General instructions

• Please print clearly and answer all questions completely. There are a few sections where you may be instructed to skip some questions. Other than those exceptions, blank or incomplete answers will slow down the processing of your application.

• You can download pages for additional persons at www.mass.gov/masshealth. Be sure to tell us how each person is related to each other person. We need this information to determine eligibility.

• It is not necessary to send blank pages for Step 2 if you do not have that many people in your household. Please make sure that you indicate in Section 1 the number of people applying, and send all other sections even if they are blank or partially blank.

• MassHealth or the Massachusetts Health Connector will send a Request for Information notice if we need any additional information or proof to make an eligibility decision. If we send a Request for Information notice, the individual has 90 days to send the requested proof. MassHealth may provide provisional benefits during this 90-day period to eligible applicants under age 21 and to those individuals who self-attest to pregnancy, HIV positive status, or breast or cervical cancer. MassHealth benefits may not be provided to an individual age 21 or older until all income in the MAGI household is verified, unless that person is pregnant, has HIV, or is in active treatment for breast or cervical cancer.
• In order to get any benefits you are entitled to as quickly as possible, you may include any documentation you have that verifies all household income.

TELL US ABOUT YOUR HOUSEHOLD.

Who do you need to include on this application?

Tell us about all the household members who live with you. If you file taxes, we need to know about everyone on your tax return. You do not need to file taxes to get MassHealth, the Health Safety Net, or the Children’s Medical Security Plan, if you qualify.

DO Include

• Yourself and your spouse (if married)
• Your natural, adoptive, or step children younger than age 19
• Your unmarried partner who lives with you if you have children together who are younger than age 19
• Your unmarried partner’s children who live with you and who are younger than age 19, if you also include this partner
• Anyone you include on your tax return (even if they do not live with you)
• Anyone your unmarried partner included on his or her tax return (even if they do not live with you), if you also include your unmarried partner
• Anyone else younger than age 19 who you live with and take care of
DO NOT include

• Your unmarried partner, unless you have children together
• Your unmarried partner’s children, unless they live with you or your unmarried partner included them on his or her tax return
• Your parents whom you live with if your parents file their own taxes and do not claim you as tax dependent (if you are age 19 or older)
• Other adult relatives whom you do not claim as tax dependents

The amount of help or type of program you may qualify for depends on the number of people in your household and their incomes. This information helps us make sure everyone gets the coverage they may be eligible for.

Complete Step 2 for yourself and all additional household members who live with you, or anyone on your same federal income tax return if you file one. If you do not file a tax return, remember to still add household members who live with you.
STEP 2   PERSON 1

This section is to gather more information about the contact person named on page 2.

Complete Step 2 for yourself and all additional household members who live with you, or anyone on your same federal income tax return if you file one. See page 5 for more information about who to include. If you do not file a tax return, remember to still add household members who live with you.

6. Do you have a social security number (SSN)?
   □ Yes  □ No (optional if not applying)

   We need a social security number (SSN) for every person applying for health coverage who has one. An SSN is optional for persons not applying for health coverage, but giving us an SSN can speed up the application process. We use SSNs to check income and other information to see who is eligible for help with health coverage costs. A social security number is required if a person is applying for MassHealth Premium Assistance. If someone needs help getting an SSN, call the Social Security Administration at (800) 772-1213 (TTY: (800) 325-0778), or go to socialsecurity.gov. Please see the Member Booklet for more information.

They must check “Yes” to question 7 to be eligible for ConnectorCare or APTCs to help pay for your health insurance. **You do NOT need to file a tax return to apply for or to get MassHealth, CMSP, or HSN, if you qualify.**

If **Yes**, please answer questions a–c.

Individuals must file a joint federal tax return with their spouse for the year for which they are applying to get certain programs (ConnectorCare or APTCs) unless they are a victim of domestic abuse or abandonment or they will file taxes as Head of Household. If an individual will file taxes as Head of Household, they should answer No to question 7a (“Are you legally married?”). One way an individual may qualify as Head of Household is to live apart from their spouse and claim another person as a dependent. See IRS Publication 501 or consult a tax professional for tax filing information. They will only need to include themselves and any dependents on this application.

READ AND SIGN THIS APPLICATION

For MassHealth and Health Connector Applicants

On behalf of myself and all persons listed on this application, I understand, represent, and agree as follows.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.

2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.

3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the state deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.

4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, or parents obligated to pay
for medical support, or individuals obligated to pay under accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.

5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.

6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.

7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.

