

# We connect people with jobs

***Last year, 100,000 job seekers  
who visited the One-Stop Career  
Centers found employment.***

Our network of One-Stop Career Centers, located in communities across the state, provide a wide variety of services to help you become re-employed:

- Career planning and guidance
- Training opportunities
- Access to computers, faxes, printers, phones, and assistive technology in our resource rooms
- Workshops on resume writing, interviewing, networking, salary negotiations, and more
- Job fairs with potential employers
