administrative costs, weatherization, mechanical insulation, thermostats, destratification fans, LED lighting, variable frequency drives, energy management system, in municipal facilities including Memorial Building, Highway Dept., Golf Course, Library, Wastewater Treatment Plant, Fire Station 1, Senior Center and Police Station	X	
	July-17	\$171,291	to fund energy conservation measures, thermostats, weatherization, variable frequency drives, energy management system upgrades, destratification fans, and boiler replacement, in municipal facilities including Town Hall, Olde Scotland Links Golf Course, DPW/Highway, Library, and Senior Center	X	
	July-18	\$21,600	to fund energy conservation measures, electric vehicle acquisition, electric vehicle charging stations, and administrative costs, in municipal facilities including town vehicle fleet	X	
	August-19	\$200,000	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
Brimfield	12/28/17	\$134,500	to fund energy conservation measures in municipal facilities including Brimfield Elementary School, measures funded are: HVAC upgrade, lighting, weatherization, mechanical insulation and administrative assistance	X	3,772
Brockton	2/1/17	\$526,000	to fund energy conservation measures, lighting upgrades to LEDs including controls, in municipal school facilities including Brockton High, North, Downey, East Middle, Ashfield, Hancock, Kennedy, Gilmore, Huntington, and Keith schools	X	95,777
	August-19	\$239,310	to fund energy conservation measures, LED lighting, certification training, and administrative and technical support, in municipal facilities including Davis Elementary School, Brockton High School, Raymond Elementary School, and School Administration Building	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Brookline	7/19/11	\$215,050	to fund energy conservation measures, feasibility study for solar PV, engineering services, LED Streetlight conversion, interior and exterior LED lighting upgrades, jockey boilers, and grant administration costs, in municipal facilities including Main and Coolidge Corner Libraries, and Pierce, Lawrence and Brookline High Schools	X	59,310
	July-15	\$214,840	to fund the following energy conservation measures: interior lighting retrofit with LEDs at Brookline High School and the Tappan Street Gym and Pool; and conversion of exterior lighting in town parks and open spaces to LEDs	X	
	July-16	\$145,363	to fund the following energy conservation measures: a streetlight LED conversion at the Emerald Necklace Park-Rt 9 Crossing; and interior LED lighting upgrades at Driscoll School, the Senior Center, and the Eliot Recreation Center	X	
	July-17	\$233,247	to fund energy conservation measures, lighting lamp and ballast retrofits, kitchen exhaust upgrades, electric vehicle charging stations, and LED streetlight conversion, in municipal facilities including Coolidge Corner and Putterham Library branches, Baker School, Heather School, and Brookline High School	X	
	August-19	\$212,537	to fund energy conservation measures, LED lighting, in municipal facilities including Public Safety Building, Public Health Center, Main Library, New Lincoln School, and Soule Recreation Center	X	
Buckland	7/19/11	\$134,150	to fund consultant services for development of bid documents and project oversight of a two-phase project in Town Hall; building envelope improvements including insulation and siding, and mechanical retro-commissioning of existing HVAC system	X	1,875
	July-17	\$69,236	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Police Station	X	
	July-18	\$26,325	to fund energy conservation measures, window inserts and administrative costs, in municipal facilities including Police Station and Town Hall	X	
	August-19	\$41,339	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including municipally owned streetlights	X	
Burlington	2/3/20	\$172,250	to fund energy conservation measures, rooftop unit replacement, in municipal facilities including Public Library	X	28,742
Cambridge	5/25/10	\$283,770	to fund energy conservation measures, HVAC upgrades, lighting, and energy revolving fund in municipal facilities, including Haggerty School, Area IV and Frisoli Youth Centers, Solomon Garage, High School, Morse Elementary School, and DPW	X	118,977
	July-12	\$98,043	to fund efficiency upgrades to the Heating Ventilation and Air Conditioning system and the Energy Management system at the Peabody School and Gately Youth Center.	X	
	July-13	\$234,888	to fund an engineering design and the following energy conservation measures at the Citywide Senior Center; replacement and commissioning of three air handling units and installation of an energy management system.	X	
	July-17	\$250,000	to fund energy conservation measures in municipal facilities including Lombardi Building and vehicle fleet. The energy conservation measures funded by this grant are: air handling unit replacement and expanded building management system controls, and vehicle hybrid retrofits	X	
	July-18	\$218,950	to fund energy conservation measures, vehicle hybrid retrofits and idle reduction technologies, in municipal facilities including city vehicle fleet		
Canton	12/28/17	\$158,315	to fund energy conservation measures in municipal facilities including Town Hall, Luce School, Kennedy School, Canton High School, Hansen School, and Galvin School, measures funded are LED lighting	X	23,629
	August-19	\$206,681	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Central Fire Station, Fire Station 2, Hanson Elementary School, Dean Luce Elementary School	X	
	August-20	\$200,000	to fund energy conservation measures, EMS replacement and LED lighting, in municipal facilities including Town Hall, Hansen and Luce Elementary Schools	X	
Carlisle	7/19/11	\$139,300	to fund energy conservation measures, education program for high schoolers, solar PV roof array, energy management system, exterior parking lighting, lighting controls, plug load controls, vending misers, in municipal facilities including Town Hall, Carlisle Public Schools, and various municipal buildings	X	5,247
	July-14	\$48,763	to fund energy conservation measures in three municipal buildings, Gleason Library, and Carlisle School	X	
	July-15	\$116,059	to fund energy conservation measures, HVAC controls, retro-commissioning, lighting with controls, refrigeration controls, variable frequency drives, water heater, and an electricity to natural gas heating system conversion, in municipal facilities including Gleason Library, Town Hall, Carlisle School, and Brick Building	X	
	July-16	\$197,267	to fund energy conservation measures, interior and exterior lighting, heat pump, faucet aerators, thermostats, weatherization, in municipal facilities including town-owned streetlights, WWTP, Town Hall, and DPW	X	
	July-18	\$171,968	to fund energy conservation measures, HVAC improvements, sensors and controls, LED lighting with controls, de-stratification fans, control valves and electronically commutated motor, anti-idle technology, and electric vehicle charging station, in municipal facilities including Spalding and Carlisle Schools, Town Hall, DPW, Gleason Library, and town vehicle fleet	X	
Carver	2/3/20	\$157,670	to fund energy conservation measures, interior and exterior LED lighting, in municipal facilities including Middle High School, Public Library, Carver School Administration Building and Operations & Maintenance Garage	X	11,777

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Charlemont	12/27/18	\$129,074	to fund energy conservation measures, boiler upgrade, weatherization, lighting, and energy conservation measures to be determined, in municipal facilities including Highway Garage, Town Hall, and Fire Station		1,245
Charlton	2/1/17	\$166,570	to fund energy conservation measures, boiler replacement, weatherization, energy management system, and an EV charging station, in the town vehicle infrastructure, Police Dept., Activity Center, and Town Hall	X	13,697
	August-19	\$190,334	to fund energy conservation measures, lighting, variable frequency drives, motors, blowers and administrative and technical support, in municipal facilities including Library, Town Hall, and Wastewater Treatment Plant	X	
Chatham	2/3/20	\$134,040	to fund energy conservation measures, LED lighting, AC outdoor condensers, AHUs with energy management system, RTU controls, variable frequency drives, and administrative costs, in municipal facilities including Library, Community Center, DPW, and Town Annex		6,160
Chelmsford	5/25/10	\$187,224	to fund a 30 kilowatt (kW) roof-mounted solar photovoltaic (PV) system at the Parker Middle School.	X	35,313
	July-14	\$128,732	to fund replacement of rooftop unit at the High School	X	
	July-15	\$178,400	to fund energy conservation measures, energy management system and EMS modifications, in municipal facilities including Center Elementary and McCarthy Middle schools, Senior Center, and Library	X	
	July-16	\$242,735	to fund energy conservation measures, LED lighting, Havoc control and integration, weatherization, and pneumatic to DDC, in municipal facilities including McCarthy Middle, Center Elementary, and Chelmsford High schools	X	
	July-17	\$196,114	to fund energy conservation measures, energy analytics software, LED lighting and retro-commissioning, in municipal facilities including Chelmsford High School, Senior Center, and Police Station	X	
	July-18	\$188,009	to fund energy conservation measures, chiller replacement, LED lighting, and HVAC upgrades, in municipal facilities including Police Station, Senior Center, and CPS Administration	X	
	August-19	\$89,297	to fund energy conservation measures, building automation system expansion and weatherization, in municipal facilities including Police Station and North Town Hall	X	
	August-20	\$100,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Town Offices and McCarthy Middle School	X	
Chelsea	2/1/17	\$312,460	to fund energy conservation measures, engineering study for chiller, lighting, boiler, and steam trap replacement, in municipal facilities including Police Station, E911 Ops Center, Central and Engine #1 Fire Stations, City Hall, High School, Library, and DPW Garage	X	40,160
	8/27/20	\$140,000	to fund energy conservation measures, boiler replacement, DDC controls, VFD, and LED lighting, in municipal facilities including City Hall and Senior Center	X	
Cheshire	2/3/20	\$134,040	to fund energy conservation measures, LED crosswalk signage, Solar powered trash cans, EV charging station, weatherization, heat pump DHW heater, vend miser, boiler, programmable thermostats, and lighting, and energy conservation measures to be determined, in municipal facilities including Community Center, Elementary School, Town Hall, DPW Garage, Fire Station and vehicle infrastructure		3,144
Chester	12/28/17	\$130,170	to fund energy conservation measures in municipal facilities including Highway Department, Water Treatment Plant, and Fire Station #1, measures funded are: solar PV arrays, heat pump systems, insulation, and administrative support		1,384
Chesterfield	12/20/11	\$140,000	to fund energy conservation measures, energy audits, pilot residential Clean Energy Fund, administrative support, heating system upgrades, window/door replacement, weatherization, waste oil furnace, and water heater, in municipal facilities including Fire House, Senior Center, and Highway	X	1,258
Chicopee	2/1/17	\$367,160	to fund energy conservation measures, lighting, lighting controls, and building management system, in municipal facilities including City Hall and City Hall Annex		55,582
Chilmark	2/3/20	\$126,430	to fund energy conservation measures, mini-split heat pump and administrative costs, in municipal facilities including Elementary School		917
Clarksburg	2/1/17	\$141,590	to fund energy conservation measures in municipal facilities including Town Hall and Clarksburg Elementary School, measures funded are: LED lighting, attic and mechanical insulation, and furnace replacement	X	1,650
Clinton	4/7/21	\$164,753	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		14,022

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Cohasset	12/22/15	\$141,460	to fund exterior lighting retrofits in three schools and one municipal facility	X	8,541
	July-17	\$166,215	to fund energy conservation measures, optimization, demand control ventilation, and motors and variable frequency drives, in municipal facilities including Middle-High and Deer Hill Elementary Schools, and Police-Fire Station	X	
	August-19	\$193,122	to fund energy conservation measures, boiler, heaters, lighting, air sealing and administrative costs, in municipal facilities including Middle/High School, Water and Wastewater Treatment Plants, and Fire / Police Station	X	
	August-20	\$135,298	to fund energy conservation measures, BMS controls integration, boiler and DHW boiler replacement, EV charging station, and administrative assistance, in municipal facilities including Middle/High School, Library, and town vehicle infrastructure	X	
Colrain	12/27/18	\$129,880	to fund energy conservation measures, solar PV installations, project management, and energy conservation measures to be determined in municipal facilities including Highway Dept. and Transfer Station		1,677
Concord	12/18/13	\$147,400	to fund a high efficiency condensing boiler, hot water heater and building controls upgrades, and an LED streetlight conversion at Peabody School and town streetlights	X	19,211
	July-15	\$244,000	to fund the installation of four new efficient condensing boilers to upgrade the heating system at Sanborn Middle School	X	
	July-16	\$178,306	to fund the following energy conservation measures: LED lighting upgrade at four schools and four facilities; and individually tuned LEDs implemented by Concord Municipal Light and Power	X	
	July-18	\$116,557	to fund LED lighting, electric vehicle acquisition, hybrid vehicle conversion, and building management system, in municipal facilities: 55 Church St, Public Works, HWCC, Water & Sewer, Town House, and Hunt Recreation Ctr	X	
	August-19	\$138,885	to fund energy conservation measures, hybrid upfit, EV charging stations, HVAC upgrade, building control upgrade, pool cover, lighting, and streetlights in municipal facilities including Beede Swim & Fitness Center and Fire/Police HQ	X	
Conway	7/24/12	\$139,650	to fund energy conservation measures, consultant services, weatherization study, lighting, and weatherization, in municipal facilities including Town Hall	X	1,892
Cummington	12/28/17	\$127,245	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		878
Dalton	12/3/14	\$142,725	to fund energy conservation measures, energy audits, consulting services, vehicle purchases, streetlight audit, lighting, building control upgrade, weatherization, and DHW heater, in municipal facilities including Town Hall, library, Senior Center, and Cemetery garage	X	6,569
	July-18	\$238,726	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	August-20	\$30,030	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Senior Center, DPW Garage, and Cemetery Office		
Dartmouth	2/1/17	\$223,750	to fund a conversion from oil to natural gas fuel with the installation of new condensing boilers and indirect water heaters in Dartmouth High School and decorative post-top streetlights around parking lot of Council of Aging	X	34,307
	July-18	\$232,504	to fund energy conservation measures, pipe insulation, steam trap insulation, LED lighting, weatherization, and boiler replacement, in municipal facilities including Town Hall, Maintenance Garage, Potter, DeMello, Middle, High, Cushman, and Quinn Schools, Southworth Library, DCTY Headquarters, and Administration Building	X	
	August-20	\$200,000	to fund energy conservation measures, heating system fuel conversion, LED lighting, and weatherization, in municipal facilities including Middle School, Smith Neck Recreation Center, Community TV, Oxford Creamery, and Council on Aging	X	
Dedham	12/16/10	\$179,800	to fund replacement of streetlights with LED technology.	X	25,334
	July-14	\$248,634	to fund conversion of streetlights to LED technology	X	
Deerfield	7/19/11	\$142,950	to fund consultant services to study replacement of windows at Town Hall, a Community Energy Conservation Project, installation of three pole-mounted Solar PV arrays at the Old Deerfield Wastewater Treatment Plant, and the following energy conservation measures: installation of street light modifications and midnight shut offs via photocells and at the Elementary School, installation of walk-in refrigeration controls and variable frequency drives	X	5,042
	July-18	\$166,082	to fund energy conservation measures, LED lighting, condensing boilers, fresh air system improvements, faucet aerators, refrigerator repair, and administrative costs, in municipal facilities including Elementary School	X	
	August-20	\$165,754	to fund energy conservation measures, LED streetlights, EV charging station, and hybrid vehicle purchase, in municipal facilities including town owned streetlights, town vehicle fleet and infrastructure		
Dennis	2/3/20	\$160,170	to fund energy conservation measures, indirect hot water heater, weatherization, Wi-Fi thermostats, lighting, and energy conservation measures to be determined, in municipal facilities including Golf Club House, and Senior Center		13,885
Dighton	12/27/18	\$143,636	to fund energy conservation measures, lighting, controls, and weatherization, in municipal facilities including Senior Center, Public Library, Main and North Fire Stations, Town Hall, Old Town Hall, Middle and Elementary Schools, and Highway Garage		7,891

