

Cottage Street Elementary Improvements (Safe Routes To School) Virtual Design Public Hearing

What is happening?

A design public hearing will be held for the Cottage Street School Safe Routes To School Project in the Town of Sharon. The project proposes to construct new and replace existing sidewalks and install crosswalks along Cottage Street to facilitate safe walking to and from school.

How will this affect you?

These infrastructure improvements will allow students to walk to and from school safely. The project includes both construction of new sidewalks and replacement of existing sidewalks.
