Re: Determination of Need Application UMMH-25021208-HE Registration of Ten Taxpayer Group (TTG)

Dear Mr. Renaud,

Pursuant to the provisions of 105 CMR. §§ 100.100 and 100.435, please accept the following request for the registration of a TTG relative to Determination of Need (DoN) Application UMMH-25021208-HE for a substantial change in service and substantial capital expenditure to develop a Proton Therapy Service at the UMass Memorial Medical Center Cancer Center at Marlborough. Please note the following:

1. The name and resident address of each TTG member is attached.
2. Each TTG member is a resident of the Commonwealth of Massachusetts and is subject to any Massachusetts state income, excise or property tax during 2025, the year in which the Application was filed.
3. The representative of the Community Supporters TTG designated to be the recipient of all written communications concerning the Application relative to this request is from William Fischer, Marlborough, Massachusetts. All materials can be sent to William Fischer, 540 Bigelow Street, Marlborough, MA 01752 or billandsuefischer@verizon.net

We have discussed the DoN Application with the Applicant and are in support of UMass Memorial Health's plans to develop a Proton Therapy Service at the UMass Memorial Medical Center Cancer Center at Marlborough. We believe bringing this service to Marlborough will improve access to life-saving cancer care in our region, boost innovation and job creation, and enhance health equity and patient outcomes.

We are not acting as an agent for the Applicant or another party. We are community members including trustees, Patient and Family Advisory Council members, patients, patient' family members and residents of the community.

Thank you for your attention to this matter.

Sincerely,

William Fischer
