# MassCEC EVICC Program Updates

# EVICC Program Outcomes

## Program

On-Street  
Charging

Ride-For-Hire  
EVSE

MHD Mobile  
Charging

Vehicle-to-  
Everything

## Impact

- Pole-mounted charging stations installed in neighborhoods with low off-street parking access
- DCFC availability at major hubs
- Charging availability in neighborhoods with high concentration of drivers
- Fleet will electrify sooner
- Fleet will reduce overbuild \$
- Fleet will derisk loss of asset ownership
- Grid reliability will increase
- Timeline and \$ for future EVSE installation will decrease

# Requests for Proposals

- Through the RFPs, MassCEC seeks consultants or professionals who are qualified to serve as a technical consultant and project manager under the EVICC Programs. The selected consultant will provide funding/technical experience and facilitate the deployment of programs.
- **Published RFPs:** Vehicles-for-Hire Electrification Charging Solutions and On-Street Charging Solutions
