4. "I'm not here to tell you what to do. I'm here to tell you what's possible." — Nikki Bruno, Eversource Energy Vice President of Customer Experience

5. "We're Ahsé e Eversource. We're working together to make sure everyone has access to reliable, affordable energy. We're committed to providing safe, sustainable energy solutions for our customers and communities. Our mission is to help people live better lives by providing them with the tools and resources they need to succeed. We believe that everyone deserves a chance to succeed, and we're dedicated to making sure that happens. We're proud to be part of the community and to help make it a better place for everyone.
