

# Mass Violence Services by County

---

MOVA funds free resources for crim victims throughout Massachusetts. Below is a list of some of these programs. You can find other programs MOVA funds at [mass.gov/askmova](https://mass.gov/askmova). Services are listed in alphabetical order by county below. Each county starts on a new page. If a county is not listed below, it means MOVA doesn't fund mass violence services in that county specifically. If you are looking for services in a county not listed, please contact MOVA's Victim Services Coordinator at 617-586-1340 for assistance.
