

DESIGN PUBLIC HEARING

Robinson Park Elementary School Improvements (SRTS)

Agawam, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the proposed Robinson Park Elementary School Safe Routes to School (SRTS) project in Agawam, MA.

How will this affect you?

The project includes the construction of a shared use path along the north side of Maple Street, from Begley Street to Bridge Street. East of Bridge Street, the shared use path transitions to the south side of Maple Street, terminating at the Walnut Street intersection. Three Rapid Flash Beacon pedestrian crossings are proposed along Maple Street. ADA compliant pedestrian curb ramps will be constructed as needed. A raised intersection with 3-way stop control is proposed at the intersection of Bridge Street and Maple Street.

When

Thursday, May 19, 2022
Time: 6:30 PM

Attend

www.mass.gov/massdot-highway-design-public-hearings

Information will be available on the website starting on June 2, 2022.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact Andrea D'Amato by phone 1 (857) 207-2511, relay 7-1-1, or by email Andrea.DAmato@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: massdotprojectmanagement@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie E. Lavalley, PE, Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 610652**