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Douglas	12/28/17	\$145,940	to fund energy conservation measures in municipal facilities including municipally owned streetlights, measures funded are LED streetlight conversion and administrative support	X	8,954
	August-19	\$220,989	to fund energy conservation measures, HVAC improvements and air source heat pump, weatherization, LED lighting, and administrative support, in municipal facilities including Police Station, Municipal Center and Primary School	X	
Dover	2/1/17	\$137,145	to fund the following energy conservation measures in Dover Town Hall, Protective Services, Chickering School, the Public Library, and Highway Department: conversion of interior and exterior lighting to LEDs	X	6,101
	August-19	\$109,142	to fund energy conservation measures, weatherization, HVAC upgrades, and LED streetlight conversion , in municipal facilities including Protective Services, Town Hall, Library, and municipally-owned streetlights	X	
Dracut	12/27/18	\$205,137	to fund energy conservation measures, lighting and lighting controls, and energy conservation measures to be determined, in municipal facilities including Richardson Middle School, Englesby Elementary School, Council on Aging, Fire Station 2, Parker Library and Police Dept.		31,747
Dudley	12/3/14	\$169,800	to fund energy conservation measures, lighting, EMS, VSD and motors, HVAC upgrades, IdleRight, administrative costs, and measures to be determined, in municipal facilities including Municipal Complex, Police and Highway	X	11,802
	8/27/20	\$191,170	to fund energy conservation measures, VFD, EMS, LED lighting, weatherization, and administrative assistance, in municipal facilities including Elementary, Mason Road, and Middle Schools, and Municipal Complex	X	
Dunstable	2/3/20	\$130,610	to fund energy conservation measures, streetlight conversion, lighting, weatherization, vehicle purchase, and energy conservation measures to be determined, in municipal facilities including Library, vehicle fleet, Police Station, town-owned streetlights		3,404
Duxbury	12/28/17	\$139,705	to fund energy conservation measures, energy management system with DDC controls and software, in municipal facilities Chandler and Alden Schools	X	15,946
	August-19	\$250,000	to fund energy conservation measures, transformers and variable frequency drives and motors, in municipal facilities including Alden Elementary/ Performance Arts Center, Chandler Elementary, Old Town Hall (Annex) , Evergreen Chemical Treatment Plant, Waste Water Treatment Plant, Damon Pump Station, Free Library, Percy Walker Pool, Steele Athletic Building	X	
	August-20	\$161,105	to fund energy conservation measures, EV charging station, boiler replacement, and weatherization, in municipal facilities including Free Library, Alden and Chandler Schools, and town vehicle infrastructure		
Easthampton	5/25/10	\$174,985	to fund replacement of streetlights with LED technology	X	15,987
	July-14	\$147,653	to fund energy conservation measures, weatherization, mechanical insulation, HVAC controls, efficient motors, steam trap repair, in municipal facilities including White Brooke Middle, Pepin, Maple and Center Elementary Schools	X	
	August-19	\$68,700	to fund energy conservation measures, EV charging station, HVAC improvements and furnace replacement, in municipal facilities including Wastewater Treatment Facility, Lovefield Street Pump Station, and vehicle infrastructure	X	
Easton	12/16/10	\$168,300	to fund energy conservation measures, RTUs, HVAC upgrades, and lighting, in municipal facilities including Fire/Police Station, Town Hall, Water Division Garage, and Middle and High Schools	X	25,050
	July-13	\$250,000	to fund insulated garage door retrofit at the DPW/Fire facility and an LED streetlight project	X	
	July-15	\$200,000	to fund the following energy conservation measures: an upgrade of the energy management systems at Easton Middle and Oliver Ames High Schools	X	
	July-17	\$127,456	to fund energy conservation measures, refrigeration upgrades, and DHW and HVAC upgrades, in municipal facilities including Fire Station # 1 & #2	X	
	August-19	\$168,189	to fund energy conservation measures, variable refrigerant flow system, weatherization, and LED lighting, in municipal facilities including Frothingham Hall	X	
Egremont	12/22/15	\$138,570	to fund energy conservation measures, roof-mounted PV solar, weatherization, lighting, window inserts, and fuel conversion HVAC upgrade, in municipal facilities including Police, Highway Garage, Fire #1 & #2, Library, Water, Town Hall and Transfer Station	X	1,208
	July-18	\$7,635	to fund energy conservation measures, refrigerator replacement and hot water heater replacement, in municipal facilities including Town Hall and Free Library	X	
Erving	2/1/17	\$142,905	to fund energy conservation measures, lighting, hybrid vehicle purchase, and EV charging station installations, in municipal facilities including Senior Center and Police		1,774
Essex	12/22/15	\$130,270	to fund energy conservation measures, weatherization, fuel conversion, heat pumps, storm windows (part of large renovation), in municipal facilities including Town Hall and Library Complex	X	3,789
	July-17	\$176,145	to fund energy conservation measures, lighting, BAS baseline, and steam traps, in municipal facilities including Essex Elementary School	X	
	July-18	\$155,039	to fund energy conservation measures, BAS expansion and LED lighting, in municipal facilities including Elementary School	X	
	August-19	\$28,929	to fund energy conservation measures, streetlight conversion, in municipal facilities including town-owned streetlights	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Everett	12/3/14	\$307,175	to fund administrative costs and conversion of the city's streetlights to LED technology	X	46,880
Fairhaven	12/27/18	\$174,535	to fund energy conservation measures, energy management system upgrade and lighting in municipal facilities including Council on Aging/Recreation Center, and Fairhaven High School	X	16,094
Falmouth	4/7/21	\$188,214	Applicant period for grant projects is currently open; projects to be determined		31,019
Fitchburg	2/1/17	\$306,265	to fund energy conservation measures, lighting, control ventilation, DHW boiler, HVAC controls, weatherization, variable frequency drives and motors, infrared heaters, and streetlight conversion, in municipal facilities including streetlights, Longsgo Middle School, DPW, and Water Plants	X	40,882
	August-19	\$248,564	to fund energy conservation measures, lighting, in municipal facilities including Fitchburg High School, South Street Elementary and Longsgo Middle Schools	X	
Framingham	12/18/13	\$301,900	to fund a lighting design study for the Main Library and lighting conversion to LED fixtures throughout the Library	X	73,123
	July-16	\$250,000	to fund the following energy conservation measures: at the Callahan Senior Center, rooftop unit (RTU) replacement; and at the Police Dept., RTU and chiller replacement with energy efficient equipment	X	
	July-18	\$100,000	to fund energy conservation measures, boiler replacement and HVAC improvements, in municipal facilities including Fire Headquarters	X	
	August-19	\$211,305	to fund energy conservation measures, HVAC system improvements, energy management systems, LED lighting, mechanical insulation, and variable frequency drive, in municipal facilities including Fire Station 1, Fire Station 7, Cushing Maintenance Facility, Parks & Recreation multiple facilities, Cushing Academy & Cushing Middle Facility, Stapleton Elementary School, Juniper Hill Elementary School, and Walsh Middle School	X	
	August-20	\$200,000	to fund energy conservation measures, refrigeration upgrade, heat recovery unit upgrade, kitchen hood controls rooftop unit upgrade and steam trap upgrade, in municipal facilities including Barbieri, Cameron Middle, Walsh Middle, and High School	X	
Franklin	12/28/17	\$183,020	to fund energy conservation measures in municipal facilities including municipally owned streetlights, measures funded are LED streetlight conversion	X	33,230
	8/27/20	\$30,000	to fund energy conservation measures, EV vehicle purchase and EV charging station, in municipal facilities including town vehicle fleet and infrastructure		
Gardner	12/16/10	\$206,100	to fund energy conservation measures, solar PV assessments for sites, heating system evaluation, several HVAC upgrades, air sealing, and window replacements, in municipal facilities including High School, Senior Center, and City Hall	X	20,719
	July-15	\$72,850	to fund storm window replacement in City Hall Annex	X	
	July-18	\$95,257	to fund energy conservation measures, pump rebuild and VFDs, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including Water Treatment Facility and city vehicle fleet	X	
	August-20	\$12,873	to fund energy conservation measures, LED lighting, in municipal facilities including Snake Pond Water Treatment and Town Wastewater Treatment Plants		
Georgetown	2/3/20	\$140,270	to fund energy conservation measures, weatherization, in municipal facilities including Public Safety and School Garage and Town Hall		8,773
Gill	7/24/12	\$139,900	to fund an Energy Saving Campaign for residents, installation of idle reduction units on one vehicle, installation of bike racks at five facilities, energy audits assessing heat pump systems at three facilities, a geothermal feasibility study at Town Hall and the following energy conservation measures: at Town Hall, installation of attic insulation and an electric hot water heater; at Riverside Municipal Building, installation of attic and wall insulation, a heating system conversion from oil to electric air source heat pump, and restoration of two windows; at historic Slade Library, window inserts for all the windows; and purchase and conversion of streetlights to LED	X	1,489
	July-18	\$68,465	to fund energy conservation measures, insulation, lighting, air source heat pump, window inserts, and administrative costs, in municipal facilities including Slate Memorial Library, Town Hall, and Riverside Municipal Building	X	
	August-20	\$53,400	to fund energy conservation measures, air source heat pump and EV charging station, in municipal facilities including Town Hall and town vehicle infrastructure		

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Gloucester	12/16/10	\$198,200	to fund administrative support, technical services for LED streetlight project, idle right units for 2 vehicles, purchase of an IR camera, and the following energy conservation measures: at O'Maley Middle School, controls upgrades for air handler units; and at the High School, boiler room controls including VFDs for hot water pumps, and upgrades for automation control system; and at the Library, lighting upgrades	X	30,401
	July-14	\$250,000	to fund a energy system upgrade and conversion from oil to gas at O'Maley Middle School	X	
	July-15	\$240,000	to fund a complete city wide LED streetlight conversion	X	
	July-17	\$207,443	to fund energy conservation measures in municipal facilities including Gloucester High School, O'Maley Middle School, and Beeman Elementary School. The energy conservation measures funded by this grant are: retro-commissioning and energy management system	X	
	August-19	\$112,852	to fund energy conservation measures, LED lighting and energy management system improvements, in municipal facilities including Gloucester High School	X	
Goshen	12/3/14	\$141,400	to fund energy conservation measures, lighting, weatherization, solar PV, and administrative costs, in municipal facilities including Town Hall, Fire Hall, Town Offices, and the Highway Garage	X	1,064
Grafton	12/28/17	\$157,485	to fund energy conservation measures, weatherization, lighting, and EMS upgrade, in municipal facilities including Municipal Center, Grafton High School, the new Police Station, and Fire facilities	X	18,885
	August-19	\$165,923	to fund energy conservation measures, LED streetlights, in municipal facilities including streetlights	X	
Granby	7/19/11	\$144,125	to fund administrative costs, a roof mounted 10.3 kW solar PV system for the new library, energy audits for five buildings, purchase of a plug-in hybrid vehicle, electric vehicle charging stations (2) and signage	X	6,347
	July-18	\$248,702	to fund energy conservation measures, plug load controls, retrocommissioning, weatherization, LED lighting, air source heat pump, electronically commutated pumps, pipe insulation, demand control ventilation, wireless thermostats, and administrative costs, in municipal facilities including Highway, Old Library, Safety Complex, Senior Center, and Junior-High School	X	
	August-20	\$195,175	to fund energy conservation measures, heat pump, LED lighting, hot water boiler controls, VFD, pumps, and administrative assistance, in municipal facilities including DPW Highway and Jr./Sr. High School		
Granville	2/1/17	\$139,280	to fund energy conservation measures, lighting, administrative support, and measures to be determined, in municipal facilities including Fire, Highway, Town Hall, and Library		1,624
Great Barrington	7/24/12	\$142,700	to fund energy conservation measures, lighting, retro-commissioning, weatherization, mechanical insulation, and administrative costs, in municipal facilities including Mason and Ramsdell libraries, Police Station, Fire Station, Senior Center, and Town Hall	X	6,852
	8/27/20	\$163,725	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Housatonic Community Center, Town Hall, and Police		
Greenfield	5/25/10	\$202,066	to fund energy conservation measures, lighting and sensors, energy staff position, feasibility study on electrical aggregation, and community energy efficiency program, in municipal facilities including Greenfield Middle School	X	17,460
	July-12	\$40,000	to fund eight residents to receive up to \$5000 toward energy efficiency measures in conjunction with the municipality's Community Development Block Grant Rehab Program for low to moderate income residents.	X	
	July-14	\$199,754	to fund LED streetlight conversion and building envelope improvements in Green River School	X	
	July-17	\$224,610	to fund energy conservation measures, heating and air conditioning system upgrades and rooftop unit replacements, in municipal facilities including Town Hall, Middle and Four Corners Schools	X	
	August-19	\$125,593	to fund energy conservation measures, replace rooftop units, in municipal facilities including Police Dept.	X	
Groton	2/3/20	\$138,830	to fund energy conservation measures, LED lighting, weatherization, appliances, retro-commissioning, EC motors, and administrative costs in municipal facilities including Town Hall, Center Fire Station, Country Club, Public Library, and Police Station	X	11,386
Halifax	12/3/14	\$154,200	to fund the following energy conservation measures at Halifax Elementary School: EMS control of unit ventilators using pneumatic thermostats and an interior lighting retrofit	X	7,890
	August-19	\$135,717	to fund energy conservation measures, LED lighting, weatherization, appliances, and administrative and technical support, in municipal facilities including Highway/DPW Garage, Police Dept., Water Dept., Public Library, Fire Dept., Town Hall, and Council on Aging	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Hamilton	5/25/10	\$144,819	to buy down the cost of an energy savings performance contract for implementation of energy conservation measures at the Town Hall, Council on Aging, Recreation Department and Public Safety Building.	X	8,098
	July-14	\$225,695	to fund a town wide conversion of streetlights to LED technology and exterior lighting retrofits at Town Hall and the Public Safety Building	X	
	July-16	\$224,800	to fund the following energy conservation measures: at Hamilton-Wenham Regional High School/Miles River Middle School Complex, integration of classroom HVAC to the complex' Building Automation System (BAS)	X	
	August-19	\$14,805	to fund energy conservation measures, LED lighting , in municipal facilities including Hamilton Wenham Recreation Center	X	
	August-20	\$110,312	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Public Safety Building and Hamilton Wenham RHS	X	
Hanover	5/25/10	\$148,598	to fund energy conservation measures, hybrid public safety vehicle, steam trap replacement, boiler, exterior doors, in municipal facilities including Salmond School, Town Hall, and Fire Station #4	X	14,517
	July-13	\$194,058	to fund energy conservation measures, refrigeration controls, weatherization, exterior lighting, and retrocommissioning, in municipal facilities including Middle, Cedar, Center, and Sylvester Elementary Schools, Fire and Police Headquarters, Salmond Administration Building, and John Curtis Free Library	X	
	July-14	\$183,041	to fund administration costs and energy conservation measures in Cedar, Sylvester, and Middle Schools and the Salmond Administration Building	X	
	July-15	\$158,936	to fund energy conservation measures, BOC training, boiler, boiler controls, and lighting, in municipal facilities including Fire, Water Treatment Plant, Senior Center, Public Works, Highway and Cedar, Center, Middle and High Schools	X	
	July-16	\$135,748	to fund energy conservation measures, DCV and lighting, in municipal facilities including Middle School and Public Library	X	
	July-17	\$224,125	to fund energy conservation measures, interior storms windows, lighting, retro-commissioning, and energy analytics, in municipal facilities including Salmond, Middle School, and High Schools, Police Station, and Fire	X	
	July-18	\$249,694	to fund energy conservation measures, steam system upgrade, lighting, streetlights, primary hot water piping loop, and boiler controls, in municipal facilities including Salmond School, Middle School, Cedar School, and Facilities Building Garage	X	
	August-20	\$93,864	to fund energy conservation measures, DCV with fan upgrade, LED lighting, and administrative assistance, in municipal facilities including Middle School		
Hanson	12/27/18	\$151,183	to fund energy conservation measures, streetlight audit, boiler replacement, direct hot water heater, lighting, weatherization, and administrative costs, in municipal facilities including Indian Head School, Town Hall, Transfer Station, Camp Kiwanee, and Police Station	X	10,874
Hardwick	12/22/15	\$150,510	to fund purchase and installation of IdleRight technology in 2 town-owned and 1 to be leased vehicles; and the following energy conservation measures: interior and exterior lighting LED upgrades in the Fire Department and Wastewater Treatment Plant; and weatherization measures for Town House, the Municipal Building, and Highway Department; and implementation of approved energy conservation measures to be determined	X	3,056
	July-17	\$107,627	to fund energy conservation measures in municipal facilities including town vehicle fleet, Municipal Building, Paige Memorial Library, Recycling Center, Building Dept, and new Police Station. The energy conservation measures funded by this grant are: pipe insulation, temperature controls, weatherization, electric vehicle purchase, electric vehicle charging stations, and grant management assistance	X	
	July-18	\$88,021	to fund energy conservation measures, boiler replacement, pump upgrade, baseline BAS, and administrative costs, in municipal facilities including Hardwick Elementary School	X	
	August-19	\$158,713	to fund energy conservation measures, boiler and fuel conversion, lighting, and administrative support, in municipal facilities including Elementary School and Ford Middle School		
Harvard	12/16/10	\$141,200	to fund the following energy conservation measures: demand control ventilation upgrades and building automation system upgrades at the Elementary School, energy efficient boiler replacements at the Fire and Police Stations, a deep energy retrofit analysis for Town Hall and VFDs, motor, and CO2 sensor upgrades at the public library	X	6,610
	July-15	\$176,231	to fund energy conservation measures, administrative costs, building operator certification training, retrocommissioning, interior and exterior LED lighting, lighting controls, and furnace replacement, in municipal facilities including Public Library, Bromfield/Hildreth School Complex, Senior Center, DPW and Police	X	
	July-17	\$206,153	to fund energy conservation measures in municipal facilities including Bromfield School, Harvard Schools Complex and Library. The energy conservation measures funded by this grant are: lighting upgrades, weatherization, building automation system programming, and energy monitoring software	X	
	August-19	\$140,814	to fund energy conservation measures, lighting, in municipal facilities including Bromfield High School and Library	X	
Harwich	12/27/18	\$152,910	to fund energy conservation measures, boiler, pump variable frequency drive, and energy management system, in municipal facilities including Brooks Free Library	X	12,133