8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.
9. To the extent permitted by law, after notice and an opportunity to appeal, MassHealth may place a lien against any real estate owned by an eligible MassHealth member or in which the eligible member has a legal interest, if the member is receiving long-term care in a nursing facility or other medical institution and MassHealth determines that the member is not reasonably expected to return home. If MassHealth puts a lien against such property and the property is later sold, money from the sale of that property may be used to repay MassHealth for medical services provided.

10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person regardless of age for whom MassHealth helps pay for long-term care in a nursing home or other medical institution, MassHealth will seek money from the eligible person’s estate after death for the total cost of care. For more information on estate recovery, visit mass.gov/EstateRecovery.

11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household’s income or employment, household size, health insurance coverage, health insurance premiums, and immigration status, or about changes in any other information on this application and any supplements to it within 10 calendar days of learning
of the change. Eligible persons can make changes by calling (800) 841-2900, TTY: (800) 497-4648 for people who are deaf, hard of hearing, or speech disabled. A change in information could affect eligibility for such persons or for persons in their household. You can also report changes in any of the following ways.

- Sign on to your account at MAhealthconnector.org. You can create an online account if you do not already have one.
- Send the change information to Health Insurance Processing Center
  P.O. Box 4405
  Taunton, MA 02780.
- Fax the change information to (857) 323-8300.

12. MassHealth, the Massachusetts Health Connector, and the Health Safety Net will obtain from eligible persons’ current and former employers and health insurers all information about health insurance coverage for such persons. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to such persons or members of their household.

13. MassHealth, the Massachusetts Health Connector, and the Health Safety Net may get records or data about persons listed on this application from federal and state data sources and programs, such as the Social Security Administration, the Internal Revenue Service,
the Department of Homeland Security, the Department of Revenue, and the Registry of Motor Vehicles, as well as private data sources, including financial institutions, 1) to prove any information given on this application and any supplements, or other information given once a person becomes a member, 2) to document medical services claimed or provided to such persons, and 3) to support continued eligibility.

14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.

15. Under federal law, discrimination is not permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. I can file a complaint of discrimination by going to www.hhs.gov/ocr/complaints/index.html.

16. I agree to allow the Massachusetts Health Connector to use income data, including information from tax returns, to determine my eligibility in future years. Review the Health Connector Privacy Policy for more information about how the Health Connector uses your tax information. The Massachusetts Health Connector will send me a notice and let me make changes to my eligibility application. I understand that if I am eligible
for an Advance Premium Tax Credit (APTC) and/or ConnectorCare, these payments will be made directly to my selected insurance carrier(s). Acceptance of APTC and/or ConnectorCare may impact my annual tax liability. I will be given the option to apply all, some, or none of any APTC amount I may be eligible for to my monthly premium.

I AGREE TO THE FOLLOWING STATEMENTS.

Department of Transitional Assistance (DTA) Notice of Rights, Responsibilities and Penalties

This notice lists rights and responsibilities for all DTA programs. You must follow the rules for programs you apply for. Please read these pages and keep them for your records. Let DTA know if you have any questions.

I swear under penalty of perjury that:

• I have read the information in this form, or someone read it to me.

• My answers in this form are true and complete to the best of my knowledge.

• I will give DTA information that is true and complete to the best of my knowledge during my interview and in the future.

I understand that:

• giving false or misleading information is fraud,

• misrepresenting or withholding facts to get DTA benefits is fraud,

• fraud is considered an Intentional Program Violation (IPV), and

• if DTA thinks I committed fraud, DTA can pursue civil and criminal penalties against me.

I also understand that:
• DTA will verify the information I give with my application. If any information is false, DTA may deny my benefits.

• I may also be subject to criminal prosecution for providing false information.

• If DTA gets information from a reliable source about a change in my household, my benefit amount may change.

• By signing this form, I give DTA permission to verify my eligibility for benefits, including:

  Get information from other state or federal agencies, local housing authorities, out-of-state welfare departments, financial institutions, and Equifax Workforce Solutions (the Work Number). I also give these agencies permission to share information about my household’s eligibility for benefits with DTA.

  If DTA uses information from Equifax about my household earned income, I have the right to a free copy of my Equifax report if I request it within 60 days of DTA’s decision. I have the right to question the information in the report. I may contact Equifax at: Equifax Workforce Solutions, 11432 Lackland Road, St. Louis, MO 63146, 1-800-996-7566 (toll free).

