323 CMR 2.09 Permits

(1) Events: A race, regatta, parade, exhibition or practice for a race which is conducted according to a pre-arranged schedule and which by its nature, circumstances or location will introduce extra or unusual hazards to the safety of life or property on the waters of the Commonwealth may not be conducted without either a permit issued by the Director or the Director's Designee or a Permit for Marine Event issued by the United States Coast Guard.

(2) Plans: Any person or organization holding or sponsoring such a race, regatta, parade, exhibition or practice for a race shall submit a detailed plan to the director of the Office of Law Enforcement, 251 Causeway Street, Suite 101, Boston, MA 02114. Such plan shall be submitted **not less than fifteen (15) days prior to the start** of such race, regatta, parade, exhibition or practice for a race.

(3) Plan Contents: The detailed plan shall include the following:

- a) Name, address and telephone number of sponsor;
- b) Nature and purpose of the event;
- c) Information as to general public interest;
- d) Estimated number/types of vessels participating in the event;
- e) Estimated number/types of spectator vessels
- f) A time schedule and description of the event;
- g) A scale drawing of sketch showing the boundaries of the event, including the length of course in miles or meters and various water courses or areas to be utilized by participants, officials, and spectator vessels;
- h) The written approval of the local harbormaster, or in a municipality without a harbormaster, the local police chief.

(4) Permit Issuance: If, at the discretion of the Director, the event may be held with safety of life and property, a permit may be issued. Permits may be issued either for a single event or a number of series of events; but no longer than one (1) year. Permits may be issued with conditions.

(5) Have you applied for any other permits regarding this event? If so, please indicate by checking the appropriate agency:

State Federal U.S. Coast Guard DCR