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Hatfield	12/16/10	\$130,725	to fund the following energy conservation measures: insulation and heating system upgrades at the Water Filtration Plant office, replacement of windows at Town Hall, installation of window quilts at Smith Academy, and purchase of an electric light duty truck for multiple department use	X	3,284
	July-14	\$160,913	to fund energy conservation measures in the Elementary School, Smith Academy, Highway Garage, and Wastewater Treatment Plant	X	
	July-17	\$53,971	to fund energy conservation measures, LED lighting upgrades, weatherization, and public education materials, in municipal facilities including Hatfield Elementary School, Smith Academy High School, Public Library, WWTP Office, and Fire Dept	X	
Haverhill	12/27/18	\$314,505	to fund energy conservation measures, LED lighting, kitchen fan and refrigeration controls, RTU controls, transformer, electric vehicle purchase, and energy conservation measures to be determined, in municipal facilities including Whittier, Tilton, Walnut Square, and Haverhill High schools, City Hall, city vehicle fleet, and Water Street Fire Station	X	64,041
Hawley	2/1/17	\$136,920	to fund energy conservation measures, lighting, solar PV, wood pellet boiler, weatherization, and heat pump, in municipal facilities including Town Office, Highway Garage, and Fire buildings	X	336
Heath	12/27/18	\$129,582	to fund energy conservation measures, lighting, furnaces, storm windows, administrative costs and energy conservation measures to be determined, in municipal facilities including Community Hall, Highway Garage, Sawyer Hall, and Fire Dept.		702
Hingham	12/27/18	\$142,232	to fund energy conservation measures, variable frequency drives, demand control ventilation improvements, and lighting, in municipal facilities including Broad Cove Sewer Pumping Station, So. Elementary School, and High School		23,923
Hinsdale	12/28/17	\$130,410	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		1,922
Holland	7/19/11	\$143,250	to fund administrative costs and an energy audit to identify potential energy conservation measures in the Elementary and the following energy conservation measures: installation of an energy management system in the main building; and replacement of three classroom unit ventilators in the Elementary School	X	2,497
	July-17	\$138,495	to fund energy conservation measures, LED lighting, in multiple municipal facilities including Town Hall, Highway, Fire, Library, Senior Center, and Elementary School	X	
Holliston	12/22/15	\$147,445	to fund energy conservation measures, thermostats, weatherization, HVAC upgrade, and lighting with controls, in municipal facilities including Fire Station, Town Hall, and Police Station	X	14,939
	July-17	\$208,416	to fund energy conservation measures in municipal facilities including town vehicle fleet, Town Hall, Senior Center, and Public Library. The energy conservation measures funded by this grant are: thermostat, energy management systems, weatherization, lighting upgrades, and electric vehicle purchase	X	
	August-19	\$216,245	to fund energy conservation measures, kitchen hood controls, exterior lighting, weatherization, interior lighting, and lighting controls, in municipal facilities including Middle School, High School, Elementary School, Town Hall, and Community Center	X	
	August-20	\$173,701	to fund energy conservation measures, LED lighting, lighting controls, weatherization, and boiler upgrade, in municipal facilities including Miller-Placentino Elementary and High Schools, Police and Pinecrest		
Holyoke	5/25/10	\$321,221	for conversion of exterior parking lot lighting to LEDs at all twelve schools, for high-efficiency LED traffic and street lights, and to purchase BigBelly Solar Compactors for public parks and high traffic areas	X	40,358
	July-12	\$166,716	to fund Heating Ventilation and Air Conditioning system upgrades in the Exhibit Hall in the Children's Museum including replacing the boilers with high efficiency gas boilers, replacing the rooftop air conditioning units, installing direct digital controls and demand control ventilation.	X	
	July-14	\$230,000	to fund energy conservation measures in City Hall and City Hall Annex	X	
	July-16	\$86,921	to fund the following energy conservation measures: administrative costs, interior and exterior LED lighting conversions at schools and six facilities	X	
Hopedale	4/7/21	\$137,759	<i>Applicant period for grant projects is currently open; projects to be determined</i>		5,966
Hopkinton	5/25/10	\$137,502	to fund energy efficiency measures in schools, DPW Garage, Police Dept, Fire Dept and Senior Center	X	18,269
	July-12	\$156,792	to fund the upgrade of the Energy Management Systems in Town Hall and the Elmwood School to modern, digital systems.	X	
	July-14	\$111,702	to fund exterior lighting upgrades to LED technology in four schools and Town Hall	X	
	July-16	\$162,614	to fund energy conservation measures, lighting, HVAC retro-commissioning and EMS upgrade, hybrid vehicle and EV charging station, at municipal facilities including Senior Center and Police Station	X	
	July-17	\$224,812	to fund energy conservation measures in municipal facilities including Hopkins Elementary School. The energy conservation measures funded by this grant are: variable frequency drives, LED lighting upgrade, and energy management system upgrade	X	
	August-20	\$196,521	to fund energy conservation measures, LED lighting, weatherization, EMS software, hybrid vehicle purchase, and EV charging station, in municipal facilities including		
Hubbardston	2/3/20	\$136,670	to fund energy conservation measures, LED lighting, weatherization, administrative costs, and energy conservation measures to be determined, in municipal facilities including Slade Building, Clark Library, DPW. and Fire Station		4,787

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Hudson	2/3/20	\$170,590	to fund energy conservation measures, variable frequency pumps, weatherization, unit heater, HWR heat timer and energy conservation measures to be determined, in municipal facilities including Library, Fire Station 1, Main Fire Station, and Farley, Forest Ave. and Mulready Schools		19,960
Huntington	7/24/12	\$140,650	to fund energy conservation measures, administrative cost, audits, lighting, weatherization, aerator sensors, and a heat pump, in municipal facilities including Town Hall, Library, DPW garage, Stanton Hall, Main & Norwich Hill Fire Depts, Water Dept and Wastewater Treatment Plant	X	2,182
Ipswich	2/3/20	\$149,200	to fund energy conservation measures, variable speed pumps, weatherization, lighting, pipe insulation, and consultant services, in municipal facilities including wastewater facility, Middle/High, Paine and Winthrop Schools, public library, and DPW building		14,092
Kingston	5/25/10	\$163,528	for energy efficiency measures at the Kingston Elementary School, Kingston Public Library and Smith's Lane Fire Station.	X	13,723
	July-12	\$199,426	to fund the following energy efficiency measures: installation of two a high efficiency condensing boilers in the elementary school and exterior LED pole-top and wall packs lighting at the public library.	X	
	July-14	\$112,731	to fund energy conservation measures in two schools and three municipal facilities	X	
	July-15	\$223,351	to fund the following energy conservation measures: at the Elementary School, replacement of a rooftop HVAC units and an interior lighting retrofit; and at the Middle School, an interior lighting retrofit	X	
	July-17	\$250,000	to fund energy conservation measures, energy management system and variable frequency drives, in municipal facilities including Kingston Intermediate School	X	
	August-19	\$158,546	to fund energy conservation measures, lighting and controls, weatherization, mechanical insulation, and administrative support, in municipal facilities including Town House, Reed Recreation Center, and Fire Dept.	X	
Lakeville	7/24/12	\$158,275	to fund the installation of idle reduction devices on police vehicles, consulting services, administrative support and the following energy conservation measures: at Assawompset Elementary School, installation of an Energy Management System to control hot water boilers and equipment, replacement of circulating pumps and controls, and air handling controls in the gym, and lighting upgrade; replacement of all garage doors at the Fire Station; and lighting upgrades at the Police Station, Town Office building / Fire Department, the Book Café	X	11,418
	July-15	\$140,823	to fund energy conservation measures, administrative costs, hot water heating system improvements, weatherization, plug load controls, thermostats, interior lighting, lighting controls, pipe insulation, in Town Hall, Fire Department, Council on Aging	X	
	July-17	\$247,500	to fund energy conservation measures, lighting and controls, energy management system, insulation, refrigeration controls, and weatherization, in Assawompset Elementary School	X	
	August-19	\$223,390	to fund energy conservation measures, variable frequency drives, weatherization, lighting, and administrative costs, in municipal facilities including Apponequet High School	X	
Lancaster	5/25/10	\$141,114	to fund the purchase of an electric vehicle and energy audits for Town Hall, and the following energy conservation measures: lighting upgrades in 8 municipal buildings; energy controller systems for town well pumps, building envelope improvements in several buildings; and LED streetlight conversions	X	8,185
	July-16	\$250,000	to fund the following energy conservation measures: at the Prescott Building, a fuel conversion (oil steam to electric heat pump) of the HVAC system, and installation of an efficient oil boiler for supplemental heating	X	
	July-18	\$235,002	to fund energy conservation measures, LED lighting, weatherization, and electric vehicle acquisition, in municipal facilities including Fire Station, Police Station, DPW, Thayer Memorial Library, and town vehicle fleet	X	
	August-20	\$194,377	to fund energy conservation measures, weatherization and EMS, in municipal facilities including Senior/Community Center and Police Headquarters	X	
Lanesborough	12/3/14	\$135,300	to fund the following energy conservation measures, thermostats, weatherization, demand control ventilation sensors, fuel conversion of HVAC system, lighting, and consultant services, in municipal facilities including Lanesborough Elementary School, Police, Town Hall and DPW	X	2,965
Lawrence	12/28/17	\$594,140	to fund energy conservation measures, lighting, variable frequency drives, energy management systems, EV charging stations and administrative costs, in municipal facilities including City Hall and Lawrence High, Parthum, South Lawrence Elementary, Frost, Bruce, and Guilemette Schools	X	80,376
Leicester	12/28/17	\$158,800	to fund energy conservation measures, LED streetlight conversion, lighting retrofits, weatherization, and administrative support, in municipal facilities including Department of Public Works and municipally owned streetlights	X	11,394
	8/27/20	\$200,000	to fund energy conservation measures, LED streetlights, LED interior and exterior lighting, weatherization, and administrative assistance, in municipal facilities including town owned streetlights, Senior Center, and High School		

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Lenox	5/25/10	\$134,766	to fund administrative support, technical support for a solar PPA, and a solar PV mini-grants program for solar and hot water systems on commercial and residential properties and the following energy conservation measures: at the Morris School, HVAC system upgrade; and at Town Hall, phase 1 of an HVAC pumps and controls project	X	4,964
	July-15	\$104,507	to fund the following energy conservation measures: at Morris Elementary School, upgrade of the air handling unit controls to DDC/electronic controls; and upgrade of hydronic pumping, radiation and convection, exhaust fans controls and integration of all into the building's energy management system	X	
	July-17	\$244,916	to fund energy conservation measures in municipal facilities - Memorial Middle and High School. The energy conservation measures funded by this grant are: unit ventilator controls upgrade, boiler plant controls upgrade, air handling unit controls upgrade, and balancing of HVAC system	X	
	July-18	\$248,794	to fund energy conservation measures, LED lighting, LED streetlight conversion, and refrigerator enhancements, in municipal facilities including Town Hall, DPW Complex, Morris Elementary and Memorial Middle High Schools, and streetlights	X	
Leominster	7/24/12	\$245,575	to fund energy conservation measures, administrative costs, energy management system, weatherization, refrigeration controls and motors, VFDs and motors on pumps, de-stratification fan, exterior and interior lighting, vending misers, in municipal facilities including Johnny Appleseed, Samoset, and Skyview Schools, City Hall, Gallagher Administration Building, Council on Aging, and Veterans Center	X	41,823
	July-16	\$250,000	to fund a city wide streetlight LED conversion	X	
	July-18	\$250,000	to fund energy conservation measures, boiler replacement, in municipal facilities including City Hall	X	
	August-20	\$68,490	to fund energy conservation measures, mini-split heat pump and fuel conversion, in municipal facilities including Central St Fire Station		
Leverett	12/20/11	\$138,750	to fund energy conservation measures, pole Solar PV array, interior lighting, variable speed drives on pumps, heating system controls with computer software, in municipal facilities including Public Safety Complex, Town Hall, Library, and Elementary School	X	1,861
	July-17	\$68,437	to fund energy conservation measures in municipal facilities including Public Library, Public Safety Complex, and Leverett Elementary School. The energy conservation measures funded by this grant are: LED lighting upgrades and grant management assistance	X	
	August-20	\$17,192	to fund energy conservation measures, LED streetlights and purchase, and LED lighting, in municipal facilities including town owned streetlights and Town Hall		
Lexington	5/25/10	\$158,083	to fund an energy efficient street lighting project using induction and compact fluorescent bulbs.	X	33,792
	July-13	\$47,440	to fund a LED exterior parking lot lighting at Lexington High School	X	
	July-14	\$54,068	to fund exterior lighting upgrade to LED technology in four schools and two municipal facilities	X	
	July-15	\$238,997	to fund the following energy conservation measures at municipal schools: interior lighting retrofits with LEDs at Clarke Middle, Lexington High, Fiske Elementary, Harrington Elementary, Bridge Elementary, Bowman Elementary, and Diamond Middle Schools	X	
	July-16	\$244,960	to fund the following energy conservation measures: installation of energy modeling analytics software in five schools and two facilities; EnergyStar refrigeration controls in two schools; and LED lighting retrofit at the Public Services Building	X	
	July-17	\$167,888	to fund energy conservation measures in municipal facilities including Community Center, Public Works, Bridge School, Diamond School, Harrington School, Hastings School, and Lexington High School. The energy conservation measures funded by this grant are: interior lighting upgrades, exterior school streetlights, and boiler jacket upgrade	X	
	July-18	\$196,455	to fund energy conservation measures, LED lighting, in municipal facilities including Clarke, Bowman, Bridge, and High Schools and Cary Library	X	
	August-19	\$135,564	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Harrington Elementary School, Bowman Elementary School, Bridge Elementary School, and Fiske Elementary School	X	
	August-20	\$81,419	to fund energy conservation measures, LED lighting, in municipal facilities including Bridge, Bowman, Harrington, and Fiske Elementary Schools and High School	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Lincoln	5/25/10	\$140,294	to fund energy efficiency measures in municipal buildings, including K-8 school complex, Library and Town Hall.	X	6,797
	July-12	\$242,079	To fund the incremental cost of an electric vehicle; administrative support; and the following energy efficiency measures in municipal buildings: in the Public Safety Department building, a new energy management system, a heat pump for the dispatch center, insulation and air sealing; in the Hartwell School, a new energy management system; and in Bemis School, a steam to hot water conversion with a condensing gas-fired boiler and forced hot water radiators with extension of upgrade to 2nd floor.	X	
	July-14	\$242,647	to fund project administration costs, LED streetlights for town roadways and additional energy conservation measures in the five schools and three municipal facilities	X	
	July-15	\$78,707	to fund project administration and the following energy conservation measures: installation of new efficient boilers at Pierce House; interior lighting retrofit with LEDs at the Brooks Auditorium; and installation of current transformers in electric panels and data monitoring to improve energy performance at the Lincoln School Complex, Public Safety, and Bemis Hall	X	
	August-20	\$53,715	to fund energy conservation measures, mini-split heat pump and chill beam automation upgrades, in municipal facilities including Public Safety, DPW Offices, and Town Offices		
Littleton	12/22/15	\$140,870	to fund energy conservation measures including a phase I LED streetlights conversion, installation of variable frequency drives, LED exterior lighting upgrades, computer load management, and measures to improve pipe insulation and functioning of facility equipment	X	10,241
	July-17	\$249,586	to fund energy conservation measures in municipal facilities including town wide streetlights, Spectacle Pond Water Treatment Plant, and Littleton High School. The energy conservation measures funded by this grant are: LED streetlight conversion, variable frequency drives on pumps, and exterior lighting upgrade	X	
	July-18	\$234,314	to fund energy conservation measures, VFDs, exterior and interior lighting, and administrative costs, in municipal facilities including High, Shaker Lane, and Middle Schools	X	
	August-19	\$238,269	to fund energy conservation measures, demand control ventilation, RTU controllers, lighting, weatherization, capacitors, and administrative costs, in municipal facilities including Littleton High, Middle, Russell St, and Shaker Lane Schools	X	
	August-20	\$200,000	to fund energy conservation measures, LED lighting, unit ventilator controls, and RTU and re-heat controls, in municipal facilities including High, Middle, Russell St Schools and Town Offices		
Longmeadow	12/18/13	\$155,125	to fund a ZNE feasibility study, streetlight study, streetlight audit and design, and streetlight conversion to LED technology	X	15,827
Lowell	5/25/10	\$546,506	to fund energy conservation measures, part of an energy management services contract for municipal facilities. Specifically to install a new energy efficient chiller at the JFK Civic Center and for light system upgrades including light retrofits, lighting controls, and vending machine misers in four schools: Greenhalge Elementary, McAvinnua Elementary, Murkland Elementary, and Pawtucketville Elementary.	X	111,670
	July-12	\$8,434	to fund administrative support and the following energy efficiency measures in municipal buildings: variable frequency driver pumps in the McAuliffe Elementary School, Butler Middle School, and Lincoln Elementary School.	X	
	July-13	\$194,411	to fund grant administration costs and the following energy conservation projects: replacement of condensing units at Sullivan & Wang Middle Schools and LED retrofit for historic streetlights along the Merrimack Riverwalk.	X	
	July-15	\$88,500	to fund electricity data analytics for G-3 time of use accounts at ten school buildings	X	
	July-18	\$250,000	to fund energy conservation measures, LED lighting and wireless thermostats, in municipal facilities including Morey Elementary, Reilly Elementary, Stoklosa Middle, Butler Middle, and Sullivan Middle Schools	X	
	August-19	\$246,523	to fund energy conservation measures, LED lighting and retrocommissioning, in municipal facilities including Morey Elementary School, Reilly Elementary School, and Stoklosa Middle School		
Lunenburg	12/18/13	\$157,225	to fund energy conservation measures, administrative costs, engineering study, lighting, variable frequency drives and air compressor, in municipal facilities including Middle and Primary Schools, Public Safety Building; and Teen Center	X	11,657
	July-18	\$180,020	to fund energy conservation measures, weatherization, LED lighting, plug load controls, condensing boilers, pipe insulation, electronically commutated motors, HVAC retrocommissioning, and administrative costs, in municipal facilities including Turkey Hill Elementary School, Town Hall, Ritter Memorial Administration Building, and Public Safety Building	X	
	August-20	\$69,361	to fund energy conservation measures, appliance replacement, LED lighting, boiler replacement, mechanical insulation, retro-commissioning, hybrid vehicle purchase, building operator certification training, and administrative assistance, in municipal facilities including Turkey Hill Elementary, Middle/High, Primary Schools, Senior Center, Ritter Memorial Administration Building, Public Library, DPW, Public Safety Building, Town Hall, Teen Center, and town vehicle fleet