• I have a right to a copy of my application, including the information that DTA uses to decide about my household’s eligibility and benefit amount. I can ask DTA for an electronic copy of the completed application.
How will DTA use my information?

By signing below, I give DTA permission to get information from and share information about me and members of my household with:

• Banks, schools, government, employers, landlords, utility companies and other agencies to check if I am eligible for benefits.

• Electric, gas and telephone companies so I can get utility discounts. The companies cannot share my information or use it for any other purpose.

• The Department of Housing and Community Development to enroll me in the Heat & Eat Program. This program helps people get the most SNAP benefits possible.

• The Department of Early and Secondary Education so my children can get free school meals.

• The Woman, Infants and Children (WIC) Program so that any children under age 5 or a pregnant woman in my household can get WIC.

• The United States Citizenship and Immigration Services (USCIS), to verify my immigration status. Information from USCIS may affect my household’s eligibility and amount of DTA benefits.

Note: Even if you are not eligible for benefits due to immigration status, DTA will not report you to immigration authorities unless you show DTA a final order of deportation.
• The Department of Revenue (DOR) to verify my eligibility for income-based tax credits, such as Earned Income and Limited Income, and to see if I am eligible for “No Tax Status” or hardship status.

• The Department of Children and Families (DCF) to coordinate services offered jointly by DTA and DCF.

How does DTA use Social Security Numbers (SSNs)?

DTA is allowed to ask for SSNs under The Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036) for SNAP and under M.G.L. c. 18 Section 33 for TAFDC and EAEDC. DTA uses SSNs to:

• Check the identity and eligibility of each household member I apply for through data matching programs.

• Monitor compliance with program rules.

• Collect money if DTA claims I got benefits that I was not eligible for.

• Help law enforcement agencies catch people hiding from the law.

I understand that I do not have to give DTA the SSN of any non-citizen in my household, including myself, who does not want benefits. The income of a non-citizen may count even if the non-citizen does not get benefits.
Right to an Interpreter

I understand that:

• I have a right to a free professional interpreter provided by DTA if I prefer to communicate in a language other than English.

• If I have a DTA hearing, I can ask DTA to give me a free professional interpreter, or if I prefer, I can bring some-one to interpret for me. If I need DTA to give me an interpreter for a hearing, I must call the Division of Hearings at least one week before the hearing date.

Right to Register to Vote

I understand that:

• I have the right to register to vote through DTA.

• DTA will help me fill out the voter registration application form if I want help.

• I can fill out the voter registration application form in private.

• Applying to register or declining to register to vote will not affect my DTA benefits.

Employment Opportunities

I agree that DTA may share my name and contact information with employment and training providers, including:

• SNAP Path Work providers or DTA specialists for SNAP clients; and
• Contracted Employment and Training providers or Full Engagement Workers for TAFDC clients.

SNAP clients may voluntarily participate in education and employment training services through the SNAP Path to Work program.

**Citizenship Status**

I swear that all members of my household applying for DTA benefits are either U.S. citizens, or lawfully residing noncitizens.

**Supplemental Nutrition Assistance Program**

I understand that:

• DTA manages the SNAP program in Massachusetts.

• When I file an application with DTA (by phone, online, in person, or by mail or fax), DTA has 30 days from the date it got my application to decide if I am eligible.

  If I am eligible for expedited (emergency) SNAP, DTA has to give me SNAP and make sure I have an Electronic Benefit Transfer (EBT) card within 7 days from the date they got my application.

  I have a right to speak to a DTA supervisor if:

  - DTA says I am not eligible for emergency SNAP benefits, and I disagree.

  - I am eligible for emergency SNAP benefits, but do not get my benefits by the 7th day after I applied for SNAP.
- I am eligible for emergency SNAP benefits but do not get my EBT card by the 7th day after I applied for SNAP.

- When I get SNAP, I have to meet certain rules. When I am approved for SNAP, DTA will give me a copy of the “Your Right to Know” brochure and the SNAP Program brochure. I will read the brochures or have someone read them to me. If I have any questions or need help reading or understanding this information, I can call DTA at 1-877-382-2363.

- Telling DTA about changes in my household:

  If I am a SNAP Simplified Reporting household, I do not have to report most changes to DTA until the Interim Report or Recertification is due. The only things I have to report sooner are:

  - If my household’s income goes over the gross income threshold (listed on my approval notice). I have to report this by the 10th day of the month after the month my income went over the threshold.

  - If I have to meet the Able-Bodied Adults Without Dependents (ABAWD) Work Rules and my work hours drop below 20 hours per week.

