Honorable Commissioner:

Pursuant to your instructions and in accordance with Massachusetts General Laws, Chapter 175, Section 4, and other applicable statutes, an examination has been made of the financial condition and affairs of

MASSACHUSETTS EMPLOYERS INSURANCE COMPANY

at its home office located at 54 Third Avenue, Burlington, Massachusetts, 01803. The following report thereon is respectfully submitted.

SCOPE OF EXAMINATION

Massachusetts Employers Insurance Company (“MEIC” or “Company”) was last examined as of December 31, 2013 by the Massachusetts Division of Insurance (“Division”). The current examination was also conducted by the Division and covers the five-year period from January 1, 2014 through December 31, 2018, including any material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

Concurrent with this examination, the following insurance affiliates in the AIM Insurance Group were also examined and separate Reports of Examination have been issued:

Associated Employers Insurance Company
Associated Industries of Massachusetts Mutual Insurance Company

The examination was conducted in accordance with standards and procedures established by the National Association of Insurance Commissioners (“NAIC”) Financial Condition (E) Committee and prescribed by the current NAIC *Financial Condition Examiners Handbook*, the examination standards of the Division and with Massachusetts General Laws. The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify current and prospective risks of the Company by obtaining information about the Company, including corporate governance, identifying and assessing inherent risks within the Company, and evaluating system controls and procedures used to mitigate those risks.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management’s compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company’s financial statements.

This examination report includes significant findings of fact, as mentioned in the Massachusetts General Laws, Chapter 175, Section 4, and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

The Company is audited annually by Ernst & Young LLP (“E&Y”), an independent certified public accounting firm. The firm expressed unqualified opinions on the Company’s financial statements for calendar years 2014 through 2018. A review and use of the Certified Public Accountants’ work papers were made to the extent deemed appropriate and effective.

BakerTilly Virchow Krause, LLP (“BakerTilly”), was engaged by the Division to evaluate the adequacy of the Company’s loss and loss adjustment expense reserves as of December 31, 2018 and to perform a review of IT.