Lynn	2/3/20	\$495,030	to fund energy conservation measures, lighting, building automation systems improvements, HVAC controls, and new boiler with fuel conversion, in municipal facilities including Broadway Fire, DPW, City Hall, Police Station, and Lincoln School		94,654
Malden	2/1/17	\$332,540	to fund energy conservation measures in municipal facilities including LED streetlight conversion city wide and purchase of electric vehicles	X	61,036
	August-19	\$250,000	to fund energy conservation measures, boiler replacements, in municipal facilities including Early Learning Center, Ferryway School, and Linden Elementary School	X	
	August-20	\$165,365	to fund energy conservation measures, boiler replacement and weatherization, in municipal facilities including Forestdale and Beebe Schools and Early Learning Center	X	
Manchester-by-the-Sea	12/18/13	\$138,850	to fund the following energy conservation measures: at Town Hall/Police building, interior and exterior LED lighting upgrades; at the Department of Public Works Garage, interior and exterior LED lighting upgrades, and in the Public Library, a boiler replacement with fuel conversion from oil to natural gas	X	5,429
	July-17	\$155,981	to fund energy conservation measures in municipal facilities including town wide streetlights, town vehicle fleet, Fire Dept, and Fire Station. The energy conservation measures funded by this grant are: LED streetlight conversion, plug-in hybrid vehicle purchase, and electric vehicle charging stations	X	
Marion	12/27/18	\$132,672	to fund energy conservation measures, boiler and fuel conversion oil to natural gas, demand control ventilation, and LED lighting, in municipal facilities including Fire Station and Sippican Elementary School	X	5,143
	8/27/20	\$120,238	to fund energy conservation measures, heat pump with fuel conversion, weatherization, storm windows, unit heater with fuel conversion, LED lighting, and administrative assistance, in municipal facilities including Community Center, Music Hall, Library, Silvershell and Main Pumping Stations		
Marlborough	12/16/10	\$217,125	to fund energy conservation measures, hybrid vehicle acquisition, solar PV assessment, energy manager position, lighting, lighting controls, vender misers, HVAC ventilation upgrades, building performance optimization, VFD, and HVAC heating upgrade, at municipal facilities including city vehicle fleet, and buildings at various addresses	X	39,825
	July-16	\$194,336	to fund the following energy conservation measures: at City Hall, installation energy management controller and replacement of heat pumps	X	
Marshfield	2/1/17	\$182,720	to fund the following energy conservation measures in Council on Aging, Ventress Memorial Library, and Police Station: interior and exterior lighting retrofits	X	25,905
	July-18	\$211,965	to fund energy conservation measures, LED lighting, mechanical insulation, electric vehicle acquisition and charging station, in municipal facilities including Furnace Brook and Martinson Schools, and Central Fire	X	
	August-19	\$246,661	to fund energy conservation measures, LED lighting, steam trap survey/repair, mechanical insulation, and administrative and technical support, in municipal facilities including Daniel Webster Elementary School, Furnace Brooke Middle School, Town Hall, Martinson Elementary School, and Eames Way Elementary School	X	
	August-20	\$200,000	to fund energy conservation measures, LED lighting mechanical insulation, steam trap replacement, and administrative assistance, in municipal facilities including	X	
Mashpee	5/25/10	\$170,124	to hire an engineering firm and fund energy efficiency measures in municipal buildings, high efficiency gas-fired boiler and heat pump replacements at the Police Station, and rooftop HVAC units at KC Coombs Elementary School.	X	14,180
	July-12	\$13,500	to fund energy efficiency measures, weatherization, mechanical insulation, lighting controls, and administrative costs, in municipal facilities Town Hall, KC Coombs School, and Mashpee High/Middle School	X	
	July-15	\$163,537	to fund the following energy conservation measures at K. C. Coombs School: installation of new condensing HVAC boilers, new condensing domestic hot water heater, demand control ventilation in the gym, café, and library, and new energy recovery ventilators for classroom wings	X	
	July-17	\$62,131	to fund energy conservation measures in municipal facilities including Quashnet School and KC Coombs School. The energy conservation measures funded by this grant are: interior LED lighting retrofit	X	
	July-18	\$210,102	to fund energy conservation measures, HVAC improvements, gas furnace upgrades, LED lighting, variable frequency drives, and administrative costs, in municipal facilities including High and Coombs Schools, and Fire Station	X	
	August-20	\$200,000	to fund energy conservation measures, retro-commissioning, and DHW system replacement, in municipal facilities including High and Quashnet Schools		

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Maynard	12/20/11	\$160,025	to fund energy conservation measures, weatherization, energy management system, thermostat and lighting, in municipal facilities including Green Meadow and Fowler Middle Schools	X	10,667
	July-14	\$100,245	to fund exterior lighting upgrades in two schools and seven municipal facilities and weatherization upgrades in Fowler School and the Police Station	X	
	July-15	\$104,287	to fund an interior LED lighting retrofit at Fowler School; and a town wide streetlight LED conversion	X	
	July-16	\$228,250	to fund energy conservation measures, LED streetlights, electric vehicle purchase, EV charging station, energy management system; infrared heating, and steam trap repair, in municipal facilities including streetlights, vehicle fleet, Fowler Middle School, Highway Barn, and Fire Dept.	X	
	July-17	\$245,843	to fund energy conservation measures, boiler replacement, boiler jacket, and lighting retrofits, in municipal facilities including Fowler School, Fire Dept, Town Hall, Police Station, and Waste Water Treatment Plant	X	
	July-18	\$242,936	to fund energy conservation measures, demand control ventilation, retrocommissioning, LED lighting, and boiler replacement, in municipal facilities including Fowler and High Schools, Library, and Town Hall	X	
	August-19	\$104,536	to fund energy conservation measures, LED lighting, in municipal facilities including Fowler and Green Meadow Schools	X	
	August-20	\$36,638	to fund energy conservation measures, transformer upgrade, in municipal facilities including Fowler Middle School		
Medfield	2/1/17	\$146,815	to fund energy conservation measures in municipal facilities including Medfield High School, Blake Middle School, Memorial Elementary School, Wheelock Elementary School, Public Library, and Town Hall: retrocommissioning HVAC control systems and LED interior and exterior lighting upgrades	X	12,904
	8/27/20	\$139,316	to fund energy conservation measures, retro-commissioning, weatherization, exterior LED lighting, steam trap repair, low flow aerators, lighting control panels, building operator certification training, and administrative assistance, in municipal facilities including High and Dale St Elementary Schools, Council on Aging, Public Library, and Town Hall		
Medford	5/25/10	\$271,651	to fund energy efficiency measures in school buildings and to update the municipal climate action plan	X	57,765
	July-12	\$250,000	to fund the following energy efficiency measures in the Chevalier Theatre: heating system replacement and conversion from oil to natural gas, separation of domestic hot water system, insulation of steam lines; and steam trap survey and repairs	X	
	July-14	\$140,080	to fund administration costs and energy conservation measures in the five municipal facilities or schools	X	
	July-16	\$211,031	to fund costs of project management, building operator certification training, and the following energy conservation measures: interior and/or exterior LED lighting upgrades in six schools and one facility	X	
	July-17	\$235,935	to fund energy conservation measures in municipal facilities including city wide streetlights, Brooks School, Columbus School, and Roberts School. The energy conservation measures funded by this grant are: LED streetlight conversion, cafeteria lighting upgrades, building operator training and grant management assistance	X	
	August-19	\$148,849	to fund energy conservation measures, lighting, boiler plant upgrade, and administrative support, in municipal facilities including Medford High School, McGlynn Middle/Elementary Schools, and Public Safety Building	X	
Medway	12/16/10	\$158,450	to fund energy conservation measures, streetlight pilot, variable frequency drives, lighting, EMS controls, RTUs, weatherization, HVAC controls, vending misers in municipal facilities including well pump stations, Town Hall, Public Library, Police Station, Fire Station #2, Senior Center, Highway Barn, and Water Dept Water Station	X	13,427
	July-14	\$205,925	to fund conversion to LED streetlights in various locations and a new energy management system (EMS) in Memorial Elementary School	X	
	July-16	\$216,577	to fund the following energy conservation measures: a LED streetlight conversion on various roadways; LED lighting retrofit with sensors in two facilities; and installation of an energy management system at the Police Headquarters	X	
	July-18	\$95,257	to fund energy conservation measures, weatherization, electric vehicle acquisition and charging station, and building operator certification training, in municipal facilities including Fire Station 1, Senior Center, and Town Hall	X	
	August-19	\$215,550	to fund energy conservation measures, RTU replacement, air handling units / condensers, boiler, and electric vehicle purchase, in municipal facilities including Public Library, Police Station, and town vehicle fleet	X	
	August-20	\$152,488	to fund energy conservation measures, LED lighting, VFD, and hood damper, in municipal facilities including	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Melrose	5/25/10	\$176,265	to fund the services of an Owner's Agent and consultant, partial salary of an energy efficiency coordinator, and the following energy conservation measures: an LED post-top streetlight retrofit, exterior soccer field lighting controls, and interior lighting upgrades at the Police Station and Library Children's Room.	X	28,193
	July-13	\$250,000	to fund administration costs for an energy efficiency manager and a VAV conversion at Melrose High School	X	
	July-15	\$225,000	to fund a retrofit of city-owned metered and non-metered streetlights, park lights, and parking lot lights to LED technology	X	
	July-17	\$217,484	to fund energy conservation measures in municipal facilities including vehicle fleet, Melrose Middle and High Schools, Senior Center, Lincoln Elementary School. The energy conservation measures funded by this grant are: electric vehicle purchase, retro-commissioning, HVAC upgrades, and energy management system upgrades	X	
	August-19	\$219,028	to fund energy conservation measures, boiler upgrade, weatherization, variable frequency drives, RTU replacement, and lighting, in municipal facilities including Beebe Elementary School, Ripley Elementary School, Veterans Memorial Middle School, City Hall, and Roosevelt Elementary School	X	
Mendon	7/19/11	\$145,925	to fund energy conservation measures, lighting, furnace, energy audit, and energy program manager, in municipal facilities including Library, Police Station, Fire Station, Senior Center, Town Hall, and Highway	X	6,183
	July-13	\$19,057	to fund grant administration costs and the following energy conservation measures: in the Fire Station, an energy efficient AC condenser; in the Highway Dept building, LED exterior lights and weatherization of the garage bay doors; and in Town Hall, replacement of the AC units	X	
	July-14	\$242,796	to fund energy conservation measures in municipal facilities including town vehicles and Clough Elementary School. The energy conservation measures funded by this grant are: Direct Digital Control system optimization, variable frequency drives, refrigeration fan motor controls, building weatherization, HVAC heat pumps and energy recovery ventilation, electric vehicle purchase, and EV charging stations	X	
	July-17	\$68,062	to fund energy conservation measures in municipal facilities including Town Hall, Fire Station, Highway Dept, new Library, and Parks. The energy conservation measures funded by this grant are: lighting upgrades, lighting controls, and administrative costs	X	
Merrimac	12/27/18	\$141,881	to fund energy conservation measures, control update for energy management systems and energy conservation measures to be determined, in municipal facilities including Town Hall and Library	X	6,975
	8/27/20	\$199,250	to fund energy conservation measures, air source heat pump, weatherization, and unit heater replacement, in municipal facilities including Fire and Senior Center	X	
Methuen	12/27/18	\$268,640	to fund energy conservation measures, demand control ventilation, motors and pumps, heat pump, furnace, DCV programming, variable frequency drive, mechanical insulation, and administrative costs, in municipal facilities including Nevins Library, Bolduc Sewer, WWTP, Central Fire, North End Fire, and Timony School	X	50,698
Middleborough	12/28/17	\$197,655	to fund energy conservation measures in municipal facilities including Town Hall Annex, Burkland Elementary School, and Goode Elementary School, measures funded are replacement of roof top unit and lighting upgrades	X	25,121
	August-19	\$247,440	to fund energy conservation measures, attic insulation, lighting, building commissioning, and administrative support, in municipal facilities including Town Hall, Public Library, John T. Nichols Jr. Middle School, and Memorial Early Learning Center		
Middlefield	7/19/11	\$138,025	to fund administrative costs, installation of a 12.25 kW solar PV system on the Town Hall roof and to fund the following energy conservation measures: at the Town Garage, window and door replacement, replacement of the furnace and hot water heater; at the Town Hall, installation of insulation; and at the Fire House, replacement of the furnace and doors.	X	530
	July-18	\$20,295	to fund energy conservation measures, LED lighting, insulation, thermostats, and administrative costs, in municipal facilities including Town Hall, Senior Center, Highway Garage, and Fire Station		
Millbury	7/19/11	\$167,025	to fund energy conservation measures, lighting sensors, ECM motors, retro-commissioning, lighting, fan controls, boiler controls, vending misers, in municipal facilities including Millbury Memorial Jr./Sr. High School, Elmwood Street and Shaw Middle Schools, Municipal Office Building, Public Library, Asa Waters Mansion, and Town Common	X	13,866
	July-14	\$247,596	to fund energy conservation measures in two schools and three municipal facilities	X	
	July-16	\$227,085	to fund the following energy conservation measures: a town wide LED streetlight conversion, purchase of four electric vehicles and installation of three EV charging stations; at Elmwood School, interior and exterior LED lighting retrofit and a high efficiency transformer; and at Millbury High School, an LED lighting retrofit	X	
	July-18	\$241,480	to fund energy conservation measures, LED streetlight conversion, thermostats, HVAC system controls, insulation, storm windows, and building operator certification training, in municipal facilities including streetlights, Fire Stations, Public Library, and ASA Waters Mansion	X	
	August-20	\$174,605	to fund energy conservation measures, LED lighting, in municipal facilities including Municipal Office Building, Library, Senior Center, Fire Dept #2 and Senior High School	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Millis	12/22/15	\$151,325	to fund administrative project management costs, a town-wide LED streetlight conversion and the following energy conservation measures: building envelope improvements at Animal Control, Waste Water Treatment Facility (WWTF)/Well Pump House 5 & 6, and Veterans Memorial; refrigeration controls at the Middle/High School; lighting upgrades at DPW/Pump House and Animal Control, and installation of variable frequency drives at WWTP and well stations	X	8,270
	July-18	\$214,844	to fund energy conservation measures, thermostats, VFDs on hot water pumps, LED lighting, de-stratification fans, and energy management system, in municipal facilities including DPW/Highway, Middle/High School, and Town Hall	X	
	August-19	\$219,461	to fund energy conservation measures, LED lighting, bathroom faucets, weatherization, and energy management system, in municipal facilities including DPW/Highway Garage, Middle/High School, and Town Hall	X	
	August-20	\$170,427	to fund energy conservation measures, LED lighting, weatherization, EMS expansion, and administrative assistance, in municipal facilities including Middle/High School, Town Hall, and Fire	X	
Millville	12/3/14	\$143,625	to fund energy conservation measures, lighting, weatherization, refrigeration controls, vehicle fleet operational upgrades, public education outreach, and administrative costs, in municipal facilities including Elementary School, Police Station, Town Hall, Library, Senior Center, Fire Station, and town vehicle fleet	X	3,265
	8/27/20	\$122,164	to fund energy conservation measures, boiler replacement with fuel conversion, weatherization, LED lighting, and administrative assistance, in municipal facilities including Fire, Police and Elementary School	X	
Milton	12/16/10	\$157,100	to fund energy conservation measures, wind turbine, streetlights, weatherization, thermostats, HVAC controls, variable frequency drives, in municipal facilities including Town Hall, sewer pump stations, Pierce Middle School and Council of Aging	X	27,616
	July-15	\$235,605	to fund energy conservation measures, refrigeration controls and exterior and/or interior lighting, in municipal facilities including Public Library, Cunningham-Collicott Elementary, Glover Elementary, Milton High, Tucker Elementary, and Pierce Middle Schools	X	
	July-17	\$246,645	to fund energy conservation measures in municipal facilities including Cunningham-Collicott School, Glover School, Milton High School, Town Hall, Public Works, Police, and East Milton Fire Station. The energy conservation measures funded by this grant are: energy management system upgrade, energy analytic software, gym and interior lighting upgrades, and boiler jacket	X	
	July-18	\$236,830	to fund energy conservation measures, boiler controls, LED lighting, and energy management system, in municipal facilities including Cunningham-Collicott Elementary, High, Tucker Elementary, and Glover Elementary Schools, Council on Aging, and Town Hall	X	
	August-19	\$104,661	to fund energy conservation measures, lighting, in municipal facilities including Cunningham-Collicott and Tucker Elementary Schools	X	
	August-20	\$81,898	to fund energy conservation measures, LED lighting, in municipal facilities including Public Library	X	
Monson	7/19/11	\$165,975	to fund an energy management system and upgrade to DDC at the Quarry Hill Elementary School and the incremental costs to purchase an energy efficient vehicle for the Senior Center.	X	8,865
	July-15	\$187,038	to fund energy conservation measures, pipe insulation, lighting, VFDs, weatherization, plug load controls, in municipal facilities including Quarry Hill Community and Granite Valley Middle Schools, Water & Sewer Building, Town Hall/Police Station, Fire Station, Highway Garage, and Senior Center	X	
	July-17	\$227,634	to fund energy conservation measures in municipal facilities including Quarry Hill Community School, Highway Garage, Monson High School, Monson Middle School, Senior Center, Fire Station, and Free Library. The energy conservation measures funded by this grant are: weatherization, exterior lighting upgrades, and gym and interior lighting upgrades	X	
	August-19	\$232,416	to fund energy conservation measures, boiler replacements, lighting, and EV charging station, in municipal facilities including Monson High School, Granite Valley Middle School, and town vehicle infrastructure	X	
Montague	5/25/10	\$154,944	to buy-down the cost of a performance contract, specifically energy conservation measures in Town Hall, Public Safety, and Carnegie Library buildings; lighting and lighting controls, building envelope and insulation, network controllers, an energy management system, and programmable thermostats.	X	8,316
	July-12	\$2,754	to fund installation of a Return Activated Sludge variable frequency drive and motor.	X	
	July-14	\$84,935	to fund the replacement of the rooftop unit in Shea Theatre	X	
	July-17	\$147,954	to fund energy conservation measures, lighting controls, replace rooftop units, and HVAC ductwork replacement, in municipal facilities including Sheffield School and Shea Theater	X	
	August-19	\$52,395	to fund energy conservation measures, lighting with controls and vending miser controls, in municipal facilities including Police Station, Parks & Rec Office, and Sheffield Administration Building	X	
Nahant	12/27/18	\$129,780	to fund energy conservation measures. LED streetlight conversion, in municipal facilities including town-owned streetlights	X	3,524
Nantucket	2/3/20	\$139,340	to fund energy conservation measures, EV charging stations, HVAC upgrades, boiler replacement, and administrative costs, in municipal facilities including High School, Town Hall/Visitors Center, and vehicle infrastructure		11,327