  If everyone in my household is 60 or older, disabled, or under 18 years old, and no one has earnings from work, the only things I have to report are:

  - If someone starts working, or
- Someone joins or leaves my household.

- I have to report these changes by the 10th day of the month after the month of the change.

If I get SNAP through Transitional Benefits Alternative (TBA) because my TAFDC stopped, I do not have to report any changes to DTA for the 5 months that I get TBA.

If I get SNAP through Bay State CAP, I do not have to report any changes to DTA.

If I and everyone in my household gets cash assistance (TAFDC or EAEDC), I must report certain changes to DTA within 10 days of the change. See When do I need to tell DTA about changes in my household? under Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC) below.

I may get more SNAP benefits if I report and give DTA proofs for the following, at any time:

- Child or other dependent care costs, shelter costs, and/or utility costs;

- Child support that I (or someone in my household) is legally required to pay to a non-household member; and

- Medical costs for members of my household, including myself, who are 60 or older or disabled.
Work rules for SNAP clients:

If you get SNAP benefits and are between the ages of 16 and 59 you may need to meet general SNAP work rules or the ABAWD work rules unless you are exempt. DTA will tell me and members of my household if we need to meet any Work Rules, what the exemptions are, and what will happen if we do not meet the rules.

If you are under the SNAP Work Rules, you must:

- Register for work at application and when you recertify for SNAP. You register when you sign the SNAP application or recertification form.
- Give DTA information about your employment status when DTA asks.
- Report to an employer if referred by DTA.
- Accept a job offer (unless you have a good reason not to).
- Not quit a job of more than 30 hours a week without a good reason.
- Cut your work hours to less than 30 hours a week without a good reason.

**SNAP Rules**

Do not give false information or hide information to get SNAP benefits.

Do not trade or sell SNAP benefits.

Do not alter EBT cards to get SNAP benefits you are not eligible for.
Do not use SNAP benefits to buy ineligible items, such as alcoholic drinks and tobacco.

Do not use someone else’s SNAP benefits or EBT card unless you are an authorized representative, or the recipient has given you permission to use their card on their behalf.

I understand that if I or any member of my SNAP household intentionally breaks any of the rules listed above, that person will not be eligible for SNAP for one year after the first violation, two years after the second violation and forever after the third violation. That person may also be fined up to $250,000, imprisoned up to 20 years, or both. They may also be subject to prosecution under Federal and State laws.

Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC)

TAFDC and EAEDC are cash assistance programs. To learn more and to apply, visit DTACConnect.com or call your local DTA office. This information only applies to households who are applying for or get TAFDC or EAEDC.

When do I need to tell DTA about changes in my household?

I must tell DTA about changes that could affect my TAFDC or EAEDC (cash benefits) within 10 days, except that I do not have to tell DTA about a change in my earnings of less than $100 per month. This includes changes in my income, assets, address, who I live with, family size, work, and health insurance.
How do I get health insurance?

- If I get TAFDC or EAEDC, I will get MassHealth too.
- If I am denied TAFDC or EAEDC, MassHealth will use my information to see if I am eligible for health insurance.
- If my EAEDC stops, I need to apply for MassHealth separately. To ask for an application call 1-800-841-2900.

If I get MassHealth, I agree that MassHealth may collect:

- money owed to me from another source for my medical care, and
- medical support from the absent parent of any child under age 19 who gets MassHealth benefits.

Are there special rules if I am eligible only because of an accident or injury?

If my family gets benefits from MassHealth or DTA because of an accident or injury, I must use any money I get for the accident or injury to pay them back. The money could be from an insurance policy, a settlement, or any other source. This applies even if I do not know what the possible sources of money are yet.

I agree to cooperate with MassHealth and DTA by:

- Filing claims for money from other sources.
- Telling MassHealth and DTA right away about any insurance claim, lawsuit, or other process to get money.
- Giving MassHealth and DTA new information when I get it.
If I don’t cooperate, MassHealth and DTA may stop or deny my benefits. I agree that MassHealth and DTA may:

• Share information about my benefits in order to collect money to repay those benefits.

See all records about money I might get due to the accident or injury, such as records at the Department of Industrial Accidents.

If I am getting EAEDC because I have a disability or I am over 65 years old, I have to apply for federal Supplemental Security Income (SSI) benefits. If I am approved for SSI benefits that cover the same time that I got EAEDC, the Social Security Administration will send some of my retroactive SSI to DTA to repay the EAEDC.

