Dear Ms. CasselKraft:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Massachusetts' request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

The state's approved Appendix Ks are effective from March 1, 2020 through six months after the end of the Public Health Emergency (PHE). The amendments that the state has requested in these submissions are additive to those previously approved and are effective from July 1, 2021 to December 31, 2021; they apply in all locations served by the individual waivers for anyone impacted by COVID-19.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of these actions does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.
