

Virtual Design Public Hearing Davis Path Footbridge Brookline, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT Website for the Davis Path Footbridge over MBTA Green Line in Brookline, MA.

How will this affect you?

The reconstruction of the Davis Path Footbridge – a project of the Town of Brookline, Massachusetts - will restore a key piece in the pedestrian network. The new bridge will create an accessible link across the MBTA tracks which currently act as a barrier separating the northern and southern portions of Brookline Village, making travel safer and faster for a wide array of users including pedestrians, cyclists, people with limited mobility, users of micro-mobility devices, seniors, and families with small children.

When

October 20, 2026,
6:30 PM

Attend

www.mass.gov/orgs/highway-division/events

Visit www.mass.gov/orgs/highway-division/events for more information or to view a recording of the presentation if you are unable to attend the meeting.

MassDOT provides translation, interpretation, and other reasonable accommodations upon request. Requests should be made at least ten (10) business days prior to the event. Please contact MassDOT's Highway Project Accommodations office at MassDOTHighwayProjectAccommodations@dot.state.ma.us for your accommodation needs.

Project inquiries may also be emailed to massdotprojectmanagement@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavallee, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: HIGHWAY DESIGN, PROJECT FILE NO. 613683.**