**Important Notice About the Law and Your Benefits**

An Intentional Program Violation (IPV) is intentionally giving a false or misleading statement or misrepresenting, hiding, or withholding facts, either orally or in writing, in order to establish or maintain eligibility for TAFDC or EAEDC benefits, or to gain benefits to which I am not entitled.

If I am found guilty of an IPV by a court of law, an administrative disqualification hearing, or by signing a waiver, I will be disqualified from receiving TAFDC or EAEDC benefits for a period of:

• 6 months for the first violation
• 12 months for the second violation
• forever for the third violation

In addition, other laws may apply.

Prohibitions on EBT Card Purchases

I understand it is illegal to use TAFDC or EAEDC funds held on an electronic benefit transfer (EBT) card to pay for the following: alcoholic beverages; tobacco products; lottery tickets; adult oriented material or performances; gambling; firearms and ammunition; vacation services; tattoos; body piercings; jewelry; televisions; stereos; video games or consoles at rent-to-own stores; recreational marijuana; court-ordered fees; fines; bail or bail bonds.

Prohibitions on Where I may Use My EBT Card

I understand it is illegal to use my electronic benefit transfer (EBT) card at the following locations: adult bookstores; adult paraphernalia stores or adult oriented performance establishments; ammunitions dealers; casinos; gambling casinos or gaming establishments; cruise ships; firearms dealers; jewelry stores; liquor stores; manicure shops or aesthetic shops; cash transmittal agencies to foreign countries; recreational marijuana stores or tattoo parlors.

Penalties for prohibited EBT card cash purchases

• First Offense: I must pay back DTA the amount spent.

• Second Offense: I must pay back DTA the amount spent and will lose cash benefits for two months.

• Third Offense: must pay back DTA the amount spent and will lose cash benefits permanently.

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you must submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who still lives at home. We will do that automatically.

**Note:** An authorized representative has the authority to act on an applicant’s or member’s behalf in all matters with MassHealth and the Health Connector, and will receive personal information about the applicant or member until we receive a cancellation notice terminating their authority, or upon the death of the applicant or member. Their authority will not automatically terminate once we process your application.
You can choose someone to help you.

You may choose an authorized representative to help you get health care coverage through programs offered by MassHealth and the Health Connector. You can do this by filling out this form (the Authorized Representative Designation Form). You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent. You are not required to have a representative in order to apply for or receive benefits.

Who can help me?

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B. We sometimes refer to this person or organization as a “Section I authorized representative.”

2. If you cannot designate an authorized representative in writing and you do not have an existing authorized representative or other person who is authorized by law
to act on your behalf, a person (not an organization) who certifies that he or she will act responsibly on your behalf can be your authorized representative if that person fills out Section II of this form. We sometimes refer to this person as a “Section II authorized representative.”

3. An authorized representative can also be someone who has been appointed by law to act on your behalf, or on behalf of the estate of an applicant or member who has died. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person has authority to represent you, or the estate of a deceased applicant or member. We sometimes refer to this person as a “Section III authorized representative.”

4. Section III authorized representative may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the personal representative of the estate.

**What can an authorized representative do?**

A Section I or II authorized representative may

- fill out your application or renewal forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;
- report changes in income, address, or other circumstances;
• get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
• act on your behalf in all other matters with MassHealth and the Health Connector.

What a section III authorized representative is authorized to do for you (or for the Estate of a deceased applicant or member) will depend on the wording of the legal appointment.

Please note: Eligibility notices may include information about other members of an applicant’s or member’s household. If there are multiple people in your household we may not be able to send copies of some of your notices to your authorized representative unless each household member has also designated the same authorized representative by completing a separate Authorized Representative Designation form.

How does an authorized representative designation end?

If you decide that you no longer want a Section I or Section II authorized representative, you must notify us at the time you want the designation to end by mail, fax, or phone. See our contact information below. If you mail or fax this notice to us, the notice must include your name, address, and date of birth, the name of your authorized representative, a statement that the designation has ended and your signature or, if you cannot provide written notice, the signature of someone acting on your behalf (in the case of a Section II authorized representative only).

In addition, if your authorized representative notifies us that such person or organization is no longer acting on your behalf, we will no longer recognize the person or organization as your authorized representative.
The authority of a Section I or Section II authorized representative will end upon the death of the applicant or member.

A Section III authorized representative’s designation ends when his or her legal appointment ends. The authorized representative must notify us as instructed above.

In addition, an authorized representative’s designation for a minor child ends on the child’s 18th birthday.