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Natick	5/25/10	\$173,526	to fund a solar PV power purchase agreement at the middle school, the incremental cost of a hybrid vehicle, and for carbon dioxide sensors at town hall.	X	36,229
	July-13	\$126,662	to fund energy conservation measures, retrocommissioning, HVAC upgrades and controls, electric heater data points, and variable frequency drives on well pump, in municipal facilities including Morse Library, Police & Fire Headquarters, Recreation Center, Springvale Water Treatment Facility, and Captain Tom's Hill well	X	
	July-14	\$239,092	to fund monitoring-based commissioning and analysis of four facilities and energy conservation measures in Bennett Hemenway School, Morse Library, the Senior Center, and the Cole Recreation Center	X	
	July-15	\$230,004	to fund energy conservation measures, behavioral dashboards, electric vehicle purchase, EV charging station, demand control ventilation, hot water pump and fan controls, variable frequency drives, circuit monitoring, WebCTRL reprogramming, and controls for exhaust fans, in municipal facilities including Brown, Ben-Hem, and Lilja Elementary Schools, Wilson Middle and Natick High Schools, DPW office, and Police-Fire Station	X	
	July-16	\$250,000	to fund the following energy conservation measures: purchase of two electric vehicles and installation of one EV charging station; exterior lighting upgrades at four schools and two municipal facilities; building energy analytics software and retro-commissioning at two facilities and one school; and retro-commissioning of energy management systems at two facilities	X	
	July-17	\$155,905	to fund energy conservation measures, HVAC occupancy sensors, motor replacements, interior and exterior LED lighting retrofit, hot water heat pump, electric vehicle charging station, and hybrid vehicle upfit, in municipal facilities including Morse Institute, East School, Memorial Elementary School, and Senior Center	X	
	July-18	\$245,142	to fund energy conservation measures, LED lighting, VFDs for rooftop units, and ductless mini-split replacement, in municipal facilities including Eliot School, DPW EM Garage, DPW Administration, Police and Fire Stations, and Morse Institute Library	X	
	August-19	\$150,622	to fund energy conservation measures, LED lighting, in municipal facilities including Johnson Elementary, Community Senior Center and Central Fire	X	
	August-20	\$100,000	to fund energy conservation measures, LED lighting, interior and exterior and retro-commissioning, in municipal facilities including Police and Wilson Middle School		
Needham	2/3/20	\$148,270	to fund energy conservation measures, lighting, in municipal facilities including Pollard Middle, Mitchell, and Newman Schools		31,248
New Bedford	2/1/17	\$604,305	to fund energy conservation measures, lighting retrofits, in municipal facilities including Ashley Elementary School, Carney Elementary School, and Swift Elementary School	X	95,315
	August-19	\$250,000	to fund energy conservation measures, lighting, in municipal facilities including Wastewater Treatment Plants, Elizabeth Carter Brooks Elementary, Elwyn G Campbell Elementary, and Carlos Pacheco Elementary Schools		
New Braintree	12/28/17	\$127,285	to fund energy conservation measures, weatherization, mechanical insulation, infrared heaters, lighting upgrades, domestic hot water upgrade, and administrative support, in municipal facilities including Town Hall, DPW & Fire Dept, Library, and Elementary School	X	1,029
	8/27/20	\$114,409	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Town Hall and Elementary School		
New Salem	12/16/10	\$138,100	to fund the installation of a 18.7 kW ground-mounted solar PV system on town-owned land.	X	1,020
	July-13	\$25,000	to fund energy conservation measures, weatherization and air source heat pump, at municipal facilities including Fire Station and Library	X	
	August-20	\$35,000	to fund energy conservation measures, walk-in freezer and weatherization, in municipal facilities including Swift River Elementary School		
Newburyport	12/16/10	\$154,980	to fund energy conservation measures, weatherization, HVAC upgrades, and lighting in municipal facilities including Police Station and City Hall	X	18,202
	July-13	\$158,145	to fund energy conservation measures, lighting and controls, DHW replacement, weatherization, retrocommissioning, and administrative assistance, in municipal facilities including Library and Public Safety	X	
	July-15	\$195,892	to fund energy conservation measures, electric vehicle purchase and charging station, lighting, weatherization, HVAC retrocommissioning, and demand control ventilation, in municipal facilities including High School and Fire Station	X	
	July-16	\$250,000	to fund a city wide streetlight LED conversion	X	
	July-18	\$195,579	to fund energy conservation measures, boiler replacement, weatherization, lighting, and administrative costs, in municipal facilities including Police Headquarters, City Hall, and Library	X	
	August-20	\$200,000	to fund energy conservation measures, DCV improvements and LED lighting, in municipal facilities including High School and Library		

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Newton	5/25/10	\$179,500	to fund the last phase of a comprehensive 'deep energy' retrofit of 1950's building specifically the remaining envelope improvements such as replacement of original, single pane windows with triple pane fiberglass, high performance glazing system, masonry wall insulation, foundation insulation and soffit insulation.	X	88,904
	July-13	\$250,000	to fund a citywide streetlight replacement project with LED equivalents	X	
	July-15	\$236,878	to fund the following energy conservation measures: in Countryside Elementary and Oak Hill Middle Schools, interior lighting upgrades to LED with motion controls; and in Police Headquarters and Garage, interior and exterior lighting upgrades to LED with motion controls	X	
	July-16	\$250,000	to fund the following energy conservation measures: interior LED lighting upgrades and controls at three schools	X	
	July-17	\$196,157	to fund energy conservation measures in municipal facilities including Franklin Elementary School, Underwood Elementary School, Williams Elementary School, and Memorial Spaulding School. The energy conservation measures funded by this grant are: interior LED lighting and controls, exterior LED lighting retrofits	X	
	July-18	\$248,734	to fund energy conservation measures, interior and exterior lighting and controls, window weatherization, plug-in hybrid vehicle acquisition, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including North High and Bowen Elementary Schools, War Memorial Auditorium, and town vehicle fleet	X	
	August-19	\$111,217	to fund energy conservation measures, LED lighting, in municipal facilities including South High School	X	
	August-20	\$100,000	to fund energy conservation measures, LED lighting and controls, in municipal facilities including South High School and Water Dept.	X	
Norfolk	2/3/20	\$144,600	to fund energy conservation measures, infrared camera purchase, refrigeration upgrades, exterior and interior lighting, and weatherization, in municipal facilities including H. Olive Day and Freeman Kennedy Schools, Library, and DPW Building		11,988
North Adams	2/1/17	\$194,580	to fund weatherization and energy conservation measures to be determined in municipal facilities including the Library	X	12,904
North Andover	2/1/17	\$169,390	to fund the following energy conservation measures in North Andover Middle School and Town Hall: conversion of interior and exterior lighting to LEDs, purchase of an electric vehicle, installation of an EV charging station, and other energy conservation measures to be approved.	X	31,296
	July-18	\$151,153	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	August-19	\$92,612	to fund energy conservation measures, LED lighting, in municipal facilities including Middle School and Water Treatment Plant	X	
	August-20	\$125,686	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Middle, High and Elementary Schools and Library	X	
North Attleborough	2/3/20	\$187,820	to fund energy conservation measures, LED lighting and controls, weatherization, administrative assistance, and energy conservation measures to be determined, in municipal facilities including Martin Elementary School		29,349
Northampton	5/25/10	\$198,500	for a 51 kW solar power project on the Smith Vocational and Agricultural High School (SVAHS) and to purchase an energy auditor/building performance education kit for the SVAHS Home Building Program.	X	28,726
	July-12	\$98,000	to fund the following energy efficiency measures in municipal buildings: insulation and air sealing in the Academy of Music and Memorial Hall.	X	
	July-14	\$180,530	to fund energy conservation measures in the library, water treatment plant, and Smith Vocational High School, and outdoor post-top LED lighting in the downtown	X	
	July-17	\$247,507	to fund energy conservation measures, exterior lighting, in municipal facilities including Leeds Elementary, JFK Middle, Ryan Road Elementary, Jackson St Elementary, Northampton High, and Smith Vocational and Agricultural High Schools	X	
	August-19	\$250,000	to fund energy conservation measures, LED lighting, in municipal facilities including High School, WWTP, DPW, Police, Fire and Water Treatment Plant	X	
Northborough	12/27/18	\$149,309	to fund energy conservation measures, boiler upgrade, energy management system, and administrative assistance, in municipal facilities including Police Station and Melican Middle School	X	15,101
Northbridge	2/1/17	\$176,515	to fund energy conservation measures, thermostats, controls, lighting, and steam trap repair, in municipal facilities including Middle School, Whitinsville Social Library, and Memorial Town Hall	X	16,732
	July-18	\$240,220	to fund energy conservation measures, boiler upgrade, steam traps, lighting upgrades, domestic hot water tank, and administrative costs, in municipal facilities including Town Hall, Fire Dept., High and Middle Schools, and Town Hall	X	
	August-19	\$208,949	to fund energy conservation measures, lighting, energy management systems upgrades, and administrative support, in municipal facilities including High School, Middle School, and Police Station	X	
	August-20	\$164,274	to fund energy conservation measures, LED lighting, VAV control replacement and administrative assistance, in municipal facilities including High and Middle Schools	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

Northfield	7/24/12	\$143,750	to fund energy conservation measures, energy audits, solar PV array, window quilts, heating system upgrade, pellet boiler, weatherization, window inserts, in municipal facilities including Town Hall, Pavilion and Library	X	2,992
	July-18	\$236,060	to fund energy conservation measures, insulation, doors and windows, de-stratification fans, weatherization, and administrative costs, in municipal facilities including Northfield Elementary School and Pioneer Valley Regional School	X	
	August-20	\$162,303	to fund energy conservation measures, air source heat pump with fuel conversion, HVAC controls, hybrid vehicle purchase, and administrative assistance, in municipal facilities including Library, Elementary School, and town vehicle fleet		
Norton	4/7/21	\$173,321	<i>Applicant period for grant projects is currently open; projects to be determined</i>		19,948
Norwell	12/22/15	\$146,520	to fund a replacement of the energy management system to increase efficiency and optimize HVAC operation and control and an interior and exterior LED lighting retrofit in Town Hall	X	11,115
	July-18	\$250,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Middle, Vinal, Cole, and High Schools	X	
	August-19	\$99,984	to fund energy conservation measures, lighting and weatherization, in municipal facilities including High and Middle Schools		
Norwood	2/3/20	\$182,080	to fund energy conservation measures, LED lighting, weatherization, and heat pump hot water unit, in municipal facilities including High School, Morrill Memorial Library, Public Safety Headquarters, Civic Center, and Balch, Cleveland, and Oldham Elementary Schools		29,327
Orange	12/28/17	\$159,830	to fund energy conservation measures, weatherization, VFD/boiler controls, BAS upgrade, lighting, and infrared heaters/fuel conversion, in municipal facilities including Town Hall and Fisher Hill School	X	7,664
Orleans	12/27/18	\$134,709	to fund energy conservation measures, lighting, spray valve, thermostat, mini-splits, air dryer, hybrid vehicle, and energy conservation measures to be determined, in municipal facilities including Water Treatment Facility, Sea Call Farm, Transfer Station, Council on Aging, Community Building, Elementary School, and town vehicle fleet		5,798
Oxford	2/3/20	\$163,880	to fund energy conservation measures, lighting, variable frequency drives, administrative costs, and energy conservation measures to be determined, in municipal facilities including Library, Fire Department, Senior Center, High, and Clara Barton Elementary Schools	X	14,041
Palmer	5/25/10	\$169,103	to fund energy conservation measures at Town Hall including design services, conversion to a natural gas boiler, chiller, and condenser replacements with energy efficient units	X	12,309
	July-13	\$224,190	to fund energy conservation measures, energy management system, HVAC piping, HVAC design and commissioning, unit ventilators, and vending machine timers, in the Town Administration Building	X	
	July-15	\$211,584	to fund energy conservation measures, weatherization, lighting, HVAC upgrade, at municipal facilities including DPW Garage, Library, Wastewater Treatment Plant, Converse Middle, Old Mill Elementary, and Palmer High Schools	X	
	July-17	\$94,974	to fund energy conservation measures in municipal facilities including town vehicle fleet. The energy conservation measures funded by this grant are: electric vehicle purchases and electric vehicle charging stations	X	
	July-18	\$139,420	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights		
Pelham	7/24/12	\$138,100	to fund hiring an engineering consultant and roof insulation and air sealing at the Community Center.	X	1,322
	July-18	\$29,450	to fund energy conservation measures, lighting, in municipal facilities including Rhodes Building, Highway, and Community Center	X	
	August-19	\$170,000	to fund energy conservation measures, variable refrigerant flow heat pump with fuel conversion, in municipal facilities including Community Center		
Pembroke	12/3/14	\$174,400	to fund the following energy conservation measures: at Pembroke Library, installation of a new energy management system (EMS) and variable frequency drives (VFDs); and at Town Hall, installation of a new EMS and a tower VFD	X	18,448
	July-16	\$250,000	to fund the following energy conservation measures: LED lighting retrofits at four schools	X	
	July-18	\$168,302	to fund energy conservation measures, LED lighting and boiler controls, in municipal facilities including Police, Town Hall, Library, and Hobomock, Bryantville, Middle, and North Schools	X	
	August-19	\$147,363	to fund energy conservation measures, boiler replacement and LED lighting, in municipal facilities including Bryantville School and Hobomock School	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Pepperell	12/22/15	\$152,910	to fund administrative costs, and the following energy conservation measures: building envelope improvements at one regional school and five facilities; lighting upgrades at three facilities; and installation of an energy management system, demand control ventilation and front end upgrades at Nissitissit Middle School	X	12,161
	July-17	\$247,199	to fund energy conservation measures in municipal facilities including Lawrence Library, Nissitissit Middle School, Public Safety Complex, Community Center, and Highway Dept. The energy conservation measures funded by this grant are: interior and exterior LED lighting retrofits, furnace and AC upgrade with oil to natural gas fuel conversion, weatherization, and grant management assistance	X	
	July-18	\$222,005	to fund energy conservation measures, interior and exterior lighting and weatherization, in municipal facilities including Town Hall, Senior Center, Water Dept., Waste Water Dept. and Lab, Highway, Cemetery Building, and Varnum Brook Elementary School	X	
	August-20	\$167,129	to fund energy conservation measures, boiler replacement, LED lighting, and administrative assistance, in municipal facilities including Police and Nissitissit Middle School		
Peru	2/3/20	\$128,820	to fund energy conservation measures, lighting and energy conservation measures to be determined, in municipal facilities including Town Garage and Town Hall		837
Petersham	12/13/12	\$138,425	to fund ASHRAE Level II energy audits for Center School, Police and Fire Stations, Town Hall, Highway Barn, and Town Office Building and the following energy conservation measures: interior lighting retrofits in the same six buildings; and implementation of approved energy conservation measures identified from the audits in the six buildings.	X	1,253
	July-16	\$29,649	to fund the following energy conservation measures: building weatherization improvements at Town Office Building, window inserts at Center School and installation of new overhead insulated garage doors at the Highway Barn	X	
Pittsfield	5/25/10	\$256,632	to fund installation of an energy management system and replace 53 unit heaters at City Hall	X	42,533
	July-12	\$49,543	to fund a heating system conversion from electric to high-efficiency natural gas in the Lichtenstein Art Center.	X	
	July-13	\$250,000	to fund the conversion of all electric heating system to high-efficiency natural gas powered condensing boiler system at the Berkshire Athenaeum	X	
Plainfield	2/1/17	\$137,575	to fund the following energy conservation measures in Plainfield Town Hall, Hallock Building, and Public Safety Building: upgrade all building lighting to LED lamps and implementation of approved energy conservation measures to be determined		664
Plainville	12/28/17	\$144,025	to fund energy conservation measures, lighting improvements, in municipal facilities including Anna Ware Jackson Elementary School and Beatrice H. Wood Elementary School	X	9,230
	August-19	\$250,000	to fund energy conservation measures, boiler, weatherization, LED lighting and variable refrigerant flow system, in municipal facilities including Wood School and Jackson School		
Plympton	12/18/13	\$141,550	to fund energy conservation measures, Interior and exterior lighting, RTU controls, motors and VFDs, lighting sensors, and weatherization, in municipal facilities including Dennett School, DPW Barn, Town Hall/Police, Library, and Historical Society	X	2,985
	July-18	\$170,424	to fund energy conservation measures, LED lighting, demand control ventilation, plug load controls, hot water pump motors and VFDs, energy management system, wireless thermostats, infrared heaters, exhaust fan control, weatherization, and administrative costs/technical assistance, in municipal facilities including Library, Town Hall/Police, Fire Station, and Dennett Elementary School	X	
	August-19	\$239,202	to fund energy conservation measures, transformers, weatherization, boilers, mechanical insulation, LED lighting, thermostats, appliances, and administrative and technical support, in municipal facilities including Dennett Elementary School, Highway Dept., and Historical Society		
Provincetown	12/20/11	\$143,600	for an energy efficient heating system replacement at Veteran's Memorial School.	X	2,960
	July-15	\$32,302	to fund an oil to propane heating system conversion and a fuel catalyst unit at the Tourism building	X	
	July-18	\$34,779	to fund energy conservation measures, boiler conversion (oil to dual fuel), pump and VFD replacement, thermostats, vending misers, low flow showerheads, faucet aerators, and administrative costs, in municipal facilities including Fire Department	X	
	August-20	\$138,350	to fund energy conservation measures, chiller replacement with fuel conversion and administrative assistance, in municipal facilities including Town Hall		
Princeton	4/7/21	\$130,869	<i>Applicant period for grant projects is currently open; projects to be determined</i>		3,478
Quincy	12/20/11	\$370,325	to fund administrative costs and the following energy conservation measures: LED replacement for the decorative streetlights; retrocommissioning, phase one, installation of an EMS interface at the High School; and exterior LED lighting retrofits at Lincoln Hancock, Clifford Marshall, Point Webster Middle, and the High School.	X	94,580
	July-14	\$250,000	to fund exterior lighting upgrades at five schools and four municipal facilities and EMS upgrade and retrocommissioning at two schools and one municipal facilities	X	
	August-20	\$200,000	to fund energy conservation measures, LED lighting, in municipal facilities including Point Webster Middle School	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Rehoboth	2/3/20	\$148,380	to fund energy conservation measures, plug load controller, lighting, refrigeration controls, variable frequency drives, interior storms, and weatherization, in municipal facilities including Annex TV Studio, Blanding Library, Council on Aging, Highway Department, Public Safety Building, and Fire Stations #2 and #3		12,265
Revere	7/19/11	\$366,600	to fund energy conservation measures in City Hall, the Senior Center, and the Youth Center including energy management systems, steam trap upgrades, computer management systems, pipe and attic insulation, lighting retrofits, weather sealing, and controls on vending machines.	X	53,821
	July-15	\$89,460	to fund acquisition of four electric vehicles and acquisition and installation of two level 2 dual head EV charging stations	X	
	July-18	\$9,871	to fund energy conservation measure, electric vehicle charging stations, in municipal facilities including city vehicle fleet	X	
	August-20	\$173,602	to fund energy conservation measures, LED lighting, weatherization, and variable speed drive, in municipal facilities including Beachmont School and T-Carroll Way Pump Station		
Richmond	7/24/12	\$137,300	to fund an Investment Grade Audit at the Town Hall and Garage; and implementation of approved energy conservation measures identified from the audit.		1,422
Rochester	2/3/20	\$135,960	to fund energy conservation measures, weatherization, LED lighting, lighting controls, refrigeration controls, spray valve, and technical assistance, in municipal facilities including Council on Aging, Highway Barn, Fire Dept. #3, Memorial Library, Police Dept., Memorial School, and Town Hall	X	5,628
Rockland	12/13/12	\$185,425	to fund the following energy conservation measures in municipal buildings: lighting upgrades at the library, public works facility, and wastewater treatment plant; and implementation of approved energy conservation measures identified from audits.	X	17,960
	July-16	\$233,139	to fund costs of project management and the following energy conservation measures: at the Middle/High School, a lighting retrofit, efficient generator heat pump (WWTP), and building weatherization; at Esten School, a lighting retrofit and building weatherization; at the Police Dept., a lighting retrofit, efficient infrared heating, and building weatherization; and building weatherization improvements at five facilities	X	
	July-17	\$238,865	to fund energy conservation measures, refrigeration control upgrade, retro-commissioning, boiler replacement, lighting upgrades, and administrative costs, in municipal facilities including Middle-High and Esten Schools, Waste Water Treatment Plant, Youth Commission, Highway Dept, and Library	X	
	July-18	\$210,531	to fund energy conservation measures, LED lighting, EMS controls, EMS upgrade, and administrative costs/technical assistance, in municipal facilities including Middle/High and Esten Schools, Police, and Town Hall	X	
	August-20	\$52,719	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Wastewater Treatment Plant		
Rockport	2/1/17	\$148,670	to fund energy conservation measures, energy management system, lighting retrofits, thermostats and administrative costs of grant management, in municipal facilities including Rockport High and Middle School and Public Library	X	7,295
	August-19	\$193,739	to fund energy conservation measures, building automation system upgrade, RTU upgrade, lighting, PID control, variable frequency drive, and administrative support, in municipal facilities including High/Middle School, Town Hall Annex, Town Hall, Police Station, Water Treatment Plant, and Wastewater Treatment Plant	X	
	August-20	\$183,454	to fund energy conservation measures, LED lighting, UV controls, weatherization, building operator certification training, and administrative assistance, in municipal facilities including Middle/High School		
Rowe	12/20/11	\$135,725	to fund energy conservation measures, solar PV array, weatherization, hot water heater, window quilts, educational workshops, residential energy incentive program, in municipal facilities including Department of Public Works, Town Garage, Town Hall, Highway, Library, Parks buildings	X	394
	July-15	\$154,776	to fund the following energy conservation measures: at the DPW garage, an oil to wood pellet fuel heating system conversion and insulation and air sealing; at the Library, an oil to electricity fuel conversion and installation of an air source heat pump and insulation and air sealing of the building envelope; and at Town Hall, insulation and air sealing of the building envelope	X	
Rowley	4/7/21	\$136,868	<i>Applicant period for grant projects is currently open; projects to be determined</i>		6,358
Royalston	12/28/17	\$129,365	to fund energy conservation measures, administrative support and lighting upgrades, in municipal facilities including Town Hall, Phinehas S. Newton Library, DPW buildings, Public Safety Building, Fire Station #2, Whitney Hall, and Raymond School		1,276
Rutland	12/27/18	\$145,622	to fund energy conservation measures, lighting, weatherization, mechanical insulation, idleright, an energy study, grant administration, certification training, and energy conservation measures to be determined, in municipal facilities including Community Center, Community Hall/Town Hall, DPW, Water Treatment Plant, Public Safety, and vehicle fleet	X	8,846

