SAFETY OR SECURITY CONCERNS

Policies and procedures for collecting, transporting and disposing of Unwanted Drugs, as established in the Plan, were followed in the reporting period. There are no safety or security concerns for the reporting period.

PUBLIC EDUCATION AND OUTREACH

I. Website and Toll-Free Number

Inmar continued to operate a branded, mobile-optimized website and toll-free phone number. The URL for the Inmar website is www.SafeMedicineDrop.com. The purpose of the website is to provide Residents with information pertaining to Inmar's disposal options and outreach material. Residents can visit the website to view a map and listing of drug disposal locations including Drop-off Sites and Mail-Back Distribution Locations in Massachusetts. Residents can also request through the website that a mailer envelope be sent directly to their residence with instructions on how to return Unwanted Drugs. Examples of the Program's Website are included in Appendix A, Figure(s) 6 - 7.

II. Promotional Material

Inmar continued to utilize consumer-facing signage on kiosks at collection sites that outlines what can be accepted and not accepted in the kiosk. The signage uses explanatory graphics and is displayed in English and includes the Program's website.

Inmar provided educational printed materials that are available to residents at participating collection sites and through the Inmar website. Educational materials outline how to locate disposal sites in the state of Massachusetts and how to properly dispose of Unwanted Drugs. Samples of the educational material are included in Appendix A, Figure(s) 1 - 2.

To enhance local awareness and participation, Inmar also supplied Authorized Collectors with a range of marketing assets. These included in-store signage, social media content kits, press release templates, a radio ad script, and prepared scripts for Pharmacy Employees to inform residents about the availability of safe Unwanted Product disposal at their location.

Additionally, Inmar updated training resources and issued new login credentials to Mail-Back Collection Sites ensure seamless access to the enhanced reordering portal for additional supplies. Promotional materials, including educational flyers used for on-site advertising of the Mail-Back Collection System were also updated. Samples of the updated resources are included in Appendix A, Figure(s) 4 - 5.

Inmar continued targeted media outreach with influencer campaigns, social media posts (Instagram, Twitter, Facebook), and programmatic advertising to drive awareness and for educational purposes to residents across the state. Samples of the post are in Appendix A, Figure(s) 8 - 9.

QUICK STEPS

TO START

- 01** Install the Consumer Drug Take-Back Kiosk per DEA guidelines.

- 02** Properly tape container at bottom.

- 03** Place Serialized Inner Liner inside with top folded over container flaps.
(When Inserting Serialized Inner Liner, check to ensure Serial Number on Inner Liner matches Serial Number on the shipping container.)

- 04** Place absorbent pad in bottom of Serialized Inner Liner.

- 05** Document the installation of the container on the Serialization Tracking Sheet.

- 06** Install container inside Consumer Drug Take-Back kiosk.

- 07** Lock bottom door and unlock top door to begin drug take-back collection.

TO CLOSE

- 01** Open bottom door.

- 02** Remove full container, total weight of container **may not exceed 66lbs in weight.**

- 03** Ensure the Serial Number is visible before using a zip tie to secure Serialized Inner Liner bag top.

- 04** Document the removal of the container on the Serialization Tracking Sheet.

- 05** Properly tape container at top.

- 06** Container is pre-labeled for return shipment.

- 07** Schedule pickup with FedEx at <https://www.fedex.com/grd/rpp/ShowRPP.do>

NOTE: All direct contact with the unsealed Consumer Drug Take-Back liner must be performed by two authorized individuals - See (21 CFR §1317.80, 21 CFR §1317.35, 21 CFR §1317.75)

HOW TO SEAL THE LINER TO PREPARE FOR SHIPPING

- 01**
Immediately seal the Serialized Opaque Liner by gathering the top of the Liner.

- 02**
Bend the gathered portion at the halfway point and fold the top half alongside the bottom half.

- 03**
Repeat Step 2 - Again bend the gathered portion at the halfway point and folding the top half alongside the bottom half.

Mail-Back Envelope Set-Up Instructions

Each kit includes:

- ✓ Envelope Display Stand
- ✓ 50 Pre Addressed Mail-Back Envelopes
- ✓ Mail-Back Display Sign with Reorder Process Instructions

Quick Steps to Start

Set up is easy as 1-2-3:

1. Set up display stand
2. Insert envelopes
3. Place the kit on your counter

Reordering Procedure

Keep the reorder process instructions for future reference.

When you only have 15 or fewer envelopes left in your mail-back kit, it is time to reorder more envelopes. Each reorder will only include envelopes.

If the display stand is damaged, please reach out to us via the contact information [here](#) to request a new one.

USPS General Delivery:

Ultimate Users without an address can request USPS General Delivery through the website or by phone, choosing a post office where their mail-back will be delivered.

To reorder, you can do any of the following:

1. Visit: portal.americanrxgroup.com/inmar
2. Scan the QR code back of the display stand with a mobile device
3. Send an email to CDTBMailback@inmar.com
