

# Design Public Hearing

## Safety Improvements at Great Road (Rte. 2A/119) Acton, MA

### What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed isolated pedestrian safety and intersection improvements along Great Road (Route 2A/119) in Acton, MA. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

### How will this affect you?

The proposed project aims to improve safety along the corridor, with a primary emphasis on pedestrian safety. Pedestrian Hybrid Beacons are being proposed at the intersections of Concord Road at Great Road and Harris Street at Great Road. Additionally, intersection improvements are proposed at Concord Street, Davis Road, and Harris Street where they intersect with Great Road.