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Salem	5/25/10	\$245,624	for energy efficient streetlights, to buy down the cost of an energy service company contract, a residential weatherization pilot program and a bike sharing pilot program.	X	43,559
	July-13	\$223,769	to fund energy conservation measures, administration costs, retrocommissioning studies, Energy Management System, infrared heaters, weatherization, lighting, in municipal facilities including schools, DPW HQ/Garage	X	
	July-15	\$229,708	to fund a complete city wide LED streetlight conversion	X	
	July-17	\$219,195	to fund energy conservation measures, boiler replacement, boiler jacket, and lighting, in municipal facilities including Bowditch Elementary, Bates Elementary, Witchcraft Heights Elementary, Carlton Innovation, and Collins Middle Schools	X	
	July-18	\$247,842	to fund energy conservation measures, lighting, heating upgrades, EV charging stations, in municipal facilities including Bates Elementary and Carlton Innovation Schools, and Salerno Automotive Tech Center	X	
	August-20	\$76,872	to fund energy conservation measures, hybrid vehicle purchase, appliance replacement, EV charging station, building operator certification training, and administrative assistance, in municipal facilities including Police Horace Mann Laboratory School, Witchcraft Heights Elementary School, and city vehicle fleet and infrastructure		
Salisbury	2/1/17	\$160,695	to fund energy conservation measures, street light audit study, weatherization, EV and hybrid vehicles, EV charging stations, and solar trash compactors, in municipal facilities including streetlights and vehicle fleet	X	9,489
Sandisfield	12/27/18	\$128,805	to fund energy conservation measures, insulation, lighting, and energy conservation measures to be determined, in municipal facilities including Town Hall Annex		895
Saugus	12/22/15	\$208,335	to fund energy conservation measures, electric vehicle purchase, EV charging station, lighting, HVAC improvements, variable frequency drives and motors, and administrative costs, in municipal facilities including Veterans Memorial and Belmonte Middle Schools, and vehicle fleet	X	28,385
	July-17	\$242,903	to fund energy conservation measures in municipal facilities including Public Safety Building and Public Library. The energy conservation measures funded by this grant are: interior LED lighting retrofits, exterior LED lighting retrofits, commissioning, efficient motors, energy management system upgrade, and rooftop unit replacement	X	
	July-18	\$238,560	to fund energy conservation measures, interior and exterior lighting, rooftop unit replacement, pumps/motors/drives, hot water boiler, and administrative costs, in municipal facilities including Public Safety Building, Town Hall, and Senior Center	X	
	August-19	\$135,565	to fund energy conservation measures, lighting, RTU replacement, and administrative and technical support, in municipal facilities including DPW, Town Hall Annex, and Public Safety		
Scituate	12/16/10	\$163,025	to fund energy conservation measures in several schools as part of a performance energy contract: building envelope improvements, water conservation measures, demand control ventilations, programmable thermostats, and exterior door replacements.	X	18,834
	July-14	\$82,273	to fund installation of high efficiency transformers for the sewer pump stations	X	
	July-16	\$177,966	to fund the following energy conservation measures: installation of efficient variable frequency drives on four water treatment or well pump motors; and at Jenkins School, installation of air handling unit motors and replacement of lighting fixtures	X	
	July-17	\$246,133	to fund energy conservation measures in municipal facilities including Scituate High School, Jenkins Elementary School, Hatherly Elementary School, Gates Intermediate School, and Fire Station. The energy conservation measures funded by this grant are: interior LED lighting retrofits, hot water heater replacement, and boiler replacement	X	
	July-18	\$230,104	to fund energy conservation measures, lighting, domestic hot water heater, motors and VFDs, transformers, and de-stratification fans, in municipal facilities including Cushing Elementary, Wampatuck Elementary, Wampatuck Elementary, and High Schools, Wastewater Dept., and Musquashicut Pond Pump Station	X	
	August-20	\$198,341	to fund energy conservation measures, LED lighting, motor, and destratification fan, in municipal facilities including High and Wampatuck Elementary Schools, Town Library, Town Hall Wastewater Plant		
Seekonk	12/27/18	\$160,790	to fund energy conservation measures, energy management systems, variable frequency drives and motors, mechanical insulation, weatherization, and measures to be determined, in municipal facilities including Public Safety, Aitken Elementary, Martin Elementary, Hurley Middle, and Seekonk High Schools		15,702
Sharon	12/28/17	\$148,740	to fund energy conservation measures, interior and exterior lighting, in municipal facilities including East Elementary School		18,943
Shelburne	12/28/17	\$132,575	to fund energy conservation measures, programmable thermostats, weatherization, exterior and interior lighting, and a heat pump, in municipal facilities including the Free Library, Colwell Gym, Highway Garage, Memorial Building/Town Hall, and Village Information Center	X	1,861

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Sherborn	7/19/11	\$137,450	to fund anti-idling units for police and DPW vehicles and a high-level energy assessment of the Pine Hill School; and the following energy conservation measures: traffic signal conversion to LED technology; lighting upgrades at the Fire and Police Stations, Town Hall, and the Pine Hill School; building envelope improvements at the main Fire Station; and at the Library, conversion of the existing boiler from oil to gas.	X	4,341
	July-15	\$77,800	to fund the following energy conservation measures at Pine Hill School: upgrades to air handlers in the library and gym; upgrades to unit ventilators in classrooms; and insulation and air sealing of the building envelope	X	
	July-17	\$39,120	to fund energy conservation measures in municipal facilities including Police Station. The energy conservation measures funded by this grant are: furnace and AC replacement	X	
Shirley	12/20/11	\$152,975	to fund the installation of idle reduction units in municipal vehicles, technical assistance to evaluate implementation of a town-wide energy savings performance contract, purchase of streetlights and the following energy conservation measures: a LED streetlight pilot project; at the War Memorial, a lighting upgrade including occupancy sensors, building envelope improvements and replacement of the boiler and hot water heater.	X	7,649
	July-16	\$72,742	to fund a new direct expansion/air handling unit (AHU/DX) condensing unit	X	
Shrewsbury	12/27/18	\$183,411	to fund energy conservation measures, variable frequency drives, weatherization, lighting, and certification training, in municipal facilities including Town Hall and Oak Middle, Parker Middle, Shrewsbury High, Paton Elementary, Coolidge Elementary, and Parker Road Pre-K Schools	X	37,973
	8/27/20	\$184,302	to fund energy conservation measures, RTU replacement, LED lighting and building operator certification training, in municipal facilities including Parker Road Preschool, High, Floral St and Oak Middle Schools		
Shutesbury	7/19/11	\$142,275	to fund energy conservation measures, solar PV array, interior lighting, heating upgrades and fuel conversions from oil, weatherization, in municipal facilities including Fire Station, Elementary School, and Town Hall	X	1,774
Somerville	7/19/11	\$362,175	to fund administrative costs, a comprehensive audit of streetlights and exterior lighting, and the following energy conservation measures: installation of a new Energy Management System in the high school; interior lighting retrofit at Winter Hill and Brown Schools and City Hall Annex; and the installation of five Electric Vehicle Charging Stations	X	81,562
	July-16	\$248,922	to fund the following energy conservation measures: LED lighting upgrade at two schools	X	
	July-17	\$226,063	to fund energy conservation measures in municipal facilities including vehicle fleet, City Hall, Fire Headquarters, West Somerville School, and outdoor locations. The energy conservation measures funded by this grant are: lighting and controls upgrades and electric vehicle charging stations	X	
	July-18	\$187,801	to fund energy conservation measures, lighting, lighting controls, and electric vehicle charging station, in municipal facilities including Fire Engine 1, 6, and 7, JF Kennedy School, Library, Council on Aging, and town vehicle fleet	X	
	August-19	\$191,075	to fund energy conservation measures, lighting, lighting controls, boiler damper, boiler duct work, thermostats, fan motor, and mechanical insulation, in municipal facilities including JFK Elementary School, Benjamin G. Brown School, Edgerly Education Center, Central Library, and Senior Center	X	
	August-20	\$99,605	to fund energy conservation measures, LED lighting and controls, steam trap survey and repair and building operator certification training, in municipal facilities including Argenziano School and DPW Works Campus		
Southampton	12/28/17	\$138,595	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		6,196
Southborough	2/1/17	\$142,865	to fund energy conservation measures, weatherstripping, air sealing, and insulating measures, in Highway Division Building, Old Transfer Station, Public Library, Town Hall, South Union School - Arts Center, New Transfer Station, and Cemetery Building	X	10,169
	July-18	\$250,000	to fund energy conservation measures, weatherization, HVAC motors and VFDs, and administrative costs, in municipal facilities including Trotter Middle, Neary Elementary, and Finn Elementary Schools, and Library	X	
	August-19	\$250,000	to fund energy conservation measures, weatherization, lighting, and administrative support, in municipal facilities including P. Brent Trotter School, Albert S. Woodward School, Margaret A. Neary School, and Finn Elementary School	X	
	August-20	\$200,000	to fund energy conservation measures, VFD, motors, LED lighting and administrative assistance, in municipal facilities including Neary, Finn Elementary, Trotter and Woodward Schools, and Library	X	
Southbridge	2/1/17	\$206,130	to fund energy conservation measures, boiler installation with fuel conversion, wireless zone controls, and energy conservation measures to be determined, in municipal facilities including Town Hall		16,931
Spencer	2/3/20	\$162,800	to fund energy conservation measures, infrared heater, lighting, weatherization, mechanical insulation, building operator certification, idle right technology, administrative assistance, and energy conservation measures to be determined, in municipal facilities including Fire Station, Water Dept., Town Hall, and vehicle fleet infrastructure		11,971

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Springfield	5/25/10	\$988,102	to fund energy conservation measures, boilers, vending misers, and energy management systems, in municipal facilities including Deberry, Mary Lynch, Brunton, Freedman, and Zanetti Schools, Fire Repair Building, and Library	X	155,032
	July-12	\$161,582	to fund energy conservation measures, energy management systems and boilers replacement, in municipal facilities including Pine Point Library and Balliet S.A.F.E. Middle School	X	
	July-14	\$100,000	to fund replacement of a steam boiler at Glenwood School	X	
	July-18	\$150,000	to fund energy conservation measures, boiler and EMS replacement, in municipal facilities including Talmadge Elementary School	X	
	August-20	\$200,000	to fund energy conservation measures, boiler, pump and DHW upgrade, in municipal facilities including Facilities Management		
Stockbridge	12/22/15	\$139,625	to fund tuition to attend a Building Operator Certification Level II training, weatherization and lighting retrofit in Town Offices; and replacement of the heating system (fuel conversion oil to propane) in Glendale Fire Station	X	1,903
	July-18	\$54,829	to fund energy conservation measures, door replacements, HVAC improvements, and lighting, in municipal facilities including Central Fire Station	X	
	August-20	\$13,053	to fund energy conservation measures, LED lighting, in municipal facilities including Wastewater Treatment Plant	X	
Stoneham	12/28/17	\$169,615	to fund energy conservation measures, interior and exterior LED lighting, streetlight audit/design, LED streetlight conversion, and administrative support, in municipal facilities including Town Hall, Stoneham Ice Rink, Dept of Public Works, and municipally owned streetlights	X	22,729
	August-19	\$250,000	to fund energy conservation measures, LED streetlight conversion and LED lighting, in municipal facilities including streetlights, Council on Aging, Library, Robinhood Elementary Schools, and South Elementary School	X	
	August-20	\$200,000	to fund energy conservation measures, air source heat pump with fuel conversion, LED lighting, and weatherization, in municipal facilities including DPW Offices, Town Hall, Robinhood Elementary School and Police	X	
Stoughton	12/22/15	\$209,910	to fund installation of variable frequency drives and/or efficient motors at four pumping facilities; in addition, a lighting upgrade and installation of programmable thermostats at Pratts Court Pump House; and conversion of streetlights to LED in Tanglewood and Ladyslipper neighborhoods	X	28,950
	August-19	\$249,722	to fund energy conservation measures, LED lighting, boiler replacement, and administrative support, in municipal facilities including Clapp Building, Fire Station 2, Fire Station 1, Police Station, Dawe Elementary School, and Gibbons Elementary School	X	
	August-20	\$195,554	to fund energy conservation measures, LED lighting, interior and exterior, boiler replacement, motors and drives, and administrative assistance, in municipal facilities including DPW Complex, Gibbons and Hansen Elementary Schools, O'Donnell Middle School, Town Hall, and Cedar Hill Golf Course		
Stow	12/22/15	\$144,115	to fund consultant services and the following energy conservation measures: interior and exterior lighting upgrade at the library; and at the Police Station, HVAC fuel conversion to Air-source heat pumps for heating and cooling	X	7,214
	August-19	\$173,452	to fund energy conservation measures, variable refrigerant flow system, HVAC energy recovery unit, and electric monitoring, in municipal facilities including Town Building and Randall Library	X	
	August-20	\$70,697	to fund energy conservation measures, HVAC unit replacement and LED lighting, in municipal facilities including Highway Dept and Town Building		
Sturbridge	12/27/18	\$143,757	to fund energy conservation measures, lighting, weatherization, and rooftop unit replacement, in municipal facilities including Joshua Hyde Library, DPW Building, Public Safety Complex, Town Hall, and Center Office Building	X	9,640
	8/27/20	\$175,694	to fund energy conservation measures, weatherization, LED lighting, building operator certification training, hybrid vehicle purchase, and idle right devices, in municipal facilities including Public Library, Burgess Elementary School, and town vehicle fleet	X	
Sudbury	5/25/10	\$136,238	for energy efficiency measures in three municipal facilities, five town schools, the Fairbanks Community Center and the Lincoln/Sudbury Regional High School, and for the incremental costs of a fuel efficient vehicle.	X	19,627
	July-12	\$250,000	to fund the replacement of the roof-mounted Heat Recovery Ventilation (HRV) unit at the Sudbury Atkinson Pool Facility.	X	
	July-14	\$250,000	to fund a town wide streetlight conversion to LED technology, and energy conservation measures in Lincoln-Sudbury RHS, Goodnow Library, and the Fairbank Community Center	X	
	July-17	\$250,000	to fund energy conservation measures, interior lighting, refrigeration controls, weatherization, electric vehicle purchase, electric vehicle charging station, and direct digital controls, in municipal facilities including town vehicle fleet, Curtis Middle, Haynes, Loring, Nixon, Noyes, and Lincoln Sudbury High Schools, Atkinson Pool, DPW, and Goodnow Library	X	
	August-20	\$96,686	to fund energy conservation measures, VFD, pump replacement, and LED lighting, in municipal facilities including Goodnow Library and DPW

Sunderland	7/24/12	\$146,450	to fund energy conservation measures, residential program, energy audits, lighting, DO controls & ORP sensors, weatherization, and Building controls, in municipal facilities including Elementary School, Public Safety, Town Offices, Wastewater Treatment Plant, Pump Station, and Library	X	3,659
	July-17	\$114,138	to fund energy conservation measures, digital control ventilation upgrades, insulation, window inserts, and energy recovery unit, in municipal facilities including Elementary School, Town Offices, and Public Safety Complex	X	
	August-19	\$152,770	to fund energy conservation measures, LED lighting, attic insulation, variable frequency drives and control valves, window inserts, and steam control valves, in municipal facilities including Elementary School, Public Library, Public Safety Complex, and Town Office Building	X	
Sutton	7/19/11	\$143,050	to fund energy conservation measures, hydro feasibility, energy audit, exterior lighting, and heat recovery system, in municipal facilities including Stevens & Manchaug Dams, Wastewater Treatment Plant, Senior Center, Fire Stations, and Municipal Complex	X	9,551
	July-14	\$169,797	to fund project administration costs and energy conservation measures in the Sutton Municipal and School Complexes	X	
	July-16	\$121,732	to fund energy conservation measures, boiler, Weatherization, interior lighting, ECM motors, and thermostats, in municipal facilities including Senior Center, School Complex, Fire Station 2	X	
	July-17	\$184,945	to fund energy conservation measures in municipal facilities including town vehicle fleet and Early Learning Center. The energy conservation measures funded by this grant are: boiler replacement and electric vehicle purchase	X	
	July-18	\$173,229	to fund energy conservation measures, boiler replacement and LED lighting, in municipal facilities including Sutton Elementary and Middle/High Schools	X	
	August-19	\$42,875	to fund energy conservation measures, hot water heater , in municipal facilities including School Complex	X	
Swampscott	12/16/10	\$143,800	to fund the following energy conservation measures: high efficiency lighting retrofits and automatic lighting controls in the middle and high school, steam trap replacement in the elementary schools, and funding for a part-time Energy Manager	X	15,227
	July-13	\$195,853	to fund the following energy conservation measures: building envelope improvements, weatherization and/or attic insulation in Clarke and Stanley Elementary Schools, Middle and High Schools, and the Fire Station; and in Clarke Elementary, steam trap replacement; and in the Public Library, replacement of HVAC equipment	X	
	July-15	\$225,000	to fund a complete town wide LED streetlight conversion	X	
	July-17	\$241,287	to fund energy conservation measures, interior and exterior lighting, in municipal facilities including Clarke and Swampscott High Schools, Public Library, Police Station, and Town Hall	X	
	July-18	\$249,779	to fund energy conservation measures, economizer and DCV on rooftop units, optimized scheduling and air handling improvements, EMS system and controls on boiler system, DDC controls on unit ventilators, and interior lighting, in municipal facilities including Swampscott Middle and High Schools, and Town Hall	X	
	August-19	\$145,406	to fund energy conservation measures, air handling unit controls, variable frequency drives, and certification training, in municipal facilities including Middle School, High School, and Dept of Facilities Management	X	
Templeton	2/3/20	\$153,180	to fund energy conservation measures, lighting, weatherization, vehicle purchase, administrative costs, and energy conservation measures to be determined, in municipal facilities including Highway Garage, Town Hall, Boynton Public Library, Fire Station #1 and #2, Cemetery Garage, and vehicle fleet		8,153
Tewksbury	7/19/11	\$207,725	to fund energy conservation measures, training, consultant services, retro-commissioning, and lighting, in municipal facilities including Police Station, Dewing, Wynn and Ryan schools	X	31,388
	July-14	\$157,826	to fund exterior lighting upgrades in four schools and four municipal facilities and weatherization upgrades in the DPW building and an outdoor air reset in Loella Dewing School	X	
	July-15	\$195,739	to fund energy conservation measures, VFDs, interior & exterior lighting, unit heater, retrocommissioning, and lighting controls, in municipal facilities including Library, Food Pantry, Senior Center, Ryan Middle and High Schools, and South Fire Station	X	
	July-16	\$187,201	to fund the following energy conservation measures: at the DPW, a new efficient unit heater; and at the Library, installation of new efficient hot water heating equipment	X	
	July-17	\$209,790	to fund energy conservation measures, EV purchase, lighting VFDs, and boiler replacement in municipal facilities including town vehicle fleet, North Street Fire, Senior Center, and Police Station	X	
	July-18	\$132,772	to fund energy conservation measures, boiler and pump replacement and interior lighting , in municipal facilities including Police Station and DPW	X	
	August-19	\$151,036	to fund energy conservation measures, LED lighting and DHW boiler, in municipal facilities including Police Dept. and Loella F. Dewing Elementary School	X	
	August-20	\$68,382	to fund energy conservation measures, LED lighting, in municipal facilities including Heath Brook Elementary School	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Tisbury	7/24/12	\$140,925	to fund a HVAC conversion to air source heat pump (fuel conversion oil to electric) at the Police Station, boiler upgrade at the library, boiler conversion (oil to propane) and indirect domestic hot water heater at the Senior Center	X	4,111
	8/27/20	\$63,621	to fund energy conservation measures, hybrid vehicle purchase, EV charging station, heat pump with fuel conversion, and administrative assistance, in municipal facilities including DPW and town vehicle fleet and infrastructure		
Tolland	2/3/20	\$126,860	to fund energy conservation measures, air source heat pumps, EMS controls update, LED lighting, and idle right technology, in municipal facilities including Library, Public Safety, Town Hall, and vehicle fleet infrastructure		509
Topsfield	7/19/11	\$132,975	to fund energy conservation measures, weatherization, exterior and interior lighting, energy audits, EMS improvements, and VFDs, in municipal buildings including Proctor and Steward Elementary Schools, Police, Fire, Library, DPW, and Town Hall	X	6,627
	July-14	\$48,936	to fund a high efficiency steam boiler at the town library	X	
	July-15	\$31,170	to fund the following energy conservation measures: at Proctor Elementary School, the installation of a new domestic hot water condensing unit and improvements of the building envelope; and at Steward Elementary School, the installation of a new domestic hot water condensing unit	X	
Townsend	7/24/12	\$156,825	to fund the purchase of a hybrid vehicle and installation of idle reduction device on a police vehicle, administrative support, energy audits at Town Hall and the Police Station and implementation of the following energy conservation measures: high efficiency boiler replacement at the Police Station, lighting retrofits in eight facilities, installation of variable frequency drives and efficient motors at the Water Dept., and building envelope improvements in four facilities	X	9,547
	July-16	\$196,972	to fund costs of project management and the following energy conservation measures: at Hawthorne Brook School, installation of a new efficient boiler, upgrade for air handling units in the gym, and an exterior LED lighting retrofit; and at Spaulding School, an exterior LED lighting retrofit	X	
Truro	7/19/11	\$141,200	to fund energy conservation measures, grant administrator position, anti-idling technology, weatherization, hot water system improvements, heating system fuel conversions and improvements, and tankless hot water system with controls, in municipal facilities including town vehicle fleet, Public Safety Building, Community Center, Town Hall and Library	X	1,999
	July-15	\$80,995	to fund a temperature control system upgrade, EMS and HVAC controls converted to a direct digital control system at Central School	X	
	July-17	\$94,875	to fund energy conservation measures in municipal facilities including Safety Facility. The energy conservation measures funded by this grant are: thermostats, demand control ventilation, fan coil unit replacements, pump controls, insulation, infrared heaters, and air handling unit replacement	X	
	July-18	\$26,314	to fund energy conservation measures, hot water pump VFD, conversion to single zone VAV on air handling unit, and administrative costs, in municipal facilities including Central Scholl	X	
Tyngsborough	5/25/10	\$161,649	to fund energy conservation measures, hybrid vehicle acquisition, electric vehicle charging stations, infrared scan, weatherization, lighting, boiler, VFDs and motor/fan controls, in municipal facilities including town vehicle fleet, Town Offices, High, Middle, and Elementary Schools, Police Station, other facilities	X	12,418
	July-14	\$115,489	to fund lighting control upgrades in two schools and the library and installation of insulation in the attic at the town offices/library building	X	
	July-16	\$250,000	to fund the following energy conservation measures: at the High School, new variable frequency drives with sensors and retro-commissioning, an upgrade of the air handling systems in the auditorium and gym, upgrade for Direct Control Ventilation in the locker rooms, and new Optimal Start; in the Elementary School, new efficient boiler, Optimal Start, and LED lighting retrofit in the gym; purchase of a hybrid electric vehicle; and at Town Hall, an interior LED lighting retrofit	X	
	July-17	\$241,476	to fund energy conservation measures, interior LED lighting upgrade, boiler upgrade, and direct digital control upgrade, in municipal facilities including Tyngsborough High, Middle, and Elementary Schools and Old Town Hall	X	
	August-19	\$113,101	to fund energy conservation measures, LED lighting and duct heater upgrade, in municipal facilities including High School and Town Hall	X	
Upton	12/3/14	\$148,350	to fund installation of idle reduction systems on a police cruiser and the following energy conservations measures: in Memorial School; digital direct controls (DDC) system optimization, demand control ventilation, refrigeration controls, exterior LED lighting, weatherization upgrades, and variable frequency drives for heating/ventilation units; lighting upgrades at the Wastewater Treatment Plant and DPW facility; and weatherization at the Fire Station	X	8,012
	July-16	\$170,549	to fund the following energy conservation measures: at the Police and Fire Stations, LED lighting retrofit, and an upgrade for the HVAC systems and controls; and at the Wastewater Treatment Plan, building weatherization improvements	X	
	August-19	\$3,459	to fund energy conservation measures, purchase of hybrid vehicle, in municipal facilities including town vehicle fleet		

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Uxbridge	12/27/18	\$158,776	to fund energy conservation measures, motors and variable frequency drives, lighting, energy studies, and grant administration, in municipal facilities including Taft Elementary, Uxbridge High, and Melican Middle Schools; Public Library, Town Hall, Senior Center, and DPW Well Fields	X	14,095
	8/27/20	\$200,000	to fund energy conservation measures, retro-commissioning, motors and drives, LED lighting, building operator certification training, and administrative assistance, in municipal facilities including High and Whitin Schools		
Waltham	12/28/17	\$281,080	to fund energy conservation measures, HVAC controls, EMS controls, LED streetlights, in municipal facilities including City Hall, Government Center, Senior Center, Community Cultural Center, and Library	X	62,962
	August-19	\$250,000	commissioning, LED lighting, streetlight conversion and administrative support, in municipal facilities including MacArthur Elementary School, Plympton Elementary School, Library, and streetlights		
Walpole	4/7/21	\$166,203	<i>Applicant period for grant projects is currently open; projects to be determined</i>		25,209
Ware	2/1/17	\$169,535	to fund energy conservation measures, a town wide streetlight audit and design for LED streetlight conversion project and lighting retrofits, in municipal facilities including town-wide streetlights, SMK Elementary School, Ware Middle School, and Ware High School	X	9,811
	July-18	\$198,595	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	August-20	\$198,339	to fund energy conservation measures, LED lighting, lighting controls, steam trap repairs, boiler upgrade, and weatherization, in municipal facilities including Town Hall, Middle and Elementary Schools, DPW, Town Offices, and Wastewater Treatment Plant	X	
Wareham	12/27/18	\$204,952	to fund energy conservation measures, administrative costs, variable frequency drives, condensing water heaters, programmable thermostats, weatherization, steam trap survey and repairs, faucet aerators, heat pump water heaters, boiler controls, mechanical insulation, exterior and interior lighting, and lighting controls, in municipal facilities including High and Middle Schools, Town Hall, Multi-Service Center, Free Library, Police, Boys & Girls Club-Donovan Center, and Wastewater Pollution Control Facility		22,666
Warren	2/1/17	\$157,740	to fund energy conservation measures, boiler replacement with fuel conversion oil to natural gas and weatherization measures, in Fire Stations A and B	X	5,248
	August-19	\$144,530	to fund energy conservation measures, lighting, weatherization, and administrative support, in municipal facilities including Municipal Office Building, DPW, Police Dept., Senior Center, and Wastewater Treatment Plant	X	
	August-20	\$22,102	to fund energy conservation measures, appliance replacements, hybrid vehicle purchase, EV charging station, and administrative assistance, in municipal facilities including Council on Aging and town vehicle fleet and infrastructure		
Warwick	12/3/14	\$137,850	to fund energy conservation measures in Town Hall, Police Station, Public Library, DPW Garages. The energy conservation measures funded are weatherization, air source heat pumps, and destratification fans	X	780
	July-18	\$209,483	to fund energy conservation measures, transformer replacement, motors and drive upgrades, de-stratification fans, weatherization, HVAC upgrades, and administrative costs, in municipal facilities including Pioneer Valley Regional School and Warwick Community School	X	
	August-20	\$86,564	to fund energy conservation measures, weatherization, energy management system, VFD, and administrative assistance, in municipal facilities including Community School		
Watertown	12/16/10	\$192,825	to fund high efficiency LED streetlight retrofits.	X	35,954
	July-15	\$207,505	to fund phase two of a complete town wide LED streetlight conversion	X	
	July-18	\$247,545	to fund energy conservation measures, interior and exterior LED lighting, plug-in hybrid vehicle acquisitions, and electric vehicle charging stations, in municipal facilities including DPW, Watertown High and Middle Schools, Library, John A. Ryan Arena, Saltonstall Park, and town vehicle fleet	X	
Wayland	12/16/10	\$131,775	to fund administrative support, owner's agent consultant services, and the following energy conservation measures: interior lighting upgrades at the Middle and Loker Elementary schools, and exterior lighting upgrades at the Middle School, Clay Pit, Happy Hollow, and Loker elementary schools, and Town Building, Fire Station #2, and Public Safety buildings.	X	13,882
	July-14	\$250,000	to fund administrative costs, building envelope improvements, a oil to gas boiler conversion, and other energy conservation measures in eight schools and municipal facilities	X	
	July-17	\$194,236	to fund energy conservation measures, town wide LED streetlight conversion, lighting upgrade, electric vehicle purchases, and, electric vehicle charging stations, in municipal facilities including town wide streetlights, town vehicle fleet, and Town Building	X	
	August-20	\$150,827	to fund energy conservation measures, retro-commissioning, hybrid EV van upfit, hybrid vehicle purchase, LED lighting, building operator certification training, and administrative assistance, in municipal facilities including High and Middle Schools and town vehicle fleet		
Webster	12/28/17	\$180,885	to fund energy conservation measures in municipal facilities including municipally owned streetlights, measures funded are LED streetlight conversion and administrative support	X	17,027

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Webster	August-19	\$207,772	to fund energy conservation measures, boiler replacements, lighting, and administrative support, in municipal facilities including Bartlett High School, Police Station, and Town Hall	X	17,027
Wellesley	12/28/17	\$137,250	to fund energy conservation measures in municipal facilities including Municipal Way Campus (DPW), measures funded are water systems energy audit and external LED lighting	X	29,673
	August-20	\$137,920	to fund energy conservation measures, exterior and interior LED lighting, hybrid vehicle purchase and administrative assistance, in municipal facilities including High School and town vehicle fleet		
Wellfleet	12/3/14	\$140,000	to fund energy conservation measures, ECM motors, boilers, controls, variable frequency drives and motors, and infrared heaters, in municipal facilities including Town Hall, Elementary School, and DPW Barn	X	2,729
	July-17	\$120,423	to fund energy conservation measures in municipal facilities including Police Station. The energy conservation measures funded by this grant are: dedicated outside air system with variable frequency drive, split heat pumps, insulation, interior and exterior lighting upgrades and lighting controls	X	
	August-20	\$137,761	to fund energy conservation measures, heat pump water heater, EMS, LED lighting, VFD and motors, in municipal facilities including Council on Aging, Elementary School, Library, and Town Hall		
Wendell	12/13/12	\$138,875	to fund energy conservation measures, residential outreach, thermal imaging camera, bike racks, energy audits, de-stratification fans, lighting, duct work, and window quilts, in municipal facilities including Senior Center, Police Department, Highway/Fire Station, Town Hall, Free Library, and Town Office		886
Wenham	5/25/10	\$138,974	to buy down the cost of an energy savings performance contract for implementation of energy conservation measures at the Town Hall, Fire Station, Police Station, Council on Aging and Public Library.	X	5,284
	July-12	\$70,807	to fund energy efficiency measures in the Hamilton-Wenham Regional School District: motor and variable frequency drive (VFD) upgrades for pumps; and kitchen ventilation controls at Buker, Cutler, and Winthrop elementary schools.	X	
	July-14	\$245,603	to fund a town wide streetlight conversion to LED technology, and energy conservation measures in the Hamilton Wenham Regional Middle and High Schools, and four municipal facilities	X	
	July-16	\$225,730	to fund an upgrade of the Building Automation System at the Hamilton Wenham Regional High School / Miles River Middle School Complex	X	
	August-19	\$125,190	to fund energy conservation measures, LED lighting, in municipal facilities including Hamilton Wenham Public Library, Fire Station, Police Station, Town Hall, and Highway Dept.	X	
	August-20	\$122,744	to fund energy conservation measures, LED lighting, retro-commissioning, steam trap repair, and administrative assistance, in municipal facilities including Library, Iron Rail Building, Boy Scout Barn (Iron Rail) and Council on Aging	X	
West Boylston	12/28/17	\$145,435	to fund energy conservation measures, vending misers, smart power strips, lighting, and appliance replacements, in municipal facilities including Middle/High, Library, and DPW Building	X	8,215
	8/27/20	\$105,376	to fund energy conservation measures, exterior LED lighting, VFD, weatherization, and administrative assistance, in municipal facilities including Library and Outdoor Sports Facilities		
West Brookfield	2/3/20	\$134,910	to fund energy conservation measures, energy management system, weatherization, lighting, thermostats, air handling unit replacement, and administrative assistance, in municipal facilities including Town Hall, Highway Dept., Fire, and Senior Center		3,785
West Newbury	12/18/13	\$140,900	to fund energy conservation measures: interior and exterior lighting efficiency retrofits of the 1910 Building, interior and exterior lighting efficiency retrofits of the Public Safety Complex, and a lighting efficiency retrofit of the Memorial Library	X	4,691
	July-17	\$133,154	to fund energy conservation measures in municipal facilities including Page Elementary School, Public Safety Building, Dept of Public Works, and Children's Castle Early Learning Center. The energy conservation measures funded by this grant are lighting upgrades	X	
	August-20	\$75,815	to fund energy conservation measures, DDC for EMS system and hybrid vehicle purchase, in municipal facilities including Town Office Building and town vehicle fleet		
West Springfield	12/22/15	\$222,765	to fund energy conservation measures, lighting, lighting controls, refrigeration controls, vendor misers, streetlight audit, and administrative costs, in municipal facilities including Water Treatment Plant, Fausey, Mittineague, Coburn, Tatham, Ashley, Middle, and High Schools, Fire HQ, Police Station, West Side Teen Center, and City Hall	X	28,747
West Stockbridge	4/7/21	\$127,556	<i>Applicant period for grant projects is currently open; projects to be determined</i>		1,264

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
West Tisbury	7/24/12	\$143,250	to fund energy conservation measures, anti-idles, heating system fuel conversions, air source heat pump, and window replacement, in municipal facilities including Howe's House, Fire 1, Fire 2, and Howes House	X	2,901
	8/27/20	\$12,500	to fund energy conservation measures, hybrid vehicle purchase and EV charging station, in municipal facilities including town vehicle fleet and infrastructure		
Westborough	12/27/18	\$152,096	to fund energy conservation measures, weatherization and lighting, in municipal facilities including DPW, Fire Station, Senior Center, Water Purification, War Memorial, and Gibbons Middle, Hastings Elementary, Armstrong Elementary, Westborough High, and Mill Pond Intermediate Schools	X	19,189
	8/27/20	\$153,876	to fund energy conservation measures, LED lighting and hybrid vehicle purchase, in municipal facilities including Armstrong Elementary School, Town Hall, Senior Center, Fire, and town vehicle fleet		
Westfield	2/1/17	\$266,565	to fund energy conservation measures, lighting, weatherization, steam traps, refrigeration controls, and electric vehicle acquisition and charging station, in municipal facilities including North Middle, South Middle, Munger Hill, Paper Mill, Vocational, and High Schools, Twiss St Garage, Fire Headquarters, and Head Start Building	X	41,680
	August-19	\$202,525	to fund lighting, in municipal facilities including South Middle School, DPW Garage, and Airport	X	
	August-20	\$168,740	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Vocational School, Fire HQ, Southampton Rd Fire Station, and High, Munger Hill and Papermill Elementary Schools		
Westford	12/18/13	\$156,025	to fund energy conservation measures, certification training, lighting, boiler and controls, in municipal facilities including Middle School, Police, Library, Senior Center, and Highway	X	24,296
	July-15	\$230,988	to fund energy conservation measures, energy management system and lighting, in municipal facilities including Stony Brook Middle, Rita Miller, and Crisafulli Schools, Library and Highway Facility	X	
	July-16	\$250,000	to fund the following energy conservation measures: LED lighting retrofits at four facilities; at Abbot School, EnergyStar food service equipment; and upgrades of energy management systems and equipment at one school and one facility	X	
	July-17	\$250,000	to fund energy conservation measures, lighting and energy management system upgrade, in municipal facilities including Water Dept, Senior Center, Blanchard School, and Westford Academy	X	
	July-18	\$250,000	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	August-20	\$95,000	to fund energy conservation measures, DDC on ventilation units and LED lighting, in municipal facilities including Westford Academy and Blanchard School		
Westhampton	12/27/18	\$129,135	to fund energy conservation measures, lighting and energy conservation measures to be determined, in municipal facilities including Town Hall, Town Hall Annex, Library, and DPW Garage		1,641
Westminster	12/13/12	\$141,500	to fund energy conservation measures, interior and exterior lighting, storm windows, weatherization, HVAC controls, in municipal facilities including Elementary, Meetinghouse, and Academy Hill schools, Town Hall, Police & Fire stations, Library, Public Works, and Public Safety		7,884
Weston	12/20/11	\$138,675	to fund a boiler replacement in the Middle School with a gas-fired high efficiency condensing boiler.	X	12,134
	July-14	\$243,707	to fund energy management system, retro-commissioning, and boiler at four schools and Fire Headquarters	X	
	August-20	\$199,999	to fund energy conservation measures, interior and exterior LED lighting, in municipal facilities including Library, Town Hall, Fire HQ, Fire #2, Woodland, Country, Middle, and High Schools, Community Center, and DPW		
Westport	2/3/20	\$158,710	to fund energy conservation measures, lighting, furnace replacement, and energy manager costs, in municipal facilities including Senior Center, Town Hall and Annex, and Library		15,988
Westwood	12/13/12	\$138,875	to fund energy conservation measures, lighting, lighting controls, HVAC heating system improvements, steam trap repairs and new steam line, in municipal buildings including Deerfield and Hanlon Schools and Town Hall	X	16,127
	July-15	\$242,000	to fund the following energy conservation measures: a streetlight conversion to LEDs; installation of building management controls at the Library and Downey Elementary Schools; and a lighting retrofit with LEDs at the Library	X	
	July-16	\$210,142	to fund the following energy conservation measures: at Downey School, upgrades to the demand ventilation HVAC controls in classrooms and an LED lighting retrofit; and LED lighting retrofits in one facility and one school	X	
	July-17	\$183,136	to fund energy conservation measures, lighting, variable frequency drives, and building control upgrade, in municipal facilities including Recreation Pool, and High School and Martha Jones Elementary Schools	X	
	July-18	\$250,000	to fund energy conservation measures, LED lighting, thermal pool cover and reel, unit ventilator motors, and BMS controls, in municipal facilities including Westwood High, Thurston Middle, and Martha Jones Schools, and Recreation Pool	X	
	August-19	\$183,783	to fund energy conservation measures, LED lighting, unit ventilators, and pool water heater boiler, in municipal facilities including Thurston Middle School and Recreation Pool	X	
	August-20	\$100,000	to fund energy conservation measures, unit ventilator conversion, in municipal facilities including Thurston Middle School	X	
	12/22/15	\$277,635	to fund the following energy conservation measures: installation of an energy management system at Town Hall; interior lighting upgrades at Town Hall, Nash, Murphy, Hamilton, and Wessagusset Elementary Schools, Pratt Library, and the Police Station	X	

GREEN COMMUNITY DESIGNATIONS REACH 280

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Weymouth	July-17	\$250,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including DPW, Fire Stations 2, 3, and 5, Weymouth High and Johnson Schools, Branch Library, School Administration Building, Teen Center, Town Hall Annex, and Winter St Water and Great Pond Treatment Plants	X	57,719
	July-18	\$250,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Hamilton Primary, Pingree Primary, Seach Primary, Talbot Primary, and Wessagusset Elementary Schools, and Fire Station 2	X	
	August-19	\$225,373	to fund energy conservation measures, lighting, and weatherization, in municipal facilities including Adams Middle School, McCulloch Building, High School, and Town Hall	X	
	August-20	\$194,661	to fund energy conservation measures, LED lighting, transformer, weatherization, and administrative assistance, in municipal facilities including Adams Middle, Pingree, Murphy and High Schools		
Whately	12/13/12	\$137,950	to fund to fund an ASHRAE Level II energy audit of the elementary school; and at the Elementary School, installation of a new Energy Management System and an interior LED lighting upgrade	X	1,580
	July-17	\$164,310	to fund energy conservation measures in municipal facilities including Town Hall. The energy conservation measures funded by this grant are: HVAC equipment upgrade, building envelope improvements, and interior lighting retrofit	X	
Whitman	12/22/15	\$166,215	to fund the following energy conservation measures: interior lighting upgrades at Town Hall, Library, Fire Station, and Council on Aging; installation of variable frequency drives on pumps at Oakland St., Rowena, Auburn, Commercial, and Old Coach Pump Stations	X	15,168
	July-17	\$197,408	to fund energy conservation measures in municipal facilities including Dept of Public Works, Police Station, Whitman Middle School, Fire Dept, Public Library, and Town Hall. The energy conservation measures funded by this grant are: interior LED lighting retrofits, steamer kettle, boiler replacement, energy management system, and convector valve control	X	
	July-18	\$250,000	to fund energy conservation measures, LED streetlight conversion, interior lighting, and kitchen ovens, in municipal facilities including streetlights and Conley Elementary and Middle Schools	X	
	August-19	\$147,241	to fund energy conservation measures, air handler / condensing /DX units, interior storm windows, dishwasher, convection oven, and LED lighting, in municipal facilities including DPW, Library, and Duvall Elementary School	X	
	August-20	\$9,000	to fund energy conservation measures, hybrid vehicle purchase and appliance replacement, in municipal facilities including Council on Aging, Fire, and town vehicle fleet		
Wilbraham	12/27/18	\$152,815	to fund energy conservation measures, furnace replacement and energy conservation measures to be determined , in municipal facilities including Dept. of Public Works		14,749
Williamsburg	12/18/13	\$142,975	to fund energy conservation measures, energy audits, lighting, thermostats, weatherization, fuel conversion and new boiler with variable frequency drives and pump motor upgrades, in municipal facilities including James School, Town Offices, and Haydenville and Meekings Libraries	X	2,489
	July-18	\$28,149	to fund energy conservation measures, LED streetlight conversion and interior LED lighting, in municipal facilities including Town Offices and streetlights	X	
Williamstown	12/16/10	\$142,000	to fund an energy education and outreach program, solar PV roof-mounted array on Cemetery building, and the following energy conservation measures: mechanical/lighting/refrigeration upgrades and retrocommissioning at the Elementary School, lighting and sensor upgrades at the DPW building, and lighting retrofits at Milne library, Town Hall and the Council on Aging.	X	7,993
	July-16	\$65,936	to fund the following energy conservation measures: purchase of electric vehicle (BEV) and installation of an EV charging station; and new efficient modulating/condensing hot water boilers at Milne Public Library	X	
Winchendon	2/1/17	\$176,245	to fund energy conservation measures, lighting retrofits, weatherization, baseline BAS, and secondary pump upgrade, in municipal facilities including Town Hall, Beals Library, Murdock Middle and High School, and Fire Station	X	10,911
	July-18	\$246,827	to fund energy conservation measures, interior and exterior LED lighting, weatherization, and BAS expansion, in municipal facilities including Murdock, Memorial, and Toy Town Schools, and Beal's Memorial Library	X	
	August-19	\$189,673	to fund energy conservation measures, building automation system expansion; radiant heat, lighting , and boiler replacement, in municipal facilities including Murdock School, Memorial School, DPW Garage, Senior Center, and Police Station	X

Winchester	12/16/10	\$151,475	to fund an Energy Conservation Coordinator position and the following energy conservation measures; retro-commissioning of the HVAC system and addition of variable frequency drives (VFDs) on Heat Pumps at McCall Middle School.	X	22,851
	July-13	\$198,620	to fund energy conservation measures, energy management system, demand control ventilation, hot water boiler, variable frequency drives, air handling unit, occupancy sensors, motor on circulation pump, in municipal facilities including Public Library, Public Safety Building, McCall Middle, Lynch, Ambrose, and Lincoln Schools, and Town Hall	X	
	July-14	\$250,000	to fund conversion of streetlights to LED technology	X	
	July-15	\$115,203	to fund energy conservation measures, EV purchase, EMS controls upgrade, and exterior lighting, in municipal facilities including Library, Senior Center, and Town Hall	X	
	July-16	\$200,674	to fund energy conservation measures, lighting, refrigeration controls, HVAC upgrades, heat pump, weatherization, steam trap upgrade, building controls, in municipal facilities including Town Hall, and McCall, Parkhurst, and Mystic Schools	X	
	July-17	\$235,096	to fund energy conservation measures, weatherization, EMS upgrade and retro-commissioning, lighting and sensors, and EV charging station, in municipal facilities including Public Safety Building, and Lincoln Elementary, Parkhurst, and High Schools	X	
	July-18	\$206,401	to fund energy conservation measures, steam heating system zone creation, LED lighting, and recommissioning, in municipal facilities including Muraco Elementary, Ambrose Elementary, and Mystic Schools	X	
	August-20	\$100,000	to fund energy conservation measures, LED lighting, weatherization, and destratification fans, in municipal facilities including Ambrose Elementary School and Town Hall	X	
Windsor	12/22/15	\$137,880	to fund energy conservation measures, replacement of the heating system and fuel conversion, solar array, and point of use water heaters, in municipal facilities including Town Offices	X	875
	August-19	\$57,820	to fund energy conservation measures, heating replacement, weatherization, door replacement, and thermal curtains, in municipal facilities including Town Office	X	
Winthrop	12/13/12	\$169,625	to fund administrative costs and energy conservation measures, lighting, energy management system, refrigeration controls, weatherization, steam traps, and variable frequency drives and motor upgrades in municipal facilities including Newton Cultural Center, Gorman/Ft. Banks Elementary, Middle School, Town Hall, Police Station, and two pump stations	X	18,688
	July-14	\$235,000	to fund energy conservation measures in the Cummings and Middle Schools	X	
	July-15	\$163,629	to fund energy conservation measures, weatherization, lighting retrofits, at the Larsen Ice Rink, Public Works building and parking lot, Ferry Terminal and Pier, Ft. Banks and Cummings Elementary Schools	X	
	July-16	\$119,649	to fund the following energy conservation measures: at the DPW, new infrared heaters; at Central Fire Station, repairs of steam traps and valves; Energy Analytics software for two schools; an update of controls for the chiller in the Larsen Rink	X	
	July-18	\$217,505	to fund energy conservation measures, LED lighting and administrative costs, in municipal facilities including Police Station, Public Library, Central Fire Station, Senior Center, and Fort Banks Elementary School	X	
Woburn	7/19/11	\$231,925	to fund an LED streetlight conversion project on main thoroughfares and many secondary roads and retrofitting downtown decorative lights.	X	40,397
	July-14	\$250,000	to fund conversion of streetlights to LED technology	X	
	July-15	\$242,000	to fund energy conservation measures, retrocommissioning, lighting and controls, HVAC and EMS upgrades, and rooftop unit, in municipal facilities including Memorial High, Malcolm White and Reeves Elementary Schools, Joyce Middle School, Linscott-Rumford School, Senior Center, and Police Station	X	
	July-16	\$250,000	to fund energy conservation measures, HVAC fuel conversions, exterior and interior lighting, refrigeration controls, and retrocommissioning, in municipal facilities including Kennedy, Alta Vesta, Goodyear, Memorial High, and White Schools, and other municipal facilities	X	
	July-17	\$249,452	to fund energy conservation measures, insulation, retro-commissioning, interior and exterior lighting, thermostats, electric vehicle purchase, and EV charging station, in municipal facilities including vehicle fleet and infrastructure, City Hall, Joyce Middle, JFK Middle, and Shamrock Elementary Schools, Dept of Public Works, and Horn Pond Water Treatment Plant	X	
	July-18	\$230,530	to fund energy conservation measures, LED lighting, EMS controls for heating and ventilation, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including Police Dept., City Hall, Joyce Middle and Hurd-Wyman Elementary Schools, Senior Center, and town vehicle fleet	X	
	August-19	\$139,684	to fund energy conservation measures, air source heat pump and LED lighting, in municipal facilities including Senior Center and Joyce Middle School	X	
	August-20	\$100,000	to fund energy conservation measures, air source heat pumps and weatherization, in municipal facilities including Senior Center	X
